# HOROSCOPE

JANUARY 11 - JANUARY 17, 2024

**ARIES (Mar. 21- April 20)**  
For ages you've put off dealing with certain tedious but essential matters. However, now your ruler Mars is positioned in the cautious and thorough Capricorn and, in fact, is accenting these. The secret? Ask somebody who has a knack for tackling such matters to lend a hand. You'll be glad you did.

**TAURUS (Apr. 21- May 21)**  
Every New Moon brings a fresh perspective. While, often, it's on life itself, the current one is in the down-to-earth sign of Capricorn, so is accenting certain practical issues. Explore every option, including those that seem unrealistic. Once you've learnt more, you'll realise this isn't just wise, it's essential.

**GEMINI (May 22-June 21)**  
Usually, you're the first to discover, and explore, new ideas, activities or potential plans for the future. However, judging by the current fast-paced planetary activity, you're better off leaping in, and seeing what happens next. Once you're involved, you'll realise how much you're enjoying every twist and turn.

**CANCER (June 22-July 22)**  
For ages you've been battling changes as unsettling as they'd be unwelcome. The real problem is others are unable to recognise this, so can't understand why your feelings are so intense. Forget about explanations. Get them involved. What they learn while facing those issues will result in a major change in their point of view.

**LEO (July 23-Aug 22)**  
You don't think of yourself as stubborn and, mostly, you aren't. On the contrary, as an inquisitive if not restless fire sign, you thrive on new ideas, meeting people and going to new places. Now, however, you need to keep certain arrangements as they are. If you try to reorganise them, you'll soon learn the reason why.

**VIRGO (Aug. 23 -Sept. 23)**  
True, your planet, Mercury, is no longer retrograde, ending the mix-ups you've been facing. Despite that, life's minor obstacles aren't about to vanish entirely. The secret? Approach these with patience, and be inquisitive. Many of these discussions will be as worthwhile as they are unexpected.

**LIBRA (Sept. 24 -Oct. 23)**  
When your ruler Venus moved into the inquisitive sign of Sagittarius in late December, you began a cycle of discussion, discovery and yet more discussion. This continues. However, now that you're better informed, you also know what to say, to whom, and when and better yet, you're getting your message across to others.

**SCORPIO (Oct. 24 -Nov. 22)**  
You think of it rarely, but as a Scorpio, you're far more intuitive than others. Not only do you sense what will work and what won't, you have a sense who is trustworthy and who isn't. The problem? Explaining this isn't easy. Actually, if asked, you're better off avoiding discussion, and simply changing the subject.

**SAGITTARIUS (Nov. 23 -Dec. 21)**  
Every once in a while, you realise that, in the enthusiasm of the moment, you committed to certain arrangements that are as demanding as they are dull. Yet, you rather enjoy the challenge, enough that you're thinking of tackling more. Don't even think of it. You've plenty of other things to do.

**CAPRICORN (Dec 22.- Jan. 20)**  
Being cautious when it comes to making your own plans comes naturally to you. While that's an admirable characteristic, others think and function from an entirely different point of view, and are often surprised at your thoroughness. Simply remind them of their commitments, day by day.

**AQUARIUS (Jan. 21 -Feb. 19)**  
As an inquisitive air sign, you enjoy the company of those who are happy to share their experiences of the world around them and what they've learnt from it. The problem? They sometimes mistake your interest for a desire to get involved. Explain, kindly but firmly, you're intrigued, nothing more.

**PISCES (Feb. 20-Mar. 20)**  
Judging by the clash between the communication planet Mercury and your ruler Neptune, minor mistakes could well blow up into major issues. Unsettling as this is, events are giving you a good excuse to untangle these ongoing misunderstandings once and for all. The sooner you talk these over, the better.

# HEALTHFUL LIVING

A Weekly Guide to Health Awareness

## YOGA POSE OF THE WEEK - Warrior II (Virabhadrasana II)

Unlike Warrior I, in Warrior II, the hips face the side of the mat. The hips and shoulders open to the side when moving from Warrior I to Warrior II. You'll also rotate your back foot, angling your toes at about 45 degrees. In both Warrior poses, aim to keep your front knee stacked over the ankle. Your front toes face forward. Make sure that your right knee is still deeply bent over the right ankle. There is a tendency for the right knee to creep toward the center, so check that you can still see your right toes on the inside of your right knee. Engage your quads and sink the hips a little lower.

## VITAMIN HIGHLIGHT - Vitamin E

Vitamin E is a group of vitamins that the body needs for blood clotting, helping wounds to heal. There's also some evidence vitamin E may help keep bones healthy. Good sources of vitamin E include: green leafy vegetables – such as broccoli and spinach, vegetable oils, cereal grains, small amounts in meat and dairy foods.

Big Phil and Little Steven  
2023 Match of the Year

"With every project we work on, Phil has a life lesson. He always tells me to make sure I am grateful for what I have but to also strive to be better." - Little Steven

Phil and Steven were our 2023 Match of the Year! The pair were first matched in 2018 and have been friends ever since. Steven's mom recognized that he could use some extra support as he'd been struggling with bullying and his grades were falling in school. He had some really tough, down times where he talked about life not being worth living and she was scared he would take his own life. Phil was not swayed by the challenges in Steven's life and was there for him through these difficult times. Within no time at all everyone could see things changing for the better for Steven. Matches like Phil and Steven's are only possible with donations like yours. There are still lots of kids in our area who are still waiting to be matched with a Big. Today, you can help change that! Your gift will directly support more mentor matches like theirs.

**SOUPS FOR HEALTH**

Because soup is rich in fiber (if you get the ones packed with veggies) and contains a high amount of water, it's going to help you feel full and stay full. So use soup to help reduce your calorie intake, and eat other foods that supplement the soup like a salad or a meat. Soup broths have the fewest calories, as they also have the fewest ingredients. Other soups low in calories include chicken noodle, egg drop soup, vegetable soup, and wonton soup. Different recipes affect the caloric content of any of these soups.

Soups are an excellent bet for weight loss. In addition to being our best aides on a nippy day, soups help fill us up because of their high water content. Since it is so high in water, your soup makes for a yummy low-calorie appetizer. Unlike juicing, soups also help retain essential fibers of all veggies that are used.

Lose belly fat with these soups!

- Vegetable soup.
- Chicken and vegetable soup.
- Black bean soup.
- Lentil soup.
- Tomato soup.

### Dr. King Read-in, Film Society set for Noyes Arts Garage on Jan. 13

The Atlantic City Free Public Library will honor the life and legacy of Dr. Martin Luther King, Jr., by holding its annual MLK Read-in program on Saturday, Jan. 13, from 12-2p.m. at the Noyes Arts Garage Stockton University — located at 2200 Fairmount Ave. Atlantic City Councilman Kaleem Shabazz, Library Board of Trustees President Libbie Wills, teen volunteers, staff members and members of the public are scheduled to read some of Dr. King’s writings. The program is free and open to people of all ages. Following the Read-in, the library’s Film Society will meet at 2:30 p.m. at the Arts Garage to watch and discuss “Who We Are: A Chronicle of Racism in America.” The program is being held as part of the Black Arts Matter program held monthly at the Arts Garage. Special Olympics New Jersey returns to the Wildwoods to kick off 2024 with a chilling plunge into the Atlantic Ocean during the annual Polar Bear Plunge on Saturday, January 13, 2024 at 1 p.m. on the beach behind the Wildwoods Convention Center. The Polar Bear Plunge in the Wildwoods is a FREE event for spectators to watch, but plungers pay donations in tiered levels. Early Bear plungers must raise a minimum of \$100 to participate in the event by November 30, 2023. Now I'm Ready Bear plungers must raise a minimum of \$110 by December 31, 2023. The Better Late Than Never Bear plungers must raise \$120 minimum by January 12, 2024. Registration for the Almost Missed It Bear plungers will be available on-site the day of the event for a minimum donation of \$125. All plungers are encouraged to dress up in costume, break out the plunge props, make banners and signs, and most importantly, have FUN! Immediately following the plunge, participants and children under the age of 12 can enjoy a free lunch inside the warm Wildwoods Convention Center. The Polar Bear Plunge Wildwood is so much more than an icy swim in the ocean. Special Olympics New Jersey provides year-round sports training, competitions, leadership opportunities, and health screenings to thousands of athletes. All these programs and services are always completely FREE, thanks to fundraising events like the Polar Bear Plunge in the Wildwoods. The Polar Bear Plunge is a family-friendly event benefitting the athletes of Special Olympics New Jersey. There are incentives based on the total funds raised, and there will be special recognition for the top three people who raise the most money, as well as the top three highest fundraising teams. Check-in will take place from 10 a.m. to 12:45 p.m. inside the Wildwoods Convention Center. The plunge is at 1 p.m. with lunch immediately following. The New Jersey Law Enforcement Torch Run, along with the New Jersey Fraternal Order of Police, which is sponsoring the Polar Bear Plunge in the Wildwoods, is comprised of law enforcement officers who volunteer and are dedicated to raising funds and awareness for Special Olympics New Jersey. Each year the Law Enforcement Torch Run hosts major fundraising events across the state, along with hundreds of local events, and raises more than \$4 million for the athletes of Special Olympics New Jersey. Year after year, the Polar Bear Plunge at the Wildwoods Convention Center continues to grow in popularity and is just one of the many FREE events to attend in the Wildwoods. Beat the winter blues by showing support for a worthy cause and come join in the excitement of the January Polar Bear Plunge.

*"and then again"*  
by Marion Lotka

The Gallery at the Ocean City Arts Center brings the new year in with "and then again", featuring colorful expressive paintings by Marion Lotka. The show opens January 3 and runs through January 29. A "Meet the Artists" reception will be held on Friday, January 12 from 7pm to 8:30pm. The Gallery is located in the Ocean City Arts Center, 1735 Simpson Avenue, 2nd Floor, Ocean City, NJ.

Marion graduated from Philadelphia University and also studied at Philadelphia College of Art, Moore College of Art and Fleisher Art Memorial. As a New Jersey resident, she studied with Rita Mikalenka, Andrea Sauchelli and currently teaches art and design for the Cape May County Library. She is on the board of directors with Ocean City Fine Arts League, volunteers and exhibits at the Art On Asbury Gallery. Marion's paintings have been purchased by Atlanticare and are part of the Healing Arts permanent installation in Atlantic City. She is an Associate Member Artist with Riverfront Renaissance and a member of Society of New Jersey Artists. Her award winning work has been exhibited in many solo and group shows in New Jersey. Marion's work and updates can be seen on Instagram @mlootkaartist.

The exhibit includes work from three of Ms Lotka's recent series: "Three Little Figs", "Factory Work" and "The Produce Series". Marion says, "The intention of my work is to convey feelings about a subject seen. If a view or object makes my heart beat a little faster, I'm inspired to paint it. I am interested in still life, but in a way that questions perspective and context. Figs and peaches make lovely, stillsubject models. My paintings are often inspired by the evolving sky, land and sea views here in southern New Jersey, using layered acrylic and mixed media gestures and marks to explore scale, color and texture, I can only hope that the viewer shares a similar visceral response."

The show runs from January 3-29, 2024. The Ocean City Arts Center is located on the second floor in the Community Center at 1735 Simpson Avenue, Ocean City, New Jersey 08226. Hours of operation are 9am to 9pm, Monday through Friday and 9am to 3pm on Saturday. The Arts Center is closed on Sunday. For further information, call (609) 399-7628. Check out the Ocean City Arts Center's website ([oceancityartscenter.org](http://oceancityartscenter.org)) or on Facebook and Instagram. This program is made possible in part by the New Jersey State Council on the Arts, a partner agency of the National Endowment for the Arts.

Superfrico will be hosting brunch every Sunday from 11am-2pm and will be the ONLY Atlantic City casino restaurant to be offering a sit down brunch. Starting January 7th, Superfrico will become brunch heaven every Sunday from 11:00am to 2:00pm, featuring classics like Steak and Eggs, Crab Cake Benedict, and Stuffed French Toast. Indulge in a Bloody Mary Cart or Mimosas that keep on coming.

**Do you have a signature dish?** Our Superfrico Brunch Burger. Served Every Sunday between 11am-2pm. Our pizza has a "frico" crust which is parmesan cheese baked into the pizza crust. This is where Superfrico gets its name.

**Why is your venue a necessary part of Atlantic City?** The show is completely unique to Atlantic City, offering a live entertainment spectacular that complements the amazing shore, resorts and hospitality destination. Created especially for this venue, The Hook features an international cast of 16 comic actors, acrobats, and variety artists, with Spiegelworld's signature blitz of the ridiculous, the jaw-dropping, the sexy, and the superhuman.

**Would you like to highlight a star employee?** Seaman Spunk. Nobody runs a tight ship quite like the Captain, but there's no way she could do it all without her top seaman. From sanitizing the poop deck to consistently running stowaways off the ship, Seaman Spunk helps keep this ship afloat every week at The Hook. On occasion, he's been known to slack off and cruise the Atlantic City boardwalk in between his duties, but the Captain is willing to overlook this due to his ability to fetch her a cocktail in mere minutes when needed. Come see why this seaman is one of our star employees, when his ship crashes into The Hook Wednesdays - Sundays only at Caesars Atlantic City.

**What are some other special reasons to come visit?** We have great specialty cocktail offerings in Superfrico. We also offer a Bottle-O program which are pre made cocktails in bottles that can serve multiple people.

**Do you have any weekly specials or upcoming events?** Superfrico Happy Hour – Wednesday - Saturday from 5pm-6pm. Pizza and Beer Combo – Offered Wednesday - Saturday only at Horse Dive Bar. Locals Offer - \$59 Ticket and Drink special for NJ Locals. Present a valid NJ ID at the box office to redeem this special offer. Show Me Your Badge Offer - In town for a convention? Come to the box office and receive up to 50% of your show ticket for THE HOOK. You also will have access to the happy hour menu at Superfrico all night by showing the bartender your convention badge.

## FROM THE HEART OF ATLANTIC COUNTY MAGAZINE

### There Are Still Unknown Places by Ron Morris

What John, a young man who has just arrived in Thailand to conquer his demons and find success for which he couldn't in the States, comes to realize is that life is nothing like that which we are led to believe in the movies. As E.M. Forster's classic tale of prejudice and misunderstanding, *A Passage to India*, is the consummate novel of that land, maybe someday *There Are Still Unknown Places* will take its place as the unmitigated literary anthem to Thailand. It's that good.

### The Last Professional by Ed Davis

One critic said that author Ed Davis "has done for American railroads what Kerouac did for American highways and Steinbeck did for American nomads." In *The Last Professional*, the rambling trains are a metaphor for an American journey, a frenetic yet serene search for identity. Is it a train to freedom or a train to survival? Either way, Davis captures the filth, stench, hunger, exhaust, sickness, grit, ingenuity and character of the hobos - in a magnificent story.

### The Boy In The Rain by Stephanie Cowell

It is 1903 in the English countryside when Robbie, a shy young art student, meets the 29-year-old Anton who is running from memories of his brutal childhood and failed marriage. Within months, they begin a love affair that will never let them go. This is a love story of the highest order, so powerful for advancing important issues from a historical perspective but more significantly for vividly and elegantly capturing the passion, beauty and despair of a forbidden (at the time) affair between two men.

### The Pulitzer Saga by Linda Ambrus Broenniman

"When I was 27, I accidentally discovered that my father was Jewish. And that much of what I knew about him and his family was a lie." In this riveting memoir, the author has pieced together a family tree dating back to 18th century Hungary, eight generations. The book reads like a fictional family saga; the characters come to life in beautiful clarity, making readers easily forget that they were actually thoroughly researched and not the figments of someone's vivid imagination.

## Favorites From 2023 That You've Probably Never Heard Of

### Aldek's Bestiary by Romuald Roman

This is the unofficial study into the psyche of beloved animals and pets, as told in a collection of 21 connected short stories appearing in English for the first time. The author shares his affection, respect and downright admiration for animals. By working animals into his various narratives, he not only portrays them with human-like qualities but positions them as key figures in helping us understand the fragile human mind and its many foibles.

### Hero Of The Day? by Henry D. Trett

Would you be willing to watch a stranger's senseless death, or would you be willing to kill and protect a life? This is the simple choice presented to a normal guy with a day job, social security card and living an ordinary life in a rather ordinary world. The book poses difficult questions for its protagonist David and raises bigger issues about societal norms, stereotyping, prejudices, political posturing and gun laws, to name a few.

### Dead To Rights by Bailey Herrington

Author Bailey Herrington could have stuck to the craft of being a mystery writer, which he does so well in *Dead to Rights*, his latest David Elliott Mystery. And anyone intrigued with a crisp, fast-moving, twist-and-turn narrative will go home happy. But he is frying bigger fish in this one, raising the stakes on issues like questionable overt CIA operations, homosexuality (when it was still pretty much in the closet back in the Fifties) and sexual love between blood cousins.

### Made In Maine by Shawn Samuelson Henry

This marvelous debut YA novel is a multi-pronged, issues-jammed teenagers' search for their true selves and souls. Consider the themes: teenagers uncomfortable in their own skin, terrified by the effects and acceptance of their physical beings, fitting in with the in-crowd (or with any crowd), sexual orientations, love, abandonment, parent-child struggles, coping with tragedy, economic hardship, moral codes, trust, the importance of community, bullying - get the idea?

Meet Snickers! This active boy is about 1 yr old and about 40 lbs. He's a smart boy that learns quick but was never taught any basics. He has the potential to be a GREAT companion that would love to go on hikes or jog. Would do great with a fenced yard and children over the age of 13 due to his food motivation & activity level. No small animals as they are too much fun to make run, but maybe another active dog that will run & play with him

Thank you so much for your continued support!

PD: Three puppy raisers with two golden retriever puppies and a yellow Lab puppy stand together with three Colgate-Palmolive employees and a Seeing Eye instructor with a black Lab Seeing Eye dog in training.

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit [seeingeye.org/raise](http://seeingeye.org/raise) for info.

## Make Your Dream Come True Day – January 13

Dreams are the wings upon which we all soar through life, and this Make Your Dream Come True Day on January 13, we are fulfilling all of ours. This day is celebrated to encourage every person to make their dreams come true.

### HISTORY OF MAKE YOUR DREAM COME TRUE DAY

We don't know when this day originated or whose idea it was, but we do know about dreams. The ones that come as you sleep, and the ones that give your life a special meaning.

Ancient people often believed that dreams were messages from a higher power. In fact, the Ancient Egyptians believed this so much that they actually induced dreams to receive more messages. They would lie on special 'dream beds' in the hopes that a dream would give them advice, comfort, or even healing. Ancient people even practiced dream interpretation, if records are any indication. Ancient Sumerians, Babylonians, and various other cultures all kept records of religious texts featuring interpretations of various dreams.

The other kind of dreams, highlighting our hopes and wishes, are sometimes also called daydreams, although this umbrella is rather large. Dictionaries mention daydreams as being fantasies of hopes, dreams, and thoughts coming to life and experienced while awake, although in our heads. Multiple famous people across the ages have created masterpieces and new ideas while daydreaming.

### HOW TO CELEBRATE MAKE YOUR DREAM COME TRUE DAY

- Identify your dreams - Everyone has them. But the main question is, what dream do you consider most important. Figure that out, and then...
- Plan to achieve your dreams - Whether you want to climb Mount Everest, visit Kenya, or simply learn to bake, a dream is still a dream. Make a goal and plan a strategy to achieve your fondest desire. Finally, you really should...
- Talk to people who have achieved their dreams - There must be someone you know who has made their wishes and dreams come true. Someone that motivated and inspired you. Chat with them to figure out how they made their dreams come true and draw inspiration from their stories.

### 5 PEOPLE WHO MADE THEIR DREAMS COME TRUE

1. **Gabriel Nobre** - Nobre cleaned the premises of a preparatory course for free in exchange for their help in passing Brazil's famously difficult university entrance exam; of course, he passed this exam with flying colors.
2. **Jim Carrey** - He quit school at 15 and worked as a janitor; his talent got him noticed and he is now one of Hollywood's most loved actors.
3. **Dhirubhai Ambani** - He spoke about wanting to own a Mercedes when he was a simple gas station worker; years later, he founded one of India's biggest business empires and was the proud owner of multiple luxury cars, including a Mercedes.
4. **J.K. Rowling** - She went from being unemployed to a very famous writer and personality, all because she never gave up on her passion for writing.
5. **Kalpna Chawla** - She took her fascination for airplanes and flying and turned it into an illustrious career; she became an astronaut employed by NASA.

### WHY WE LOVE MAKE YOUR DREAM COME TRUE DAY

- **We need to dream** - Big, small, and everything in between, we need dreams and wishes to aspire to. Some dreams even inspire us and make our lives better.
- **We prove something to ourselves** - We owe it to ourselves to make something of our dreams instead of simply keeping it in the back of our minds. Work towards achieving yours today!
- **We encourage others to dream too** - Our participation in Make Your Dream Come True Day might be just the push someone else needs to make their dreams come true too. Sometimes, all it takes is a little encouragement.
