HOROSCOPE

DECEMBER 21 - DECEMBER 27, 2023

ARIES (Mar. 21-April 20)

In late November your ruler, Mars, moved into Sagittarius, triggering a cycle of questioning arrangements and exploring alternatives. While you've learnt a lot and made a few changes, by no means do you feel you've explored enough. Judging by the current planetary setup, you've lots more yet to discover.

TAURUS (Apr. 21-May 21)

While there's no debating the good fortune that comes with the presence of Jupiter in Taurus, recognising the promise of unexpected events or encounters isn't always easy. Recently, in fact, you said "no" to certain ideas or offers, only to regret it later. Revisit these. The odds are good several are still distinctly possible.

GEMINI (May 22-June 21)

The first half of this week is dominated by the exciting ideas or offers and, equally, the timely encounters triggered by the link between your ruler Mercury and the fortunate Jupiter. For now, explore absolutely every idea or encounter. Learn as much as possible. Decisions? They can, and should, wait.

CANCER (June 22-July 22)

As an intuitive Cancerian, you dislike leaving others to struggle with pointless battles. But as you'll have noticed recently, certain individuals are either not interested in advice or unwilling to welcome support. That being the case, back off. Ideally, without a word. This ensures that you avoid pointless arguments.

LEO (July 23-Aug 22)

Only days ago, you were confident that certain misunderstandings would work themselves out. They have in the past. However, the actual situation is more complex than you realise. The solution? First, ask others to tell you everything. Not only will they feel better, you'll know enough to make some helpful suggestions.

VIRGO (Aug. 23-Sept. 23)

The idea of rethinking elements of your life isn't new. You've been wrestling with the possibility of turning some of these into actions. Judging by the current planetary set-up, events may force you to turn those more swiftly. Waste no time on debate. Action is your best guide.

LIBRA (Sept. 24-Oct. 23)

You rarely think about it, but you avoid talking to some people, mostly because they can't resist drawing others into their self-serving plans. It's happened to you in the past, and could again. While you can't avoid them, you can learn to say a firm, and uncompromising "no". And the sooner you do it, the better.

SCORPIO (Oct. 24 - Nov. 22)

Long ago you learnt how risky it is to agree with or go along with a plan, just to keep others happy. However, recent events have cornered you into making compromises. You're now realising how unwise this was. The solution? Discuss the problem, and any potential solutions, with the individuals involved.

SAGITTARIUS (Nov. 23-Dec. 21)

You don't think of yourself as being idealistic until you encounter people such as those you've been meeting recently. They've been drawn into your life by others you don't know well. Whatever the reason, take advantage of this chance to broaden your horizons through spending time with them.

CAPRICORN (Dec 22.- Jan. 20)

As you've undoubtedly noticed, you're not alone in being in a period of twists and turns. While you could assume these are because of unwise plans, they're actually destiny encouraging you to break habits so deeply entrenched that it wouldn't occur to you to change these. The sooner you do it, the better.

AQUARIUS (Jan. 21-Feb. 19)

If you're feeling restless, it's no surprise. While, ordinarily, you've a knack for including something to keep your restless mind occupied, even you are overwhelmed. This is one of those tricky periods when visits to the past are helpful. If you can't go to the actual places, you can at least reminisce with others about them.

PISCES (Feb. 20-Mar. 20)

You don't think of yourself as an idealist until you begin talking over plans and, especially, the outcome you're hoping for, with others. True, it may take a while to fully understand the resulting discussions. Still, what you learn in the process of putting the facts in order will, alone, revolutionise your perspective on what's possible.

How to Watch All New Christmas Movies this Year

The mood is right, the spirit's up, and Hallmark, BET+, Lifetime, Netflix, OWN, Great American Family, and even more networks and streamers are here to make sure that everyone is simply having a wonderful Christmastime.

Get ready to officially step into Christmas in over 105 brand new holiday films, which will air from October (sorry, Halloween!) all the way until Dec. 24. From holly jolly holiday heists (The Naughty Nine) to mistletoe meet-cutes (Mistletoe Match) to straight up ho-ho-horror, there's truly something for everyone on this year's snow-filled schedule.

WHATEVER IT TAKES - **How to watch:** Dec. 21, BET+. **Cast:** Tami Roman, Kandi Burruss, Brely Evans, AJ Johnson, Rayan Lawrence, Kendrick Cross, Stevie Baggs Jr, and Zuri James. **Official description:** "It's Thanksgiving weekend, snow is falling, Christmas is on the horizon and the promises of the New Year are near. Navigating careers, life and the nuances of friendship, five women bond over the imperfections in their love lives. The holidays bring some of them their greatest wishes and others their most profound losses."

MIRACLE IN BETHLEHEM, PA - **How to watch:** Dec. 21, 8 p.m. ET/PT, Hallmark Movies & Mysteries. **Cast:** Laura Vandervoort, Benjamin Ayres. **Official description:** "Successful and fiercely independent, Mary Ann Brubeck (Vandervoort) adopts a baby girl to raise on her own just before Christmas. Due to weather, she and the baby get stuck in Bethlehem, Pa., for the holidays. When there is no room at the inn, her only option is to stay with the innkeeper's brother Joe (Ayres), a quintessential bachelor who lives in a house that he treats like a barn. As Mary Ann learns the value of community by spending time with Joe's family and participating in the local church's Christmas events, Joe starts getting his act together with new motivation... and the two begin to see each other in a new light."

A ROYAL CHRISTMAS HOLIDAY - **How to watch:** Dec. 23, 8 p.m. ET/PT, Great American Family. **Cast:** Brittany Underwood, Jonathan Stoddard. **Official description:** "In search of her big break, a reporter (Underwood) arranges a Christmas interview with a European Prince (Stoddard) visiting the states. Will the reporter's big story become her love story?"

CHRISTMAS REVISITED - **How to watch:** Dec. 23 at 9 p.m. ET/PT, OWN. **Cast:** Tanyell Waivers, Jaime Callica. **Official description:** "A group of old college friends gather for Christmas at their recently deceased friend's mountain cabin as old resentments, secrets, and unexpected romance blossom."

MOM'S CHRISTMAS BOYFRIEND - **How to watch:** Dec. 23 at 10 p.m. ET/7 p.m. CT, Lifetime. **Cast:** Jeananne Goossen, Zach Smadu. **Official description:** "Precocious 10-year-old Lily Morgan (Ai Barrett) enters a writing contest about her Christmas wish. She wishes that her single mother, Emma (Goossen), finds love and a father for Lily whom Emma adopted as an infant in China. After winning the contest, will Lily's wish come true?"

A CHRISTMAS LETTER - **How to watch:** Dec. 24 at 7 p.m. ET/PT, UPTv. **Cast:** Colin Mochrie, David Lipper, Enrico Colantoni, Glenda Bragzana. **Description:** "A Christmas Letter is a modern love story meets epic adventure that ultimately brings a family together, with an uplifting, feel-good look at how the spirit of the holidays – and help from some pro hockey players – can unite a community and new-found friendships. This is a tale of how love, compassion and a little Christmas sparkle can bring us together when we need it the most."

NUTRITION, WEIGHT LOSS & FITNESS

IT'S A PEPPERMINT TIME OF YEAR

Today, peppermint is promoted for irritable bowel syndrome (IBS), other digestive problems, the common cold, sinus infections, headaches, and other conditions. Peppermint oil is promoted for topical use (applied to the skin) for problems like headache, nausea, muscle aches, joint pain, and itching. Peppermint's flavor is similar to spearmint, but it packs a more potent punch with spicy notes (hence the pepper in the name). Peppermint contains several chemical compounds that define its flavor and aroma, including menthol, menthone, and eucalyptol. The anti-inflammatory, anti-bacterial properties of peppermint help cure the growth of bacteria in the mouth further preventing infections.

It is an amazing treatment for post tooth-extraction. Peppermint has a calming and numbing effect. The usual dose of peppermint oil for adults and children aged 12 and over: 1 capsule taken 3x a day until your symptoms get better. You can increase this to 2 capsules, taken 3 times a day, if 1 capsule has not helped your symptoms. Do not take it for longer than 2 weeks unless prescribed by a doctor.

Name and location of venue: Nucky's Kitchen and Speakeasy and Ventnor Square Theater is located at 5211 Ventnor Avenue in Ventnor City.

Hours of Operation: We are open Monday - Wednesday from 4pm-Close, Thursday - Sunday from 12pm-10pm with Happy Hour from 3pm - 6pm.

What does your venue specialize in? The complete night out! Nucky's is perfect if you are looking for something a little more exciting. Nucky's is a speakeasy styled restaurant, with a prohibition era speakeasy lounge downstairs and fine dining upstairs. Perfect for a date night, a group of friends or for a family night out. Nucky's offers live music entertainment weekly plus is connected to the Ventnor Square Theater depending on what type of evening you are up for Nucky's has you covered!

What is the current reason one MUST come to your venue? One MUST go to Nucky's because the Greater Atlantic City Concierge Association has partnered up with Nucky's for a fundraiser. The Greater Atlantic City Concierge Association are selling tickets that are good for dinner and a movie. The dinner includes an appetizer, an entree and a soft drink! This certificate is only \$35. Proceeds go to Greater Atlantic City Concierge Association's Scholarship fund, providing scholarships for elite hospitality students in our local area. Also, don't miss their Holiday Pop Up Bar "Miracle on Ventnor Ave!" See specialty drink menu below.

What is your secret favorite that the crowds have yet to discover? Many do not realize that you can order your food from the kitchen and bring into the Ventnor Square Theater. Although, it is recommended to enjoy the atmosphere of each part of a complete evening; the dining at Nucky's whether upstairs or downstairs, and enjoying a movie... in any order. However, if tight with time or just want to enjoy a movie while chowing down, being able to bring your dinner inside is a great option!

What are some recommended dishes and drinks? If dining downstairs The Nucky is quite satisfying- a perfectly seasoned burger with a drippy egg! Another must is the Classic Chicken Parm but made the Nucky way-of course- with shrimp and blush sauce! Yum! And to drink right now is the Candy Cane Chocolate Martini made with Mama Bella Peppermint Liqueur!

Why is your venue a necessary part of Atlantic County? Nucky's is a perfect addition to our area as it brings awareness of our history and Atlantic City and surrounding areas part during the prohibition era for those who may not know and gives those who already know the history that sense of connecting to something strong from our past.

What are some other special reasons to come visit? Nucky's Happy Hour is always a great reason for a visit to Nucky's which includes a variety of drinks and appetizers. Check out social media links (below) for their updated Happy Hour menu since it changes. For entertainment: live music, comedians and movies! Check out their social media for a schedule of who is playing or performing. Currently, besides latest released movies they are showing a holiday favorite: Love Actually at the Ventnor Square Theater.

Please share any important information locals and visitors should know about. If you are interested in purchasing a Nucky's fundraiser gift certificate for yourself since it is such a great deal or for a gift for someone since 'tis the season' please reach out to Jeanine from GACCA at 609-437-5543. See photo to the left for appetizers and entrees included.

Festivus – December 23, 2023

Festivus is on December 23 and it's perfect for those who don't have a traditional holiday to celebrate. Although it sounds paradoxical, its purpose makes a lot of sense. Not everyone has a major holiday to celebrate like Christmas, Hanukkah, or Kwanzaa and they can feel left out. This holiday gives many people a non-denominational and non-commercial holiday to call their own. Festivus is for everybody!

HISTORY OF FESTIVUS

The world was made aware of Festivus in a "Seinfeld" episode. TV Writer Dan O'Keefe's father, Daniel O'Keefe, found a reference to an obscure holiday and celebrated it in 1966. At the time, he was doing research for his book "Stolen Lightning" which explored astrology, cults, and paranormal activity. He chose the date of December 23 to celebrate it because it was the anniversary of his first date with his wife.

In the 1997 episode of "Seinfeld" titled, "The Strike" George Costanza is the one who celebrates Festivus. The holiday was created by his father Frank and they celebrated it throughout George's childhood. Instead of a tree or menorah, an aluminum pole was the symbol of Festivus. They'd have a dinner of meatloaf as the main course and afterward, they had "Feats of Strength" and "Airing of Grievances" traditions. In the latter, people could bring up what disappointed them about the previous year's gifts.

Because of the show's popularity and the catchphrase "A Festivus for the rest of us," Festivus took on a life of its own. People related to the message of inclusion and the zaniness of it all and created their own traditions from it. In 2004, Dan confessed that the real tradition was even more peculiar than on the show. There wasn't a pole, but there were airings of grievances that they recorded on a tape recorder.

In 2009, Dan O'Keefe gave further insight into the famous catchphrase. "A Festivus for the rest of us" was a family Festivus motto. After the death of his paternal grandmother, it took on the positive meaning of looking towards the future and a reminder to appreciate life and the living.

HOW TO CELEBRATE FESTIVUS

- **Reenact the traditions from the show** - The traditions of Festivus in "Seinfeld" are good for a laugh. Construct an aluminum pole and display it prominently as you have meatloaf on a bed of lettuce with your family and friends. Show off your strength with an (arm) wrestling match then playfully air your grievances. If you're uninterested in any of these games, per the rules you can decline participation as long as you have something better to do.
- **Make your own traditions** - The best thing about Festivus is that by its very nature it doesn't subscribe to any one set of traditions. This gives you the right to celebrate the holiday however you'd like. Instead of meatloaf, you can make your favorite meal, and instead of airing your grievances, everyone can tell their favorite joke. No tradition is too ridiculous for Festivus.
- **Have a "Seinfeld" Marathon** - Since "Seinfeld" is responsible for its massive appeal, it seems only fitting to honor the show itself. Have a marathon of your favorite "Seinfeld" episodes, making sure to include Festivus, and share it with your loved ones. Be warned, afterward, you'll probably be quoting the characters for days.

FIVE FACTS ABOUT FESTIVUS

1. **Google it** - Google introduced a custom search result in 2012 for the term Festivus with an unadorned aluminum pole.
2. **O, aluminum pole** - You can purchase your own Festivus pole on Amazon.
3. **Florida recognizes Festivus** - A resident of Deerfield Beach, Florida, petitioned for a Festivus pole to stand next to the Capitol building's Christmas tree and nativity scene and he won.
4. **"Seinfeld" gets social** - The #AiringofGrievances hashtag has been used to complain about various issues on social media.
5. **What might not have been** - Dan O'Keefe didn't originally want to include an episode about Festivus, but he was convinced otherwise.

"MEET THE PACK!"

The Seeing Eye Advocacy App

The Seeing Eye has developed a free app for Apple/iOS to provide information about the U.S. and Canadian laws that ensure guide dog handlers have access to public places and protect them from interference from people and other dogs. The app also contains some educational materials The Seeing Eye has developed on these topics including the Guide Dog At Work campaign and our taxi and rideshare flier.

To download the app from Apple's App Store, go to this link:
apps.apple.com/app/the-seeing-eye-advocacy/id6446094763

Or use your phone's camera to highlight this QR code:

For those of you who are Android users, we ask for your patience. The Apple app was our first step and we will begin work with our developers on the Android version as soon as we can and will let you know when it's out.

We hope this will be a useful resource for those of us who are guide dog handlers; guide dog instructors who want to know the laws when they are traveling with dogs and working in the field with students and graduates; business owners; dog owners who want to know how to manage their pet dogs around guide dogs; and anyone else who might need or want the information.

Download Our New Advocacy App

NOW AVAILABLE IN THE APPLE APP STORE

We could not have done this without the hard work and determination of staff and the developer we contracted with to design the app. The support and encouragement from our Seeing Eye graduate community has been invaluable during this process. This is our first version, so we appreciate your feedback and your patience. We will need to make periodic updates to fix bugs and to update information about the laws as they change. This is just the beginning.

For 39 years, the Atlantic County Toys for Kids Program has been fortunate enough to have the cooperation and sponsorship of many local businesses throughout Atlantic County. We visit the area hospitals and nursing homes with Santa to provide holiday cheer and distribute toys. Our contributions continue year-round to support local municipalities, Atlantic City Shop with a Cop, Egg Harbor Township PAL Shop with a Cop, National Night Out, Parades, Tree Lightings, Hispanic Alliance Three Kings Celebration, Shore Medical Center, Gilda's Club, Atlantic City Rescue Mission, the Center for Abused Women, Faces of Autism, St. Michael's Church and the Boys & Girls Club. We visit Shore Medical Center with Santa and his Merry Elves. We donate stuffed animals, coloring books, crayons & toys for the children in the pediatric unit. We donated over 14,500 toys during the 2022 Christmas season due to many successful toy drives.

More than ever, our amazing community will band together to help families in need. *Toys collected in Atlantic County, stay in Atlantic County.*
