STAYING MOTIVATED AS THE HOLIDAYS APPROACH (PART 2)

When you face a spread of delicious holiday food, make healthy choices easier:

- Have a small plate of the foods you like best and then move away from the buffet table.
- Start with vegetables to take the edge off your appetite.
- Eat slowly.
- Avoid or limit alcohol.
- Get right back on your healthy eating plan the next day.
- Keep a food journal and stay accountable.

HOROSCOPE

NOVEMBER 3 - NOVEMBER 9, 2022

ARIES (Mar. 21-April 20)

Get involved in the activities of children. They will teach you far more than you expect. Your emotional partner will push the right buttons this week. Travel could turn out to be more exciting than you imagined. You should check out prestigious clubs or groups that have a cause you believe in.

TAURUS (Apr. 21-May 21)

Do yourself a favor and leave your plastic at home. Work at home if at all possible. You may find travel to be most rewarding. Overindulgence could cause problems for you with your loved ones. Hassles with close friends or family will put a damper on your day and result in isolation and loneliness.

GEMINI (May 22-June 21)

Unexpected bills will be impossible for you to pay. Your stability will aid you in getting support from your fellow workers. Double-check before you go out. Confusion at an emotional level will cause you to make wrong decisions concerning your personal life.

CANCER (June 22-July 22)

Try not to lose your cool, and make your point known. Do a little shopping. You're likely to find a real bargain. Get back into a routine that promises a better looking, more aware individual. Be sure to cover all the necessary groundwork before signing binding contracts.

LEO (July 23-Aug. 22)

Don't draw too much attention to yourself at work. Travel and creative hobbies will be your best outlet. Expect some flak. Travel could bring you the adventure and excitement you require.

VIRGO (Aug. 23-Sept. 23)

You must try to help. Try to bend but by no means should you give in completely. Your efforts won't go unnoticed; however, someone you work with may get jealous. You will be emotional about family matters.

LIBRA (Sept. 24-Oct. 23)

Be very careful while in transit or while traveling in foreign countries. Entertainment should include the whole family or a lot of your friends. Finish up any correspondence by early afternoon. You can stabilize your financial situation if you make property investments.

SCORPIO (Oct. 24 - Nov. 22)

Be careful not to come on too strongly. You will get bored quickly, so make sure that you have scheduled enough activity to hold your interest. You can make personal changes that will enhance your appearance and bring you greater popularity. Take time to catch up on gossip and make plans to do a little adventure travel.

SAGITTARIUS (Nov. 23-Dec. 21)

You need to do something energetic and different. Try not to lend or borrow money this week. Don't be too confident that coworkers are on your side. Limitations with females could lead to unfortunate circumstances.

CAPRICORN (Dec. 22 - Jan. 20)

Think before you act. You can accomplish a great deal. Social events held in your home will be successful and entertaining for all. You can bet that you'll draw attention to yourself.

AQUARIUS (Jan. 21-Feb. 19)

You may want to plan physical activities that will help burn off some of their excess energy. Take positive action. Keep on your toes when dealing with others. Help elders get their personal papers in order.

PISCES (Feb. 20-Mar. 20)

Minor health problems could result through exhaustion. Difficulties at an emotional level may be likely. Disappointments regarding partners will be subject to the way you react to their personal comments. You will have an interest in foreigners and their cultures.

HEALTHFUL LIVING

A Weekly Guide to Health Awareness

YOGA POSE OF THE WEEK - Reverse Warrior (Viparita Virabhadrasana)

To stay steady in the posture, it's essential to root into the sole of the front foot, anchor the outside edge of the back foot, and engage the glutes and hamstrings. Focus your gaze up toward the palm as it reaches overhead. Keep your front knee tracking over your ankle as you sink deeper into the hips.

Reverse Warrior strengthens the legs, opens the side body, improves spinal mobility, and improves balance and core strength. You get a good stretch of both the front and rear thigh, hips, groin muscles, and the intercostal muscles of the ribs. It is a hip opener, which is a good antidote for sitting all day. It is also an energizing pose, allowing better breathing and circulation.

VITAMIN HIGHLIGHT - Cobalamin (Vitamin B12)

Vitamin B12 has a critical role in red blood cell production. It is also involved in metabolism and nervous system function.

The body can use animal sources of vitamin B12 better than plant sources. Examples include meat, shellfish, eggs, and milk. It is also added to some products like soymilk.

The Wizard of Odds

The "Wizard of Odds" is a local casino maven who has firsthand and accurate inside information on the best and worst casino deals in Atlantic City. If you follow the Wizard's advice in patronizing the best and avoiding the worst casinos, your money will last longer, and you will have a better chance to win. This week's feature is about "Primer for Casino Marketing"

Best Overall Slot Odds:.....Harrah's
 Best Casino Players Card:....."M'Life" Borgata
 Best Casino Promotions:.....(Free Slot Play) Borgata
 Best Player's Club:....."Amphora Lounge" Borgata
 Highest Progressive Slot Meters:.....Borgata
 Highest Class of Customers:"The Nicer People Place".....Borgata
 Best Steak House:....."Old Homestead" (\$\$\$\$) Borgata
 Best Entertainment Program.....Hard Rock
 Cleanest Casino:.....(Tie) Ocean Casino Resort, Resorts & Borgata
 The Safest Casino:.....Borgata
 Classiest Sportsbook in Town:.....Borgata

It is often said that success in the casino business is all about marketing. How true! It involves trial, in that you want to attract players in, treat them right, and hope they return. This is a primer for casino sales departments:

- "Loose" slots = good, but "Tight" slots = bad.
- Player's card upgrades = good, but Downgrades = bad.
- One-for-one comp redemptions = good but two-for-one = bad.
- Generous free slot play (FSP) = good but substandard FSP = bad.
- Many high progressive slot meters = good but the absence or low ones = bad.
- Time and day restrictions on promos = good but restrictions = bad.
- Friendly employees = are good but grumpy ones = bad.
- Safe security presence = good, absence of professional guards = bad.
- Having popular video poker machines such as Spin Poker = good. Removing them = bad.
- Free parking = good, but gouging customers to drive in and park on your property = bad.
- Pleasant background music = good. but zany loud music = bad.
- Clean casino = good. But dirty, smelly, bug-infested casino property = very, very bad!

**"LET'S DO BRUNCH", NOVEMBER 6
TO HONOR JIM & AMY MALAMUT**

Cancer Support Community New Jersey at Gilda's Club (CSCNJ) is thrilled to announce that the highly anticipated Annual Brunch, to benefit the cancer support group, is back again for the 8th year running. It will take place on Sunday, November 6, 2022, from 11:00AM – 2:00PM, at Linwood Country Club.

This year's Gilda's Champions, Jim & Amy Malamut, will be honored for their dedication and philanthropy with CSCNJ. As long-time supporters, committee members, and board members there is much to be thankful for when it comes to this dynamic couple.

Guests will enjoy a gourmet menu, Bloody Mary bar, and butler passed mimosas. Tickets cost \$110 for a single ticket, \$200 for two, and \$950 for a table of 10. All proceeds go directly to the free support programs at CSCNJ for men, women, teens, and children impacted by all forms of cancer, at any stage of their cancer journey.

This year's event will also bring back the always popular restaurant raffle. Giving guests a chance to win a year's worth of fine dining with gift cards to 12 of the area's most exquisite restaurants.

Pet of the Week

FOX

Fox is a very happy, playful boy. He's a Shepherd/Cattledog mix, just under a year old and 40 lbs. He needs a good active home that will keep him exercised. He can be a rowdy player so some dogs might not appreciate his play, but does play well with other dogs his speed. He is reported to be housetrained and knows some basic commands, but could use a little more work as far as pulling on a leash.

PPAWS - People & Puppies at Work for Sight

"MEET THE PACK!"

What Is The Seeing Eye Puppy Raising Program?

Over the course of a year and a half, volunteers like yourself host a puppy in their home. The family provides love, care, obedience training and social exposure to assist the puppy in becoming a future Seeing Eye® dog.

HOST FAMILIES:

- Attend required puppy club meetings and outings
- Provide pup with loving environment, care of daily needs, and vet care for health needs
- Provide obedience training according to TSE guidelines
- Provide social exposure
- Gain support from the Area Coordinator
- Allow puppy to live in their home until returns for formal training

THE SEEING EYE PROVIDES SUPPORT BY:

- Providing an online manual and guidelines for Puppy Raising
- Having a dedicated support staff member in your local area
- Ensuring host families have appropriate training materials
- Supplies heartworm and flea and tick preventative medications
- Covering veterinary expenses
- Assisting with food costs by supplying a quarterly stipend

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny.

If you are interested in raising a puppy for The Seeing Eye, contact Peter at (609)804-8774 or visit seeingeye.org/raise for info.

"Psst! Can I tell you a secret? You'll be a Seeing Eye dog like me, one day!"
Have you ever thought about raising a Seeing Eye puppy?

He Ain't Heavy (But His Favorite Song Is), He's My Brother by Joe Molineaux

It is possible I have asked tens of thousands of people what is their favorite song or album, or their favorite artist or band. I always appreciate their answer and sometimes I am surprised when the answer is "I don't have one."

In preparing to write this week's column, I had the good fortune of having my brother visiting from the west coast. I was not quite sure what this week's topic would be, so I turned to my brother and asked, "What is your favorite song?" He thought about it for a few seconds and said, "Corduroy" by Pearl Jam.

"Corduroy" was released in 1994 on the Pearl Jam's third album *Vitalogy*. Many bands, like Pearl Jam collectively list a song's writing credit, as is the case with "Corduroy." However, the song was mainly written by lead singer Eddie Vedder. Thanks to radio play and fan base support of the song, it reached number thirteen on Billboard's Modern Rock Charts, despite not being released as a single. It was also included on the band's greatest hits compilation released in 2004.

Continuing our discussion, I asked my brother why the song resonated with him. I asked how and when it became his favorite song. He explained to me the song first became his favorite a few years after its release. He credits a friend that was into the Seattle grunge music scene that turned him onto the song. My brother said he connected with the lyrical content of the song at a time in his life when it meant the most to him. Of all the music that came out of the great north-west during that time period, "Corduroy" stood out. Although the song can be interpreted in many ways, the song and lyrics talk about pressure, in Vedder's case, the pressures of fame. It has also been said it is about relationships. But not a relationship between two individuals since Vedder was quoted as saying it is about one person's relationship with millions of people. The song contains heartfelt lyrics and classic guitar all complimented by Vedder's vocal mastery.

In learning that tidbit about the song, my brother's connection to it started to make more sense to me. While "Corduroy" speaks to relationships, there are also the elements of finding (or trying to find) what you are looking for and reflecting on what the journey entails. At around the time my brother connected to the song, he had moved to California from the east coast and found himself in a new place. He was building relationships with new people in a new place. In Los Angeles of all places, one of the largest cities in the country that nearly four million people call home. Talk about finding your way.

The lyrical content of the song is "heavy." It hits you hard and fast with a collection of emotions and phrases that captures both the passion and pain within relationships. The total spectrum of raw feelings is encased and on full display in the song.

"Corduroy" was first performed live in March of 1994. While it is a staple of many of Pearl Jam's shows, my brother added that of the three times he saw the band live, they opened with the song on two separate occasions. One of the shows he attended was in Pearl Jam's home town of the band. Seeing the band in Seattle playing "Corduroy" may have helped the song become my brother's favorite tune. Having seen Pearl Jam last year live on the beach at *Sea, Hear, Now* in Asbury Park, I can attest that "Corduroy" had the crowd rocking and singing along.

I am sure true fans know the meaning behind the song, fans like my brother. I also know life-long Pearl Jam fans like me enjoy the song and connect with its energy and vibe.

So while my brother's favorite song is heavy, our relationship and the life he lives with his amazing family in the Golden State is filled with joy, love and enjoying every day in California. If you have not asked your siblings or a family member what their favorite song, band, or artist is recently, I would suggest doing so. Not only will you learn a little more about some of your favorite people, it may even lead you to dive deeper into some awesome music!
