Release the week of March 22 - 28, 2024

HOROSCOPE

MARCH 21 - MARCH 27, 2024

ARIES (Mar. 21- April 20)

The shimmering connection between the Sun and Neptune this weekend can either make you feel you're in the bliss zone or chasing a mirage. Yet Spring Equinox on the 20th brings the Sun to Aries and your time to shine begins. Important decisions can be made on the 21st when you're feeling empowered and super-clear. Ready for the upcoming lunar eclipse on the 25th to shake things down in a relationship.

TAURUS (Apr. 21-May 21)

It's hard to know what to make of your place in the grand scheme of things when the Sun and Neptune are creating multiple variations. In a way you want to 'go private' and exist in your own bubble whilst summoning the energy to confront others with a reality check. The approaching eclipsed Full Moon on the 25th is already activating the need to carve out lifestyle choices for yourself.

GEMINI (May 22-June 21)

If you've grown rather tired of pandering to other people's whims the time has come to lay down the bottom line. As eclipse season approaches the old is giving way to the new and you're looking to make the most of your natural talents and create more joy. Short term this looks like having to say no, in order to carve out more space.

CANCER (June 22-July 22)

If things are currently feeling adrift, put it down to Neptune's watery influence where nothing seems clear-cut. However all is set to change with Spring Equinox ushering in eclipse season and a no-nonsense union between Venus and Saturn which sorts out exactly what is and isn't possible. You'll be glad to receive these celestial instructions and make your move.

LEO (July 23-Aug 22)

You're coming out of the chaos into a period which offers commitment and clarity. Especially regarding financial decisions which are the sensible choice. As the Sun moves into Aries at Spring Equinox you feel ready to strategise long term plans which involve movement, messaging and an increased sense of adventure.

VIRGO (Aug. 23-Sept. 23)

Pisces season has thrown a lot of Neptunian energy into the mix which clouds and mists the level of organisation you normally enjoy. However, you're ready to sort things out and come up with a plan. Besides, Spring Equinox takes you into financial territory which requires a joint approach with an organisation, bank or individual.

LIBRA (Sept. 24-Oct. 23)

As the peace-keeper and people pleaser you often get lost in other people's demands. However, the upcoming lunar eclipse in your own sign on the 25th is already starting to make its mark as you become increasingly aware of what you need to do for YOU. Certain practical matters set the stage for your decision making process. These anchor you in reality and all you have to do is follow through.

SCORPIO (Oct. 24 - Nov. 22)

There's a stark contrast between the things you feel you can control and those you can't. Separating the two is vital as you can. make important headway this week if you stay clear-eyed and grounded. The Sun and Pluto empower you to up level how you work or live your life, transforming the quality of your everyday experience.

SAGITTARIUS (Nov. 23-Dec. 21)

It's more important than ever to pay attention to the essentials in life rather than allowing fantasy to take hold. Venus and Saturn urge you to be realistic and even adopt a less is more approach. Securing your position and stabilising yourself at ground level is necessary this week. From here you can grow from a solid foundation and with Spring energy bursting forth it could happen sooner than you think.

CAPRICORN (Dec 22.- Jan. 20)

Your pragmatic approach will be to the fore as so much misinformation and uncertainty abound. As Aries season kickstarts Spring on Wednesday followed by a strategic meeting between Venus and Saturn everyone will value your clear-eyed approach. Certain ground rules need to be established and a plan of action formulated.

AQUARIUS (Jan. 21 -Feb. 19)

Timing is everything and with Venus about to meet with the time-keeper Saturn you need to approach certain matters head-on. Decisions need to be made which will cut a swathe through fantasies and fiction, enabling you to plan a clear path ahead. Especially financially. As eclipse season approaches new shoots of growth will become visible.

PISCES (Feb. 20-Mar. 20)

The contrast between Neptune and Saturn in your sign is bound to make itself felt this week as you wake up from a limbo land into something very real, tangible and present. As a Pisces you will always have a little bit of drift in you, but right now it's about attending to that which needs to be done and seeing it clearly for what it is. A reality check releases you from inertia.

Greater Atlantic City Concierge Association's Hot Spot:
Gin Rickey's

Submitted by: Judy Brenna, GACCA Communications Director
Catering & Events Director, Blue Dog Hospitality Group

ginrickey's

Name of venue: Gin Rickey's

Where are you located? We are at the Tropicana Casino and Resort, 2nd level of the Quarter, 2801 Pacific Avenue, Suite 208, in Atlantic City.

Hours of operation: Monday to Thursday 3pm- 12am, Friday/ Saturday 12pm- 3am, Sunday 12pm- 12am, and we have Daily Happy hour from 3pm-7pm

Parking tips: Park in the Quarter Garage

What does your venue specialize in? From the team that brought you Wild Honey Smokehouse & Tavern, Gin Rickey's is Atlantic City's newest entertainment destination. Located in The Quarter at Tropicana, and named after the classic cocktail, that's easy going and ultra-refreshing, Gin Rickey's is equal parts cocktail lounge, live music bar, and good vibes.

What is the current reason one MUST come to your venue? From its signature list of Rickey's and ginormous 42-ounce martinis to its mason jars and infusion bag cocktails to-go, Gin Rickey's has an extensive list of libations to get the party started. So, grab your friends and get ready to drink, laugh, and sing real loud!

What is your secret favorite that the crowds have yet to discover? We have a hidden late-night menu offering delicious bites on Fridays and Saturdays starting at 10 PM. The star of the show is the signature Biscuit Cone. It comes packed with smoked BBQ meats and toppings like mashed potatoes, mac & cheese, and coleslaw.

Do you have a signature dish or drink? Aside from our signature Biscuit Cone, and our extensive libations list, our signature list of Rickey's are items to definitely try, like our Slow Gin, Cherry Lime, or Strawberry Basil.

Why is your venue a necessary part of Atlantic City or County? We are a part of the live music scene in Atlantic City. Live entertainment is a foundational pillar of the Gin Rickey's experience. Tailored for group participation, nightly sing-along performances include local artists, touring musicians, and bands from across the country. We are also one of the only venues in Atlantic County that feature dueling pianos.

What are some other special reasons to come visit? We are available for any special event, be it a birthday celebration, bachelor or bachelorette parties, or corporate reception!

Do you have any weekly specials or upcoming events? Upcoming musical acts for the rest of this month include DJ Chris Roberts on March 29th, and DJ Pat Colon on March 30th.

Please share any important information locals and visitors should know about: We accept rewards credits from the casino, and when you come here, be prepared to sing!

HEALTHFUL LIVING

A Weekly Guide to Health Awareness

YOGA POSE OF THE WEEK - Half Forward Bend (Ardha Uttanasana)

This flat-back forward bend (you may also hear it called "halfway lift") is most often done as part of the sun salutation sequence. As such, it's often rushed, but it's worth it to take the time to work on it independently. Figuring out when your back is flat is part of developing body awareness. At first, it's helpful to glance in the mirror. You may find you need to let your hands come off the ground and onto your legs as high as is necessary to keep the back flat. Gently bend your knees as needed, too. Standing Forward Bend stretches and lengthens the hamstrings and calves. It is common to have tight hamstrings if you run or play a sport that involves lots of running. It is regarded as a relaxing and stress-relieving pose. Traditionally, it is said to help relieve insomnia.

VITAMIN HIGHLIGHT - Thiamin (vitamin B1)

Thiamin, also known as vitamin B1, helps the body break down and release energy from food keep the nervous system healthy

Good sources include:
peas; some fresh fruits (such as bananas and oranges);
nuts; wholegrain breads; some fortified breakfast
cereals; liver (avoid liver if you are pregnant)

Three Things to Know About Real Service Animals

Since service animals are **not required** to wear a vest or have other ID, here's three ways to recognize a **legitimate** service animal.

1. Real Service Animals Perform Specific Tasks.

Service animals are working dogs, not pets. They may range in size and breed but ALL are specially trained to do work or perform tasks that are directly related to a person's disability. When it's not obvious what service the dog provides, staff may ask two questions: (1) is the dog a service animal required because of a disability, and (2) what work or task has the dog been trained to perform.

2. Real Service Animals Are Trained to be Calm.

From an early age, service animals are carefully exposed to a variety of environments and situations. They are socialized with people, other animals, and taught basic obedience. By the time they become service animals, they are confident, well-adjusted, and able to reliably perform their essential services, no matter what. Without such training, dogs may become overly stressed, leading to inappropriate behaviors that are not suitable for public places.

3. Real Service Animals Are Well Behaved in Public.

When service animals are working, they are not permitted to repeatedly bark, growl, jump, lunge, or freely wander around. They don't bite or harm people or other animals, and they don't urinate and defecate on the floors. If a particular service animal is out of control and the handler doesn't take effective action to control it, staff may request that the animal be removed from the premises.

For more information about service animals and the ADA, please visit ADA.gov or call the ADA Information Line at 800-514-0301.
