'ROUND THE REGION
with Sharon

By Sharon Harris-Zlotnick

Hello South Jersey:

GOOD DINING EVERYWHERE

It happens every year...new restaurants open, change hands or renovate during the prior fall/winter season.

I was away much of the winter and am amazed at the transformations. I will share information as I go along in the next few issues. Here are a few to consider:

FUJI SUSHI & STEAKHOUSE

- Linwood Greene Plaza, Linwood- The strip center restaurant's dining room has reopened, although most customers opt for takeout. Few dine inside, but to me, food always tastes better when served straight from the kitchen.

Order the terrific chicken fried rice and "pain in the ass" specialty roll. BYOB and they accept a restaurant.com coupon.

TOWN & COUNTRY CAFE-

Harbor Square, Egg Harbor Twp.- A real breakfast and lunch favorite at more affordable prices than many nearby competitors. An omelette is a must and the wraps are terrific. Look for the daily breakfast and lunch specials listed on a table card every day.

SAPORE WOODFIRE PIZZA & RESTAURANT-

Deep in the heart of Ventnor, Sapore offers everything from very good appetizers, subs, pizza, sandwiches, several pasta and non-pasta platters and salads. Metered parking on Ventnor Ave., but the side streets are free. BYOB and they offer takeout and delivery service.

LA FONTANA COAST-Sea Isle City-Get to this charming, delicious restaurant before the summer crowds converge. It is worth the trip off exit 17, with really good food and service. Their spacious outside dining fills up quickly. BYOB and street parking.

This dining room is part of a group that includes Fratelli in Sea Isle, Polpo in Avalon and Otto by Polpo in Bryn Mawr PA. All on OpenTable.com, so reservations are easy.

CARANGI'S CAFÉ & DELI-

Northfield's Center Point Plaza's layout goes around in angles. If you don't park near one end, you can miss a food outlet like Carangi's Café & Deli at the eastern end of the center.

The fresh breakfast and lunch food bistro is open daily with inside and outside seating and plenty of parking. For a treat, try one of Katie's fresh cranberry, blueberry or butterscotch scones.

ANOTHER SEASON OF KIDS THEATER CLASSES

The Eagle Theatre in Hammonton will offer a summer theatrical experience for kids of all ages.

Junior Camp: James and the Giant Peach Jr. (students entering 3rd-7th grades). The program runs weekdays from 9 a.m.-2 p.m., Tuesday, 6/20 through Friday, 7/23.

The daytime program includes theatre warmups, play rehearsals (learning music, dances, and scene work) and playing theatre games. Day sessions also include lunch and recess breaks. Campers must bring their own lunch and may be asked to supply some of their own costume pieces.

The show is a wonderful tale of family cooperation and fantasy. Live performances of the play are from Thursday, 7/20-Sunday, 7/23.

Candidates for speaking or singing roles must audition, either in person on Saturday, 6/3 from 5 p.m.-9 p.m. at the Eagle Theatre or via Zoom at a scheduled time. Students not auditioning can still be cast in a more minor role. There is no need to prepare anything, as campers will learn a monologue, song and a dance.

Registration is \$650. Payment plan requires a \$100 deposit, plus two weekly \$183.33 payments. Final payment is \$183.34. No refunds after 6/15.

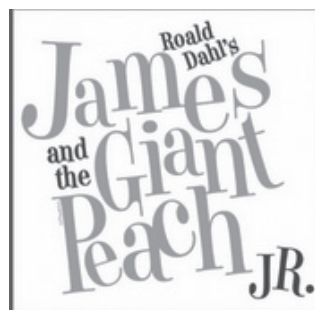

Aftercare is available until 4:00 PM for an additional charge of \$350. Please email conservatory@eagle-theatre.org.

Senior Camp: Mamma Mia! (students entering 8th-12th grades)- Older students seeking a more "traditional" theater process will rehearse from 6/20 to 7.30, Mondays and Tuesdays, 6 p.m.-9 p.m.; Sundays, 10 a.m.-3 p.m. Evening performances at 7:30 p.m. set for Thursday, 7/27-Saturday, 7/29; Sunday, 7/30 at 2 p.m.

All cast members must attend "Tech Week" the week prior to the show. This combines all production elements like lights, costumes, sound, etc.

Made famous by singing stars ABBA, the show relays the hilarious tale of a young woman's search for her birth father on a Greek island on the eve of her wedding. Think of the fabulous "Dancing Queen" number.

Auditions will take place at the theater two weeks before camp starts on Sunday, 6/4 from 5 p.m.-9 p.m. Registration fee is \$350; payment plan requires a \$100 deposit, plus two weekly \$83.33 payments. Final payment is \$83.34. No refunds after June 15. Email conservatory@eagletheatre.org.

NO MORE ONLY BOARDWALK PROPERTIES

Think you know Hammonton? Maybe you do, but it may surprise you what is new.

We all grew up playing Monopoly and having names coinciding with Atlantic City made it more special. Now, MainStreet Hammonton has introduced its own new version called Hammontonopoly. The gameboard features many popular Hammonton locations, all with a Hammonton twist.

The \$35 board game is available in the Hammonton store online- <https://www.mytoymarket.com/hammontonopoly.html>-without a surcharge if you pick it up. If you can't get there, Hammontonopoly can be shipped directly to you for a fee.

The Hammonton Revitalization Corporation (HRC), a 501c3 nonprofit organization, designed and manufactured the game and proceeds support MainStreet Hammonton. Supplies are limited so call (609 567-9014 or email mainstreethamilton@gmail.com. Toy Market, LLC will be reselling this game on behalf of HRC.

FEEDBACK FROM YOU

I would love to hear your ideas/suggestions. Email atlanticcountymagazine@comcast.net. In the subject line, put FEEDBACK FOR SHARON and it will be forwarded.

HOROSCOPE

JUNE 1 - JUNE 7, 2023

ARIES (Mar 21-April 20)

You can make new friends who could turn into intimate connections if you join clubs or take creative courses. Don't allow colleagues to stand in your way. Come to your own conclusions rather than taking the word of someone else. New romantic partners will evolve through group endeavors; however, the association may not be likely to last.

TAURUS (Apr 21-May 21)

Mingle with individuals who are established and can give you some serious insight into business and future trends. Don't fall for damaging rumors, and refuse to get involved in gossip. Stick to travel or do things in conjunction with groups. You need to be sure that you aren't in your present relationship because it is convenient.

GEMINI (May 22-June 21)

You can open up to your mate and let them know what you expect out of this relationship. You should get into programs that will enhance your appearance and help you to be the best that you can. Your outgoing nature will surprise others this week. Keep your thoughts to yourself for the time being.

CANCER (June 22-July 22)

You can look into new jobs but don't count on getting help from someone who may have promised you assistance. Your desire for excitement and adventure may be expensive. Romantic encounters will develop through colleagues. Rest and relaxation may be required; minor health problems will prevail if you don't watch your diet.

LEO (July 23-Aug 22)

You'll find love and you'll get into tip-top shape at the same time. You can get a promotion if you put in a little extra detail. Extravagance will be a problem. Your involvement in groups will be favorable for meeting new and exciting individuals.

VIRGO (Aug 23-Sept 23)

Try to ease any disappointment by making amends. Weigh the pros and cons and make a decision that will change the conditions you've been living under. Your self esteem will come back if you take part in organizational functions that allow you to be in the lime light. Look into physical activities that will help get rid of some of that tension you may be feeling.

LIBRA (Sept 24-Oct 23)

A little overtime may help you reduce the workload. Romantic relationships should stabilize. Do you really want to start something with someone you can't reason with? Your emotional state will vacillate.

SCORPIO (Oct 24-Nov 22)

You can make some money if you get involved in a conservative financial prospect that is presented to you. Your efforts will be rewarded handsomely. Arguments will flare up if you get backed into an emotional corner. You need to be inspired and have your spirits lifted.

SAGITTARIUS (Nov 23-Dec 21)

You should be looking into making changes around the house. Limitations on the home front can be expected if you have been restricting your mate's freedom. Avoid friends or acquaintances who drink too much. They didn't fully understand what was expected.

CAPRICORN (Dec 22-Jan 20)

Property investments should payoff. You will be overly sensitive this week. Good friends will give you honest answers. Your attitude could be up and down like a yo-yo.

AQUARIUS (Jan 21-Feb 19)

Try to curb your tongue and let others at least get a word in. You can enjoy social events and meet new potential mates; however, avoid being lavish. Curb or cut out that bad habit you've been meaning to do something about. Someone may be trying to pull the wool over your eyes.

PISCES (Feb 20-Mar 20)

Don't give your heart too readily. Don't exaggerate. Travel if it's needed to start the ball rolling. Put your energy into your work or moneymaking ventures rather than into your emotional life this week.

"Listening to Music on the Road"

by Joe Molineaux

Every now and then I hear one of my favorite songs while driving. "Windfall" by the band Son Volt is one of those songs. The lyrics are so tuned into a time and a place where the AM radio dial ruled.

"Switching it over to AM, Searching for a truer sound, Can't recall the call letters, Steel guitar and settle down, Catching an all-night station, Somewhere in Louisiana, It sounds like 1963, But for now it sounds like heaven."

Those lyrics have always stuck with me. When I think back over my lifetime enjoyment of music and listening in the car and on the road, music has always been a part of my travel. This has probably been true since my parents brought me home from the hospital in the late sixties. The number one hit at the time was Otis Redding's "Sitting on the Dock of the Bay," or perhaps they were enjoying another top hit like the Monkees "Daydream Believer." Or perhaps "Hello Goodbye" by the Beatles was playing as I was saying "hello" to my first time hearing a car radio.

While I have no way to confirm either of those theories, one thing is certain. The car radio in the family car growing up and then every car I have ever rode in or drove has for the majority of the time had a radio or musical device playing music.

The first radio as a factory-installed option in a regular production car may have been in 1923 by the Springfield Body Corporation, but it, too, was likely a hodge-podge adapted from a house radio. There is also debate over which manufacturer deserves the distinction of being the first to offer a car-specific radio. It seems that William Heina, of the U.S. Heinaphone Company, appears to have been granted the first patent for the installation of radios in cars. Heinaphone's car radios were called "Transitones." In 1927, the Automobile Radio Corporation bought Heinaphone.

Back then, the country was so tuned into enjoying radio in their homes so listeners wanted to take this new way to listen to the radio with them on the road. So the success and growth in commercial radio broadcasting helped the first car radios begin to appear in many vehicles.

In 1952, Edwin Howard Armstrong invented FM radio in 1933. Most people were still listening to AM radio. It took until 1979 for FM audience listening to surpass the AM listening audience. The following year the first luxury car radio featured both an AM/FM radio option.

Phillips introduced the cassette tape in 1964, however it was not until in the 1970s that car cassette players became a standard feature. This also brought us the concept of the driving, road trip & a cool way to introduce a captive audience to your favorite songs... the mixtape!

The death of the cassette tape and the birth of the CD happened in the 1980s and 90s. Over this time period, the cassette player became defunct in all new cars. With the creation of the compact disc, came another revolution in the way drivers listened to music, enabling them to enjoy their favorite songs at the push of the button.

Which brings us to the 2000s to the present and the invention and adaption of MP3 Players, satellite radio and music streaming services; this has very much ended the run of CD popularity. It took a while for in-car audio capabilities to catch up to the digital revolution. Initially, there were very few options to connect the influx of MP3 players to car stereo systems until the mid-2000s. Then satellite radio arrived. Sirius Satellite Radio effectively created the satellite radio industry single-handedly. XM Satellite Radio launched its first two satellites the year after, effectively altering the way we experience radio. Today, the service offers a wide variety of music, talk, news, and sports stations, and it's commercial-free (with a subscription fee) with Sirius XM Radio. Finally, streaming services joined the mix of options. The services are Satellite radio's main competitors. In recent years Internet-streaming services like Spotify, Pandora and Apple Music are now being integrated into the car listener's world.

I hope you enjoyed this brief "Listening to Music on the Road" drive down memory lane. I hope to see you at the next red light enjoying the music playing from your vehicle speakers playing from your favorite format!

The 2023 Summer Season Has Officially Begun in the Wildwoods: Unlocking of the Ocean and 75th Anniversary of the Tram Car on the Wildwoods Boardwalk

The Greater Wildwoods Tourism Improvement and Development Authority (GWTIDA) joined state, county, local, and city officials, guest speakers, and over 300 elementary school children to officially 'unlock' the Wildwoods beaches for the summer 2023 season.

The 37th annual International Kite Festival, the largest Kite Festival in North America, was simultaneously launched over the Wildwoods beaches. Colorful kites served as a backdrop, and children of all ages joined in on the fun, launching the kites they made earlier that morning during a children's Kite Making Workshop inside the Wildwoods Convention Center.

Immediately following the unlocking, GWTIDA representatives, tourism, state, county, local, and city officials, VIPs, Gigi the Tram Car Driver extraordinaire and Floss Stengel – the original voice of the Tram Car's famous 'Watch the Tram Car Please!' announcement participated in a photo opportunity that celebrated the 75th anniversary of the Sightseer Tram Car on the Wildwoods Boardwalk.

For three-quarters of a century, the Tram Cars have played a leading role transporting millions of visitors on the Wildwoods Boardwalk. The Tram Cars were first put in service on the Wildwoods Boardwalk in 1949 and remain the heartbeat and the very essence of the Wildwoods. 2023 marks the Diamond Jubilee 75th anniversary for the all-electric people-movers, as they continue to traverse the Wildwoods Boardwalk, announcing their iconic audible warning, "Watch the Tram Cars Please!"

For additional information about the Wildwoods, visit www.WildwoodsNJ.com or call 800-992-9732.

Why Donate Blood?

You don't need a special reason to give blood.
You just need your own reason.

- Some of us give blood because we were asked by a friend.
- Some know that a family member or a friend might need blood some day.
- Some believe it is the right thing we do.

Whatever your reason, the need is constant and your contribution is important for a healthy and reliable blood supply. And you'll feel good knowing you've helped change a life. To learn more, visit www.redcross.org

The need is constant. The gratification is instant. Give blood!™

PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

Can Service Animals Go Anywhere the Public Can Go?

Service animals are generally allowed anywhere the public is allowed to go. We are often asked if this also applies to healthcare settings like doctors' offices, hospitals, or ambulances. It absolutely does. Sometimes people with guide dogs are patients, and sometimes they are companions there to provide support or ask important questions. Service animals are allowed in healthcare settings, but they can be excluded from places like operating rooms, burn units, and some ICUs that are sterile environments. Service animals are allowed in ambulances unless their presence would pose a threat to the staff or the patient.

Additional Resources: www.seeingeye.org/.../guide-dogs-in-hospitals.html

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit seeingeye.org/raise for info.

The ROOST

PUB & GRILL

Name of venue: The Roost - Pub and Grill

Location and hours: The Roost is located at Harbor Pines Golf Club (500 St. Andrews Drive, Egg Harbor Township). Open daily from 11am to 10pm. Public is welcome.

What does your venue specialize in? Innovative and fun menu featuring pub favorite appetizers to be shared, sandwiches, burgers, flatbreads and dinner entrée selections, an extensive drink list, and unbeatable views.

What is the current reason one MUST come to The Roost? Come make yourself at home on our outdoor patio overlooking the water, with our raved about signature cocktail The Roost, containing Wild Turkey 101, orange bitters, and a dash of simple syrup.

What is your secret favorite that the crowds have yet to discover? The Asian glazed salmon. Although the crowds come for our wonderful drinks and pub fare, those that have indulged in the dinner here will tell you the sesame glaze over the fresh pan seared salmon is to die for.

Why is The Roost a necessary part of Atlantic County? The Roost offers something unique to the Atlantic City area not offered once you leave the beach. Visitors come down to the shore to be by the water, with friends, and good food & drink. The Roost offers up all of these things on the mainland, making it the perfect spot for locals and visitors alike.

What are some other special reasons to come visit The Roost? The Roost is attached to the acclaimed Harbor Pines Golf Club, offering those coming to the area the chance to not only enjoy a fabulous meal and round of drinks, but the chance to play at, or just admire, a gorgeous course. Oh and by the way we are public and open to all!

Please share any important information locals and visitors should know about The Roost. The Roost offers up an impressive selection of contemporary cuisine, presented in a casual yet elegant atmosphere. Enjoy the spectacular views from the outdoor deck while taking in the sights of the breathtaking pond and pristine golf course. An all-day menu of classic American dishes like burgers, wings, wraps, and flatbreads stands alongside premium dinner choices like filet mignon and shrimp tortellini, served after 5pm. Vegetarian options are also available. Among its impressive drink offerings are espresso martinis, rose mimosas, and spicy margaritas made with a wide selection of spirits, accompanied by draft beer, bottles, seltzer, and a balanced wine list. Open daily from 11am to 10pm, no reservations.
