DAIRY - GOOD OR BAD?

As with anything, dairy should be consumed in moderation. Consuming too much dairy can cause digestive issues, not to mention that a high dairy diet can be very fattening if not balanced and coupled with physical activity. Dairy does have more fat than many other products. The association of saturated fat consumption with higher LDL "bad" cholesterol has led to the idea that the high saturated fats in dairy may result in an increased cardiovascular disease risk such as stroke and heart attacks. Some dairy may disrupt gut health.

The 5 best types of dairy for gut health:

Yogurt.
Kefir.
Cottage Cheese.
Fermented Cheeses.
Lactose-Free Dairy Products.

Worst foods for Gut Health:

Any milk or dairy that is grain fed or not organic.
All commercial or processed dairy products.
Milk.
Yogurt that is sweetened, fruit-flavored ones.
Processed cheeses like Velveeta.
Sugar-filled foods like ice cream.

HEALTHFUL LIVING

A Weekly Guide to Health Awareness

YOGA POSE OF THE WEEK - Cobbler's Pose (Baddha Konasana)

Let gravity work on stretching your inner thighs in Cobbler's pose. If you find this position difficult, props can make a big difference. Sitting on a block, cushion, or blanket raises your hips so your knees can open more naturally. If your knees are high, it takes a lot of effort to hold them up, and your legs need to be relaxed to enjoy the benefits of the stretch. The solution is to place a block (or something else supportive) under each knee to give them something to rest upon. Since it's unusual to sit this way in everyday life, this pose stretches neglected areas of the body, particularly the adductor groups of the groin.

VITAMIN HIGHLIGHT - Iron

Iron is important in making red blood cells, which carry oxygen around the body. A lack of iron can lead to iron deficiency anaemia. Good sources of iron include:

liver; red meat; beans, such as red kidney beans, edamame beans and chickpeas; nuts; dried fruit – such as dried apricots; fortified breakfast cereals; soy bean flour

Release the week of June 14 - 20, 2024

HOROSCOPE
JUNE 13 - JUNE 19, 2024

ARIES (Mar. 21-April 20)
It takes extra hidden strength to navigate this week. Not your usual in-you-face kind of warrior fighting spirit. By all means breathe fire if you feel you must. But you need some well-thought out strategy with Saturn in the frame. Mars is also leaving you on Sunday 9th which should cool you down. Respond rather than reacting.

TAURUS (Apr. 21-May 21)
As Mars ramps up your desires this week you're feeling feistier than normal, more go-getting. Yet spare a thought for the clash between Mars and Pluto on Tuesday which adds fuel to your fire and you might do best defusing rather than escalating whatever is going on for you. Saturn is urging you to be sensible, to think things through and emerge on Friday at the Sun/Mercury cazimi with a solution no-one else has thought of.

GEMINI (May 22-June 21)
Clearing out whatever has been building up would be a good idea. Whether its decluttering a space or your psyche. Saturn is asking you to deconstruct what brought you to this point and adopt the most practical of approaches. As you approach Mercury's superior solar conjunction in your sign on Friday save yourself a cazimi time. Bright sparks abound light up your thinking.

CANCER (June 22-July 22)
You need to adopt a cool head in order to deal with certain issues this week. Perhaps you've reached something of a bottom line and are taking a reality check which forces a very practical decision. Less is more. It's quite simple really if you stick to the basics and side-step emotional entanglement.

LEO (July 23-Aug 22)
If other people are dragging their heels, being resistant and making life difficult put it down to Saturn and Pluto complicating matters which you believe should be relatively straight forward. Perhaps they are not yet in a place where they want to resolve things. Maybe it's simply not the right time. From Friday's spectacular cazimi between the Sun and Mercury you'll sense there are doors opening.

VIRGO (Aug. 23-Sept. 23)
Feet on the ground at all times this week. Saturn may be the hard taskmaster of the zodiac but he suits your step by step approach. Go slowly and you'll spot any potential issues well before they become a problem and can put your mind to averting the damage. In fact, Friday's electric meeting between the Sun and Mercury is shaping up to break through anything that has been stuck.

LIBRA (Sept. 24-Oct. 23)
If you sense someone wants to play a controlling hand your usual response is to step right back, deflect and avoid facing them off. However, Saturn is encouraging you to have some boundaries around their behaviour. Being matter of fact instead of enigmatic returns your inner power. You do not need to conform or comply unless it's absolutely right for you to do so. Having made this clear you'll be surprised how quickly life lightens up.

SCORPIO (Oct. 24 - Nov. 22)
The entrance of the warrior planet Mars into your zone of relating indicates the next six weeks will step up the pace of your interactions with others. On Tuesday as Mars squares off with your powerful ruling planet Pluto it feels as if someone is squeezing you too tight (not in a good way) and if they think you'll be a walkover they've chosen the wrong person. Be firm without sending on your sting and you'll emerge not only intact, but with more rewards in sight.

SAGITTARIUS (Nov. 23-Dec. 21)
You dislike limitations of any kind which go against the grain of your adventurous nature. Yet even you have to admit that sometimes there is nothing else for it but to knuckle down and get on with the boring bits whether these pertain to your personal or professional life. Once tackled you'll be free to resume your exciting activities. Friday's special Sun/Mercury cazimi in Gemini brings someone to the table for a very important exchange.

CAPRICORN (Dec 22 - Jan. 20)
Passing through some 'Saturnian' weather is no problem for Capricorns who have this planet's frequency baked into them at birth. Whilst others complain that things are not as they should be, you are rolling up your sleeves getting on with what needs to be done. This is why you are one of the zodiac's highest achievers.

AQUARIUS (Jan. 21-Feb. 19)
Reality can bite when Saturn is centre stage and there is also the twinge of the Mars Pluto square which can trigger echoes of old battles. Never forget, you're a future oriented person. You can't change the past but you can change your future. Tie up any loose ends this week and gird your loins for a fresh push into a more creative perspective which will bring back the fun.

PISCES (Feb. 20-Mar. 20)
Saturn's influence can make you feel something is a no-go as it removes the gloss and reveals all the effort involved. So if you've been romanticising a certain person or situation you're now privy to the reality of things as they really are rather than how you might wish them to be. You can re-think and revise certain plans or arrange to come back to them later when you have got through this bit. Things are going to move rapidly over the coming weeks.

Atlantic City - Gardner's Basin Marina, North New Hampshire Avenue and the bay, is home to charter boats, sightseeing and fishing cruises. For more information call (609) 348-2880. Fishing is permitted on the beaches, outside of guarded areas, and from the jetties. The seawall along Sunset Avenue is a popular area for crabbing or fishing from land in the back bay. A municipal boat launch (fee required) is located at Albany Avenue and Boulevard Avenue.

Ventnor/Ventnor Heights - The Ventnor City Fishing Pier is located at Cornwall Avenue and the Boardwalk. The fishing pier offers seasonal rates for fishing or sightseeing. For additional information, call the piermaster at (609) 823-7944. Along the back bay, a seawall the length of Winchester Avenue is perfect for the family to fish or crab from land. A free boat ramp is located on the bay on Dorset Avenue, where there is plenty of free parking. For more information call (609) 823-7900.

Another ramp (fee required) is located at Smith's Marina, 910 Bay Ave. Along the Bay Front Historic District on Bay Avenue there are several marinas which are home to many party and charter boats. There is also a crabbing and fishing pier located on the bay off New Jersey Avenue. Restrooms are located nearby.

Brigantine - Surf fishing is permitted on non-guarded beaches and at the seawall, Seventh Street north to 14th Street. The old Brigantine Bridge, across Absecon Inlet from Harrah's Marina, is used as a fishing pier. A public boat ramp (fee required) is located at Sixth and Bayshore avenues on the bay. For more information, call (609) 266-1122.

Leeds Point - Seasonal fishing and crabbing are permitted in designated areas of both the Brigantine and Barnegat Divisions of the Edwin B. Forsythe National Wildlife Refuge. These areas include saltwater fishing (from land) at the following locations: Graveling Point, Little Beach (with permit), Parkertown Dock Road, Cedar Run Dock Road, and Stafford Avenue. Boats may be launched at the Brigantine Division's Scotts Landing boat ramp, located at the end of Scotts Landing Road, off Moss Mill Road at Leeds Point. Freshwater fishing is permitted on Lily Lake in Oceanville. For more information call (609) 652-1665.

Greater Atlantic City Concierge Association's Hot Spot: **Cocorico Beach Bar**

Submitted by: Judy Brenna, GACCA Communications Director
Catering & Events Director, Blue Dog Hospitality Group

Name of Venue: Cocorico Beach Bar (formerly Chelsea Beach Bar)

Where are you located? We are at 11 South Chelsea Avenue and The Beach in Atlantic City.

Hours of operation: We are open Monday thru Thursday from 11am to midnight and Friday, Saturday and Sunday from 11am to 2:30am.

Parking tips: You can park in the Tropicana Parking Garage.

What do you specialize in? Delicious Drinks and Food with Friendly Atmosphere while soaking in the sun!

What is the current reason one MUST come to your venue? Cocorico Bar is Atlantic City's exclusive place to celebrate a Friends Birthday, Bachelor/Bachelorette, Corporate, Graduation, Going Away or Reunion Party. It is very cozy with a brilliant vibe. It's considered one of the most popular gathering places for groups of people ready to socialize and party at an ultra-comfortable setting. The ambiance and VIP seating allow guests to hang out for hours at a time. You want a fun day out with friends? Chelsea Beach Bar is one of the best places to do just that.

What is your secret favorite that the crowds have yet to discover? We offer regular seating and VIP sections with bottle service. One of the main advantages of bottle service is the personalized attention and service that comes with it. When customers book bottle service, they are assigned a dedicated server who will take care of all their needs throughout their time with us.

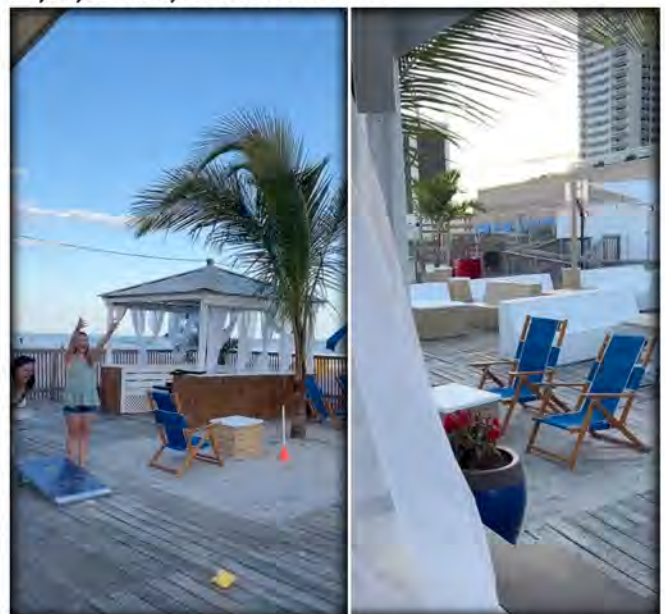

Why is your venue a necessary part of Atlantic City? While the tourism industry is bustling during the summer season and the Boardwalk is packed with visitors; beach bars are an integral and important part of the Atlantic City Beach experience. One of the most captivating aspects of beach bars is their unique ability to combine relaxation with a lively atmosphere. This combination attracts a diverse clientele, from locals seeking a leisurely evening to tourists wanting to experience the local nightlife. And we are proud to be a part of this.

Would you like to highlight a star employee? All our staff work very hard to ensure you receive a memorable and successful oceanside experience!

What are some other special reasons to come visit? We all need a place to relax after work, so why not do it with a drink in your hand? Join us for Happy Hour every Wednesday from 5pm-7pm!

Do you have any weekly specials or upcoming events? Our local music scene is popping, and we like to showcase some of the best talent around. Come by on Thursday evenings to enjoy live music. Who knows, maybe you'll find your new favorite band!

Why Donate Blood?

You don't need a special reason to give blood. *You just need your own reason.*

- Some of us give blood because we were asked by a friend.
- Some know that a family member or friend might need blood some day.
- Some believe it is the right thing to do.

Whatever your reason, the need is constant and your contribution is important for a healthy and reliable blood supply. And you'll feel good knowing you've helped change a life. To learn more, visit www.redcross.org

FROM THE HEART OF ATLANTIC COUNTY MAGAZINE

Nearly 550 guests attended the 29th Annual Women's Forum to see Humanitarian, Correspondent, and New York Times Best-Selling Author Jenna Bush Hager bring a unique vantage point about her upbringing and life today. The event, hosted at the Golden Nugget on June 6th, raised \$170,000 to benefit Greater Atlantic City Charities including Atlantic City Day Nursery, Boys & Girls Club, CASA, and Jewish Family Service.

Guests enjoyed a delicious lunch and the opportunity to bid on more than 110 auction items including Singer Pink concert tickets, Taylor Swift swag gift basket, designer handbags, chic jewelry, electronics, hotel stays, dining offers, spa packages, restaurant and shopping gift cards, wine baskets, and more.

"We were delighted to have Jenna Bush Hager as this year's distinguished speaker at the Women's Forum. Our candid conversation about her career, raising children, and growing up in a well-known family provided the audience with a keen insight into Jenna's life," said Brett Matik, event co-chair. "The sold-out program and auction afforded Greater Atlantic City Charities the opportunity to raise funds to support four local nonprofits."

Growing up in the public eye, Jenna cultivated an innate sense of purpose by experiencing first-hand how small changes can make large differences in a single life. As a humanitarian, Jenna traveled to improvised areas around the world to address pressing issues of our time – health, education, and economic inequality. She serves as a role model and inspires young leaders to give back in schools, communities and abroad.

For nearly five years, she has been welcomed into audience members' homes as the co-host of Today with Hoda & Jenna. In addition, Jenna has penned the book, Everything Beautiful in its Time, which shares moving, funny stories about her beloved grandparents and the wisdom that shaped her life. She has also written Ana's Story: A Journey of Hope, Sisters First with her twin sister, Barbara, and Our Great Big Backyard and Read All About It with her mother, Laura.

29th Annual Women's Forum Raises \$170,000 Funds to Support Four Local Charities

The Women's Forum is made possible by the support of its generous community and business sponsors – Anheuser-Busch, AtlantiCare, Casino Reinvestment Development Authority, F.C. Kerbeck, Golden Nugget Atlantic City, Harrison Family Foundation, Horizon Blue Cross Blue Shield, The Law Offices of Melissa Rosenblum, and Walmart. As a completely volunteer committee, 100% of the proceeds are donated directly to local charities.

Women's Forum Co-chair Brett Matik shared the stage with Humanitarian, Correspondent, and New York Times Best-Selling Author Jenna Bush Hager during the 29th Annual Women's Forum on June 6th at the Golden Nugget in Atlantic City. Nearly 550 guests attended the event which raised \$170,000 for the Greater Atlantic City Charities including the Atlantic City Day Nursery, Boys & Girls Club, CASA, and Jewish Family Service of Atlantic & Cape May Counties. Women's Forum - Founded in 1994, The Women's Forum supports the Greater Atlantic City Charities in its mission to assist local organizations in need. Throughout the past two decades, the Women's Forum luncheon has featured guest speakers including: Brooke Shields, Lisa Ling, Deepak Chopra, Suze Orman, Jane Seymour, Leigh Anne Tuohy, Andy Cohen, Giuliana Rancic, Jane Pauley, Amy Robach, Carla Hall, and Ali Wentworth. To date, the Women's Forum, a completely volunteer organization, has raised more than \$2.3 million for area nonprofits.

MAUREEN MILLER & *Richard*

Maureen Miller is working with her first Seeing Eye® dog, a black Labrador retriever named Richard. The photo shows Maureen with her arm around Richard, who is in harness and sitting on a raised platform. Maureen is smiling and Richard has his head cocked as he looks at the photographer.

“I am so thrilled that I came to The Seeing Eye and met Richard. It was the right decision for both of us. He’s just phenomenal – he’s such a great dog.”

When in harness, Richard is very professional. “Everyone calls him Sir Richard. He is so well behaved, so focused. People say, ‘that dog looks so serious!’ I say, ‘you ought to see him out of harness.’ When the harness comes off, you see a complete change in personality. When that harness comes off, he turns back into a puppy!”

CARTER

Carter is a 4 year old male Pointer mix. He originally came to us from a hoarding situation in Galloway. He is a super sweet and friendly guy that just craves for your attention. While Carter gets along with other dogs during play he does have some possession issues with other dogs, so it is recommended he go to a home with no other pets or small children. Carter can easily go over a 4ft fence and would require a home that will leash walk him.

PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

Walk & Learn with The Seeing Eye

Our Walk & Learn program is returning this spring with three new dates! Learn how Seeing Eye dogs are trained on the streets of Morristown. This unique opportunity allows you to follow a Seeing Eye graduate and dog team while learning all about their partnership. Each program begins with a brief presentation and tour of our downtown training location, located at 14 Maple Avenue. Participants will then take a walk through the streets of Morristown and learn how Seeing Eye dogs guide their handlers safely. The walking distance is about 1 mile and is appropriate for ages 12+. This is an experience you will not want to miss! Spots are limited, so secure your spot today.

Location: 14 MAPLE AVENUE, MORRISTOWN, NJ

Friday, June 21: <https://e.givesmart.com/events/Bmg/>

PD: An image of a black Lab Seeing Eye dog walking down a sidewalk with her handler, captured from the shoulders down, in downtown Morristown. Text reads, "Walk & Learn with The Seeing Eye - 9:00 AM - 10:30 AM - Friday, April 26 - Friday, May 24 - Friday, June 21 - seeingeye.org/visit"

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit seeingeye.org/raise for info.

Father's Day is celebrated on the third Sunday in June every year. Where would we be without dads? Honestly, who would show off 'dad jeans,' tell the same somewhat amusing jokes at Thanksgiving, or spin those charming childhood stories? But of course, there's far more to dads than their wardrobe choices and endless nostalgia for the 'good old days' (Elton John, David Bowie, and Queen — we get it). Still, dads are heroes. On June 16 be sure to let your dad know how much he means to you. If you want to treat your father to a little something special then check out our gift guide.

5 INSPIRATIONAL QUOTES FOR FATHER'S DAY

"A father is neither an anchor to hold us back, nor a sail to take us there, but a guiding light whose love shows us the way." — Unknown

"Any man can be a father, it takes someone special to be a Dad." — Anne Geddes

"My Father didn't tell me how to live; he lived and let me watch him do it." — Clarence Budington Kelland

"Dads are most ordinary men turned by love into heroes, adventurers, story-tellers, and singers of song." — Pam Brown

"A Father is someone you look up to no matter how tall you grow." — Unknown

HISTORY OF FATHER'S DAY

Far from a "Hallmark holiday," Father's Day has its origins in medieval Europe, when Catholics dedicated a day to honoring fathers, fatherhood, and all paternal relationships. Fast forward a couple hundred years, and it's now a holiday held all over the world — a testament to how important fathers and father figures are in societies everywhere. However, be careful. The date fluctuates around the world. In Spain, for example, it's held on March 19, while in New Zealand, it's the first Sunday in September. Keep this in mind if you're traveling, or have family living overseas. There are few things more upsetting than a disappointed dad.

Father's Day in America has a rich history dating back to the turn of the 20th century. But to really understand Father's Day we must go back to the post-civil war reconstruction era of the 1860s and a day that celebrates the other half of the parenting duo, mothers.

The idea of celebrating parents has its roots in one woman: Ann Reeves Jarvis. Shortly after the Civil War, Jarvis sought to soothe the wounds created over four years of bitter conflict in one divided West Virginia town by choosing a day to celebrate mothers of both Confederate and Union soldiers. Known as "Mother's Work Days" Jarvis hoped that during the newly installed era of peace and reconciliation that previous enemies could begin to sow unity again by celebrating one thing they all had in common.

TRADITIONS

Relive the traditions that you have had with your father while growing up on Father's Day. The ball games you played, that snack you both like to binge on at midnight secretly without your mother knowing — today is the day to share these experiences with your old man.

Fathers are among the most difficult relations to buy a present for. Where mothers can be lavished with flowers and spa days, it is not that simple when it comes to dads. If your dad has a hobby, buy something related to that. Gift cards for his favorite store work great as well. You can also prepare your dad's favorite meal and give him the royal treatment by letting him have the comfiest chair and letting him choose what you're watching on TV.

FATHER'S DAY ACTIVITIES

- **Make him feel appreciated** - One of the best ways to celebrate is to let him know how much you appreciate him. In the days or weeks leading up to Father's Day, make note of all he does for the household on a daily basis. Then, on Father's Day, tell him how much you appreciate these small things, and that it doesn't go unnoticed. Even better, take on these chores or activities for the day, and let him rest and bask in the glow of familial appreciation.

- **Have a family day** - It may be Father's Day, but often you'll find what fathers want most in the end is time with the whole family. Talk to dad and see how he feels about a family outing, and choose something everyone, at any age, can take part in. This will give him plenty of memories and stories to bring up at later family gatherings, and what could he want more than that?

- **Find a gift with meaning** - Sure, a new weed trimmer would make him happy, but there's always room for creativity when giving gifts. A gift with meaning, rather than functionality, may be a welcome change this year. Nostalgic items and homemade projects are always a good idea, but whatever it is, be sure it shows how much you appreciate having dad around, and everything he's taught you.

5 THINGS DADS LIKE TO DO

- **Play golf** - Dads love to play golf — we think it's because it takes place on a giant lawn that they don't have to mow, or perhaps it's because they tap into their inner speed demon whirling around the course with reckless abandon on those electric golf carts.

- **Channel surfing** - Dads are never satisfied with just watching one episode of "NCIS," they need to toggle back and forth between that and reruns of "CSI Miami" and "Law & Order."

- **Calling at inopportune times** - Dads love to call you (either on the phone or from the bottom of the stairs in a loud booming voice) at the worst possible times.

- **Telling horrible jokes** - This is one thing dads do that we love to hate (but secretly love to love) — dad jokes are silly, sometimes witty, but eminently embarrassing quips that are often composed of the best/worst puns you've ever heard.

- **Grilling** - Dads love fire — it taps into their primordial desire to provide for the family, and we know that dads know their way around a kitchen, but their true love is outdoor cooking.

Why We Love Father's Day

- **For better or worse, they make us laugh** - Even the most embarrassing dad moments will always make for laugh-out-loud stories later on. And someday you'll cherish all those times you rolled your eyes at the jokes he tried to tell the waiter at lunch. Dads make us laugh, even if we don't see it at the time, and that will always be one of their greatest contributions.

- **They're great teachers** - Changing tires and fixing lawnmowers are just some of dad's greatest teachings. Dads have been passing along their wisdom for generations, and we can never overlook that. From learning how to work a sickle at the dawn of civilization to showing us how to clean the food gunk out of the kitchen sink, dads have been there through it all to show us the way.

- **They're forever patient** - Dads put up with a lot. From playing prince (or princess) with their kids to taking care of whatever pet the rest of the family brings home, we can count on dad to come to love it eventually, even if he puts up a small fuss initially. And we can't thank them enough for this.
