Congressman Van Drew Slams Gov. Murphy After Announcement of Ex-Staffer to Head New Offshore Wind Advocacy Group

Washington, DC - Congressman Van Drew slammed Governor Murphy after reporting that his former acting deputy chief of staff will lead a new offshore wind advocacy group, the New Jersey Offshore Wind Alliance, and sent the Governor and the New Jersey Board of Public Utilities (NJBP) a letter questioning an emergency meeting set for this week to approve additional offshore wind projects.

"Despite numerous lawsuits, public forums, hearings, and rallies all across the state of New Jersey, Governor Murphy continues to ignore the will of the people and only cares about lining the pockets of offshore wind corporations. The people of South Jersey have made it clear: we do not want our coasts to be industrialized by massive offshore wind farms," said Congressman Van Drew.

"I will continue to fight these projects and mobilize local and state officials to ensure that any future projects are halted, just like Orsted canceled Ocean Wind," added Congressman Van Drew. "Offshore wind proponents may have more resources and funds to advocate for their Green New Deal agenda and try to convince the public that wind energy is the future, but at what cost? It will be controlled by foreign nations, it will destroy tourism and local businesses in the state, energy prices will rise, and these groups still refuse to conduct analyses on the long-term effects these projects will have on our environment and marine life. The people of South Jersey will not let Governor Murphy continue forward with these projects without a fight. We, the people, are asking him for once to do the right thing for the people of his state."

HOROSCOPE

JANUARY 25 - JANUARY 31, 2024

ARIES (Mar. 21 - April 20)

The ways that you are changing are deep and at times disorienting. You're letting go of ideas that you truly believed in and exploring possibilities that you would've never considered before. This is likely to be both exciting and fear-provoking, and that can be destabilizing at best. Don't seek answers this week, Aries—seek confidence in your own inner strength so you can use it when stresses run high.

TAURUS (Apr. 21 - May 21)

This week's full moon in Leo is going to bring up some difficult emotions, and as unpleasant as that is, it's important that you don't turn away from your own feelings. Do your best to show yourself some patience and kindness, Taurus, as you sort through disappointments. You are moving into new emotional territory, and it is far better for you to let go of what no longer serves you than to hold on to your habits.

GEMINI (May 22 - June 21)

It's really important that you focus on your own internal workings: how you feel, your relationship to your intuition, where you place your energy, and how it all settles on the surface. If you don't do this self-reflective work, you run the risk of projecting your frustrations onto people and situations because you're feeling off within yourself, Twin Star. Adjust your attitude and perspective before you try to make material changes this week.

CANCER (June 22 - July 22)

This week's full moon is stirring the pot in a really big way, and your ruling planet, the Moon, is likely to have you super activated. How you engage with, hold, and respond to your triggered feelings and thoughts is the most important thing to concern yourself with, Moonchild. You may not be able to move the needle, but you can achieve greater self-awareness that will lead to much-needed growth.

LEO (July 23 - Aug 22)

Sometimes you need to let go of your narrative, release attachments, and stop trying to control things. On the 25th, there will be a powerful full moon in your sign, and it is meant to trigger big emotions and even bigger transformation. This isn't the time for you to make things happen or to seek control. Instead, be open to explore what's happening within you so that you can assess what needs to shift and where you need to double down.

VIRGO (Aug. 23 - Sept. 23)

You don't need to prove yourself, Virgo! This week, you may be feeling pretty stressed out. You may find yourself fixated on what isn't working or what you don't yet have. The truth is that where you focus your attention and energy is exactly what you're investing in, and what you invest in is what's most likely to grow. Resist the urge to fixate on things that are out of your control and not particularly helpful this week.

LIBRA (Sept. 24 - Oct. 23)

Your relationships are incredibly important to you; everybody knows that, and this week it's important that you take yourself and others off of any pedestals you may have constructed so that you can realistically deal. There are inevitably going to be easy and more challenging things in your connections with others. Do your best to identify and value what's working, and then identify and sit with what isn't. This will lay the foundation for being able to make some much-needed improvements.

SCORPIO (Oct. 24 - Nov. 22)

You are going through some really deep transformations, and the greatest gift you can give yourself is that of patience and proper timing. Don't be in such a rush to figure things out or get to the finish line that you miss out on the process, Scorpio. No matter what it seems like, the work before you is an inside job. Make sure that your motivations and attitudes reflect your best parts instead of your pushiest parts.

SAGITTARIUS (Nov. 23 - Dec. 21)

There's nothing a Sagittarius hates more than feeling stuck or blocked, but you may just be dealing with those emotions this week. Do your best to be curious about your own impulses and emotions. Explore what triggers them and how you know that you're feeling what you feel. By investigating your insides instead of getting attached to your circumstances, you will have a more expansive experience. Take a break from the action, and seek stillness while you explore.

CAPRICORN (Dec 22 - Jan. 20)

You may be feeling restless and in a rush to find a fix, or at least a distraction, from what's happening; but that's not likely to work out well for you. Prioritize letting go of distractions, and turn towards cultivating inner-clarity this week. This will require you to focus your attention inward instead of chasing down ideas and solutions externally. Getting right with yourself lays the foundation for getting right with your circumstances, Capricorn.

AQUARIUS (Jan. 21 - Feb. 19)

If you fight your emotions before trying to experience and express them, you're likely to create some drama in your life. This week's full moon is meant to trigger you in powerful ways, and how you respond to your reactions is of the utmost importance. Beware of the battles you take on and your motivations for doing so, and take special care to seek the truth instead of justification, Aquarius.

PISCES (Feb. 20 - Mar. 20)

Life is not meant to be a performance. If you allow yourself to fixate on what other people think about you or spend your time constructing theories about that, then you're likely to experience a great deal of anxiety this week. Get connected to how you feel about yourself, Pisces. Give yourself the gift of being willing to experience contradicting emotions and thoughts. In this way, you'll be able to experience the freedom of your own truth.

HEALTHFUL LIVING

A Weekly Guide to Health Awareness

YOGA POSE OF THE WEEK - Triangle Pose (Utthita Trikonasana)

Triangle offers many benefits: Strength (in the legs), flexibility (in the groin, hamstrings, and hips, as well as opening the chest and shoulders), and balance. Resist the temptation to bend your right knee in order to get your right hand to the floor. Keeping your right leg straight is more important. Placing a block on the floor under your hand is also an option. Do not rest your hand directly on your knee as this puts too much pressure on the joint. Also, make sure the right heel is lined up with the arch of the left foot.

TRIANGLE POSE

TIP

Place your hand higher up your leg to help open your chest.

VITAMIN HIGHLIGHT - Iodine

Iodine helps make thyroid hormones, which help keep cells and the metabolic rate (the speed at which chemical reactions take place in the body) healthy. Good food sources of iodine include: cows' milk and dairy products, eggs, sea fish and shellfish. Iodine can also be found in plant foods, such as cereals and grains, but the levels vary depending on the amount of iodine in the soil where the plants are grown.

TAUTOG BITES

INGREDIENTS:

- 2 Nice Cleaned Tautog (Tog) Fillets,
Cut in 1-inch cubes
- 1 Cup Panko Breadcrumbs
- 1.5 Cup Plain Fine Ground Breadcrumbs
- 3/4 Cup Buttermilk
- 3 Large Eggs
- Seasoned Salt to Taste
- Fresh Cracked Black Pepper to Taste
- Peanut Oil for Frying

PREPARATION:

Preheat frying oil to 350°. While the oil is heating, whisk together eggs & buttermilk in a small bowl. Place fish cubes into egg mixture & coat thoroughly. In a separate bowl, mix the breadcrumbs together w/ some seasoning. Remove a few pieces of fish at a time from the egg wash. Allow excess egg to drain off. Place the fish in the breadcrumbs & coat thoroughly. Fry until golden brown & cooked through. Remove the fish to a paper towel & season again while hot. Serve w/ a nice remoulade, aioli, or tartar sauce. Enjoy!

Hint:

If you like a thicker breading, you can dredge the fish in flour first.

Fool Moon Theater presents 'Love Letters'

Fool Moon Theatre Company's production of A.R. Gurney's "Love Letters" will be performed 7:30 p.m. Saturday, Feb. 3 and 2 p.m. Sunday, Feb. 4 at the Margate Community Church, 8900 Ventnor Ave.

Ticket prices are \$30 regular admission, \$25 for seniors. Advance tickets are available on Eventbrite. Cash, check, and Venmo will be accepted for tickets at the door (theater entrance is on Thurlow Ave.). For group sales, text 609-457-0903.

'Love Letters,' one of A.R. Gurney's most beloved plays, is a tender, heart-breaking comedy that examines shared nostalgia, missed opportunities, and deep closeness of two lifelong, complicated friends. Andrew Ladd and Melissa Gardner exchange letters, but not marriage vows, in a warm and complicated friendship lasting 50 years.

Fool Moon Theatre's next production will be the zany "A Bad Year For Tomatoes" opening May 10.

Find more information see <https://www.foolmoontheatre.org/> or on Facebook.

Mark Sarto and Rosanna Consalvo Sarto star as the star-crossed lovers. Both are local favorites with extensive theatrical careers.

"Fool Moon Theatre is thrilled to have two exceptional actors open up our season," Director Paul Herron said. "Love Letters will be a revelation to those who haven't seen it and a visit from an old friend for those who have."

Consalvo Sarto, recently seen in Fool Moon Theatre's "The 25th Annual Putnam County Spelling Bee," was born and raised in the Atlantic City area, is a graduate of Holy Spirit High School and holds a BFA in Acting from University of the Arts in Philadelphia. She has performed and directed extensively off-Broadway, regionally and nationally, including "Hello Dolly," "42nd Street," "Bye Bye Birdie," and "Rumors," where she received a best actress nomination for the ACT award.

Mark Sarto, last seen in Fool Moon Theatre's "Godspell and the Christmas Extravaganza," has extensive experience on the stage and screen. His theater experience includes "Dames At Sea," "Man of La Mancha," "Greater Tuna," "The Fantastics," "Cabaret," and "The Music Man." On television, Mark has been seen on Nickelodeon, NBC, HBO, MTV, VH1, Comedy Channel and "Late Night with David Letterman."

BAR32

ATLANTIC CITY, NEW JERSEY

Name and location of venue: Bar32 Chocolate is located at 121 S Tennessee Avenue in Atlantic City

Hours of Operation: Friday and Saturday 4pm-Midnight (keep up with our social media for updated hours)

Parking directions/tips: Free parking lot across the street

What does your venue specialize in? Bean to Bar chocolate - ethically and sustainably sourced cacao beans from around the world and made into chocolate right on Tennessee Avenue. We are the ideal after dinner location specializing in desserts and chocolate inspired cocktails. Bring Bar32 home to you with our retail.

What is the current reason one MUST come to your venue? The ONLY bean to bar chocolate shop in the state. We are a proud, family owned and female run small business. We take pride in providing exceptional service and high quality products.

Do you have any weekly specials? \$3 16 oz PBR, \$5 glass of Woodbridge Pinot Noir and Poema, \$7 IOG Old Fashioned, Free Chocolate Samples.

Do you have a signature dish? When we bring a dessert out of the kitchen, everyone turns their heads. People often look at what is on other guests' tables and say "ohhhh I want that!" We have a running poll for our guests on whether they like our Dark Chocolate Brown Butter Chocolate Chip Cookies or our Double Chocolate Brownie. Our cookie is topped with sea salt which is a nod to Mama Chocolate's mother. And the brownies are out of this world: we have been open for 3 years and have yet to find out which one is better.

Why is your venue a necessary part of Atlantic City? Bar32 is part of the Tennessee Avenue restaurant group that helped pioneer the revamping of Atlantic City. They wanted to give Atlantic City a mainstreet and somewhere safe for people to enjoy outside of the casinos

Would you like to highlight a star employee? Mama Chocolate - Nicole Callazzo. She is the unsung hero of Tennessee Avenue and has made Bar32 into a destination like no other. She makes every experience something to remember and makes every single person who steps through our door feel special. You can feel the love in the room and in her desserts

Please share any important information locals and visitors should know about: Bar 32 chocolate is Tanzanian Cacao that is imported and made in-house. Our chocolate bar infusions are sourced with the most premium ingredients found on the market. All Bar 32 desserts include our in-house chocolate, this allows our pastry chefs and mixologists to get funky with the pairings.

JANUARY 27TH
NATIONAL CHOCOLATE CAKE DAY

Dear Chocolate Cake,

It was love at first bite. You may come in many forms: layered, molten, bundt, fluffy, mousse-y, decadent, frosted... but we love you all the same. You're the reason we know what happiness tastes like. Your special day may only come once a year on January 27th, but you're also the reason we know how to REALLY celebrate a birthday or a sweet valentine. We would make ourselves sick over you. We would steal the last piece for you. We'd even lick the bowl for you. But no matter what, we'll keep coming back for you.

Thank you always for your chocolatey, decadent goodness.

Sincerely,

All the Chocolate Cake Lovers of the World

FUN FACTS

- 19% - Almost 1 in 5 ALWAYS has chocolate cake on their birthday
- 32% - Nearly one third of respondents pick chocolate as their favorite flavor
- 58% - When choosing chocolate or vanilla, the majority pick "chocolate"

National Chocolate Cake Day – January 27, 2024

NATIONAL CHOCOLATE CAKE DAY ACTIVITIES

- **Get Creative** - Ever heard of lavender-infused truffle or a Mexican chili chocolate? Bring out your inner gourmet chef and incorporate an exciting ingredient in your next chocolate cake.
- **Become the Next Cake Boss** - Take a baking class to flex your chocolate cake "muscles" for an enlightening culinary experience. Bring a friend or loved one as your chocolate sous chef and bake your way to chocolatey goodness.
- **Indulge In Your Cheat Day** - Indulge in your guilty pleasure by making a trip to your local bakery or restaurant that serves your favorite chocolate cake.

WHY WE LOVE NATIONAL CHOCOLATE CAKE DAY

- **It's the Most Memorable Baked Good** - We can all reflect on past birthday celebrations and reminisce about an epic cake being present. Cake and chocolate are ingrained into American culture as natural symbols of love and celebration. No matter how you slice it, a chocolate cake might be the most memorable guest of the party.
- **It's Just The Right Chemistry** - Cake evolved from early leavened breads, which were sweetened with natural ingredients like honey, fruit, and nuts and then expanded to include ingredients like vanilla and chocolate. Its simple combination of ingredients, most notably chocolate, work harmoniously to trigger our brain's natural production of opiates, which help alleviate pain and increase our positive feeling of well-being. It's clearly the perfect combination of both simple and sweet.
- **It Leaves Us Smitten** - Chocolate triggers the release of serotonin and endorphins, which are neurotransmitters for happiness and pleasure. It also contains phenylethylamine, which elevates our mood when we feel happiness or love. Who knew getting emotional over chocolate was so natural?

Pet of the Week

MOMO

Momo's enjoying some time outside after all the rain we had the last few days! Momo is 2 years old and 51 lbs. He's a border collie or aussie mix, very smart with the energy that is typical of these breeds. He's very social and gets along with other dogs. We would recommend a home with no small animals as he does bark & try to get them to run so he can chase them. He would love a fenced yard to play in or an active family to take him for hikes/jogging.

PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

Talk about making a PAWS-itive impact!

Becoming a puppy raiser or sitter makes a difference not only in those matched with a Seeing Eye dog but also allows you to join a community like no other. Seeing Eye puppy clubs consist of people of all ages and walks of life who all share the desire to help others.

A puppy raiser is the primary caretaker for a Seeing Eye puppy for about one year. A puppy sitter is someone who is available to help care for a puppy for short periods of time (typically for a night or weekend) when their primary caretaker cannot. This is a great way to get started in puppy raising, or to help out if you cannot commit to raising a puppy full time. We could not continue our mission without all our amazing volunteer puppy raisers and sitters.

If you are interested in joining our puppy raising community, please visit seeingeye.org/raise

PD: A collage shows photos of a yellow Lab/golden retriever cross puppy sound asleep in a Seeing Eye staff member's arms, a German shepherd wearing a Seeing Eye puppy raising bandana sitting amidst daffodils with his head tilted, a young girl with the black Lab/golden retriever cross puppy she is raising sitting at her side, and a group shot of a puppy club sitting together at a park with puppies of all breeds. Text reads, "Join Our Family - Raise a Seeing Eye Puppy - seeingeye.org/raise"

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit seeingeye.org/raise for info.

A Modern Fable About Preparing for Your Future

Within fiction lies the seeds of powerful transformation and inspiration. Some of the most inspirational guidebooks are parables, including *Who Moved My Cheese* by Spencer Johnson and *Oh, The Places You'll Go* by Dr. Seuss. Both have inspired business visionaries, entrepreneurs and graduates for decades. Now stepping into this treasured category is *THE ISLAND OF THE FOUR Ps: A Modern Fable About Preparing for Your Future* (Skyhorse Publishing) by Ed Hajim.

Ed HajimHajim, a seasoned Wall Street investment executive with more than 50 years of investment experience, believes you can't find the roadmap to success on any GPS or search engine. Instead, this engaging fable drops you into the mind of a young man on a quest to find himself and his personal path to success and happiness. As he meets challenges, we gain a deeper understanding of how to navigate change while remaining true to our values and ideals. The beauty of telling this in fable format lies in its accessibility. "I don't believe there's only one way to deal with life transitions. And even if you accept my ideas wholly, there is no single right way to put them into action," writes Hajim.

To create this book, Hajim used his own extraordinary life as a framework documented in his critically acclaimed memoir *On the Road Less Traveled*. Kidnapped by his father at the age of 3, driven across the country and told his mother had died, Hajim spent his childhood in and out of foster homes and orphanages. The intelligence, resilience and innate leadership he used to rise from deprivation to the pinnacle of personal and business success provides the insight he shares with readers.

At the heart of the book are the four Ps:

- **Passions:** Find your passions, find the things that excite and motivate you. Recognize that passions do change and you must monitor them throughout your lifetime.
- **Principles:** Find the rules that you want to follow and the lines you won't cross. They provide an important structure and bring organization to your life.
- **Partners:** No individual can succeed alone. Consider the kind of friends, collaborators, and advisers you'll need around you, recognizing that those needs will evolve.
- **Plans:** Find your plans, write down where you want to go and how you plan to get there. Pay attention to your environment, things that will happen during your lifetime, and try to find a wave or a cycle that you can marry with your passions and principles.

"This is a must-read for anyone thinking about how to successfully navigate the inevitable twists and turns in the road ahead, leading to a fulfilling life," says Wendi Heinzelman, Dean, Hajim School of Engineering and Applied Sciences, Rochester University.

Ultimately, Hajim's dream is to help anyone fighting to make their dreams a reality. "I hope *The Island of the Four Ps* will prompt you to contemplate who you are and what you want in life. Ideally, it will spur you to action—helping you engage fully in life, pursue new experiences, and surf the waves of change."
