# HOROSCOPE

FEBRUARY 19 - 25, 2025

## ARIES (Mar. 21-April 20)

Energy pivots midweek as Mercury encourages sharper planning around next moves. Talks about authority, goals, or timelines require clearer positioning from you. Adjust pace thoughtfully rather than pushing harder; strategy wins over speed now.

## TAURUS (Apr. 21-May 21)

Long-view plans evolve as practical details demand stronger structure this week. Conversations tied to education, travel, or commitments turn toward logistics. Refine the blueprint carefully before expanding further outward.

## GEMINI (May 22-June 21)

Shared responsibilities shift tone as Jupiter's influence urges honest review. Financial matters or emotional agreements call for realistic expectations and firm boundaries. Small corrections now prevent larger strain later.

## CANCER (June 22-July 22)

Partnership themes intensify as direct dialogue reshapes mutual understanding. Practical responsibilities meet emotional sensitivity in real time. Choose clarity over assumption so progress feels balanced and fair.

## LEO (July 23-Aug 22)

Work rhythms require recalibration as details surface that need attention. Health habits and daily systems benefit from tighter focus and fewer distractions. Streamline priorities to protect stamina through week's end.

## VIRGO (Aug. 23-Sept. 23)

Creative impulses compete with duty as the Moon highlights personal expression. Responsibilities remain steady, yet inspiration wants equal space. Protect time for enjoyment so productivity stays inspired rather than forced.

## LIBRA (Sept. 24-Oct. 23)

Domestic matters shift as conversations move from planning into decision-making. Family roles or shared spaces require practical compromise. Define expectations clearly to maintain harmony and ease.

## SCORPIO (Oct. 24-Nov. 22)

Important exchanges gain weight as timing becomes critical to outcomes. Information surfaces that changes your perspective slightly. Listen fully before responding to preserve leverage.

## SAGITTARIUS (Nov. 23-Dec. 21)

Money matters tighten focus as realistic budgeting demands attention. Commitments linked to value and worth require honest reflection. Choose sustainability over impulse to maintain steady growth.

## CAPRICORN (Dec 22-Jan. 20)

Personal objectives sharpen as feedback reveals necessary adjustments. Leadership decisions benefit from calm evaluation rather than urgency. Trust methodical progress to reinforce long-term authority.

## AQUARIUS (Jan. 21-Feb. 19)

Internal awareness deepens as reflection replaces outward noise. Patterns that drain energy become easier to identify and release. Create quiet space now to strengthen upcoming momentum.

## PISCES (Feb. 20-Mar. 20)

Collective efforts evolve as clearer roles reshape group direction. Collaboration depends on measured communication and shared accountability. Speak with confidence to maintain balance within the team.

## Girls of the Week

**Jacquelyn, Kalla, Lenox & Gigi**

Forget reservations by candlelight. This mother-daughter trio (pictured with GiGi the adorable donkey) celebrated Galentine's Day farm-style with muddy boots, crisp winter air, and a lots of furry snuggles at Straight Shot Farm in Egg Harbor City. This year they traded roses and chocolates for donkeys and cows - and it was absolutely perfect.

### BALANCING COMFORT FOODS

With the constant cold temperatures this winter, we are being pushed psychologically, as we crave foods that connect us with special times in our life — perhaps a childhood memory, trip or holiday. When food is connected to nostalgia, it provides contentment. Biologically, we crave foods that activate the brain's reward system and make us feel good. When you're stressed, your body releases cortisol (a stress hormone), which breaks down fat and carbohydrates for a quick boost of energy. That leaves you feeling hungry and craving sweet or high-fat foods.

It's important to know that cravings aren't "bad" and don't make you "weak" — you are more than the food you choose! And deprivation just makes you want those foods more. This lands you in a vicious cycle that's not good for body or mind. Remember, it's normal, healthy and desirable to eat a wide variety of foods that satisfy your needs.

Many comfort foods also contain lots of beneficial nutrients, such as protein, vitamins, minerals and fiber. Childhood favorites such as chicken soup and baked macaroni and cheese are examples of comfort foods that provide pleasure, enjoyment and nutritional value. Ah yes, let's keep the pleasure in eating! Not sure if your comfort food has nutritional benefits? Ask yourself if it contains any of the ingredients that make up a balanced meal: vegetables, fruit, whole grains, protein-rich foods such as chicken, fish, eggs, cheese, tofu, nuts and beans.

## Greater Atlantic City Concierge Association's Spotlight: Bar32

Submitted by: Judy Brenna, GACCA Communications Director  
Catering & Events Director, Blue Dog Hospitality Group

# BAR|32

ATLANTIC CITY, NEW JERSEY

If you are seeking a destination brimming with opulence, Bar32 stands as the epitome of indulgence. Located on Tennessee Ave in the heart of the Orange Loop in Atlantic City, Bar32 is a sanctuary where life's simple pleasures converge: bean-to-bar chocolate, handcrafted desserts, craft cocktails, and iconic music and art.

Inspired by the 32 bands that graced the stage at the original Woodstock, a gathering that transcended music and became an unforgettable experience, embodying the spirit of connection, energy, and camaraderie. This same ethos persists at Bar32.

Nicole Callazzo, affectionately known as Mama Chocolate, is the owner and creative force behind Bar32. Callazzo and her staff bring together cocktails, desserts, music, and chocolate in a way that feels personal and intentional. From bean-to-bar, the chocolate is produced entirely in house using ethically sourced cacao beans sourced from around the world, reflecting both care and integrity. Bar32 is redefining indulgence in Atlantic City with innovative cocktails that are unparalleled, elevating the local cocktail scene. At Bar32, chocolate serves as the foundation, but the full experience is a harmonious blend of flavor, artistry, and ambiance that cannot be replicated elsewhere.

Celebrating their 5th year in business, the newly revamped space exudes an elegant and welcoming vibrancy, enhanced by updated furnishings that complement their innovative signature chocolate and cocktail experience. It offers a relaxed after-dinner haven, where patrons can savor life's simple pleasures, delectable desserts, exquisite cocktails, and carefully curated playlists that set the perfect mood.

The GACCA had the exceptional opportunity to visit Bar32 last week, touring their recently renovated establishment. We were welcomed into the newly updated space with a variety of teas served in gorgeous teapots, instantly setting a warm and inviting tone for the evening. Their cocoa-infused blend was a standout and a subtle nod to Bar32's chocolate roots. A cheese and fruit platter followed, then a lovely spread of savory bites including miniature BLTs on croissants, egg salad and chicken salad on crostini, goat cheese with fig jam, and classic cucumber and dill tea sandwiches.

Fresh warm scones led into their famous brownies, and we ended the night with Bar32's signature chocolate martini, the perfect close to a cozy and beautifully put together evening.

Additionally, we made the official announcement for our newly elected Board President, Krista Baum, which we will elaborate upon in the upcoming weeks!

If you have not yet visited this remarkable establishment, we strongly recommend it. While Bar32 offers an exceptional a la carte menu, it also provides tastings for groups of two, four, or six individuals. Each package comprises two courses, featuring chocolate and wine that are meticulously paired to complement their respective flavor profiles. In addition, they offer a variety of thoughtfully hosted events. From weekly musical bingo nights to their popular Sunday Tea service and creative pop-up collaborations with local businesses and artists, there is always something happening that brings people together. Although their dining room operates on a first-come, first-served basis due to its limited capacity, groups of eight or more are encouraged to request a reservation.

Bar32 is part of the Orange Loop, which also includes its sister properties, Tennessee Avenue Beer Hall and Tennessee Avenue Tobacco. We highly recommend visiting them today!

### The Terminal Gene by John H. Thomas

In this gripping techno-conspiracy thriller set in 2029, brilliant geneticist Dr. Emily Harper makes a discovery that could upend humanity: the terminal gene, a hidden sequence in every living organism that predicts, with chilling precision, the exact moment of death. What begins as a stunning breakthrough becomes a question of who controls the truth - and who pays for it. Emily soon realizes releasing this knowledge could change everything - from healthcare decision-making to personal freedom.

When Helix Innovations' ambitions turn lethal, Emily and her fiancée, former paratrooper Tyler Reed, find themselves fugitives in a high-stakes game of betrayal, espionage and paranoia. With powerful enemies determined to exploit the terminal gene for profit and control, Emily must choose between protecting her discovery and exposing a shadowed conspiracy that threatens the very fabric of society. Fast-paced and thought-provoking, *The Terminal Gene* blends cutting-edge biotechnology with philosophical urgency, exploring how far corporations and governments will go to control fate itself.

# HEALTHFUL LIVING

## A Weekly Guide to Health Awareness

### YOGA POSE OF THE WEEK - Child's Pose (Balasana)

A passive twist is a classic way to end a yoga session, although there's no rule against doing this yoga pose at the beginning of your practice. The position of the legs is up to you. You can bend them both; you can straighten the Child's pose is essential because it's the position you assume whenever you need a break during a yoga class. If you feel fatigued, don't wait for the instructor to call for a break. Move into Child's pose and rejoin the class when you're ready. It provides a gentle stretch for your back, hips, thighs, and ankles, and does not challenge strength or balance.

#### CHILD'S POSE

##### TIP

Spread your knees as wide as your mat. Let your belly rest between your thighs and rest your forehead on the floor.

### VITAMIN HIGHLIGHT - Vitamin B6

This vitamin plays a role in more than 100 different reactions in your body. Some research has shown that B6 may help protect against memory loss, colorectal cancer, and PMS. It's found in many kinds of foods including leafy and root vegetables; non-citrus fruits like bananas, avocados, and watermelon; legumes; and fish, poultry, and lean meat.

## THE WORST INGREDIENTS IN COMMERCIAL PET FOODS TO FEED YOUR PETS

Submitted By  
**Patsy Nelson**  
 from The Wagging Tail

Yesterday, Bob, who does most of our food shopping, brought home a free sample bag of attractively packaged dog food called Field Trial. You will notice the three blue circles across the bottom of the bag. The first one says High quality protein to help support muscles. The second circle implies 100% complete and balanced nutrition for adult dogs. The third one shows a sparkling tooth like the food will help bones and teeth. This is to get your attention and to misguide you, because if you turn the bag over and read the first five ingredients and then the bottom three (artificial dyes) you will be viewing the real truth: the bag is full of detrimental crap. At least they did not show a picture of any meat protein, because there aren't any, nor any healthy vegetables. Only chicken flavor. The bag is, however, full of the worst possible items to feed. Not only do some cause dogs to have skin and coat issues, but liver, kidney, heart, and cancer issues. And tumor growths.

- 1. WHOLE GRAIN CORN.** It is not corn like you would eat on the cob. It is GMO corn (genetically modified) with hidden sugar. And because it is listed first in the ingredients means that it comprises the majority of what is in the bag. It is highly refined and it has been sprayed with cancer causing pesticides and may have been lying around for a year collecting mold. It spikes your pet's blood sugar levels. Since it is mostly carbohydrates (48% on average). It makes your dog fatter (like the cows that are being fed such corn) and perhaps more hyper.
- 2. MEAT AND BONE MEAL.** Don't trust a company that does not list the source of either meat and bone meal or animal fat. According to my source, some food companies may still be implementing the 4 Ds (Dead, Dying, Diseased, or Down-disabled or unable to stand) animals including zoo animals, and Pentobarbital which is used to euthanize usually cats, dogs and horses, has been found in some dog food brands. They ground them up and then cook at a very high temperature called rendering.
- 3. SOYBEAN MEAL.** This is usually a fermented, GMO, highly processed low-quality plant-based filler which affects testosterone, estrogen, thyroid and can cause digestive disorders gas and bloating. It contains anti-nutritional factors that may hinder nutrient absorption, and hormonal imbalances due to phytoestrogens.
- 4. ANIMAL FAT.** Does not include any Omegas. Does include hidden seed oils which may contain BHA and BHT which are carcinogenic and are banned in Europe.
- 5. CORN GLUTEN MEAL.** This again is a by-product meal, very cheap filler, poor absorbent and has no gluten. And can contribute to all issues mentioned above.

There are other misleading ingredients like any meat by-products which are usually the scrapings off the slaughterhouse floor. And animal digest is slaughterhouse waste. I have always said that a dog would eat cardboard if it was sprayed with animal digest.

"I usually create menus with three or four options because it is more tentative for people who can try chicken, beef, fish or vegetarian options in the same place," said Laly Acosta. Downtown Perú is closed Tuesday, and open Wednesday-Sunday 11 a.m.-8 p.m.

El Centenario is offering an appetizer sampler featuring empanadas, flautas, egg rolls, guacamole and chips with dips and salsas. "We wanted to recreate our appetizers into a combo that is easy to share with another person or a few," said Wenda Bernal, adding that customers requested something easy to order for groups. Hours are Monday-Thursday 10:30 a.m.-9:30 p.m., and Friday-Sunday 10:30 a.m.-10 p.m.

Fiesta Mexicana will feature Restaurant Week specials including chicharrón con guacamole, a seafood molcajete, a tacos de arrachera platter, and arroz con leche. Hours are Sunday-Thursday 10 a.m.-9 p.m., and Friday-Saturday 10 a.m.-10 p.m.

Fruta-Mex is highlighting tamales, strawberry cheesecake mini pancakes, and dulce de leche tres leches cake. "Our tamales are handmade by my mom... and the dulce de leche tres leches cake is a traditional Mexican dessert that I wanted to showcase to honor our roots and culture," said Miracle Ramirez. Hours are Tuesday-Saturday 10 a.m.-8 p.m., and Sunday 12 p.m.-6 p.m.

La Carreta will offer a three-course meal with a drink for \$25, starting with agua fresca and guacamole and chips, followed by an alambre platter with rice and homemade tortillas, and finishing with tres leches cake or flan. Hours are Wednesday-Saturday 10:30 a.m.-9 p.m., and Sunday 10 a.m.-8 p.m.

La Zacatecana Yadi will offer a sample tray featuring Dubai chocolate strawberry, Mexican street corn, churro sundae, and agua fresca. Hours are Tuesday-Sunday 1 p.m.-9 p.m.

Mannino's Cannoli Express is featuring a Chocolate Covered Strawberry Cannoli. "I wanted something that felt like a moment, not just a dessert," said Gabriella Mannino Tomasello, calling it romantic, celebratory, and "a little indulgent." Hours are Tuesday-Saturday 11 a.m.-6 p.m., and Sunday 11 a.m.-4 p.m.

Marquez Restaurant Grill and Bar & Marquez Mexican Grill will feature northern-style burritos and golden tacos from Jalisco. Hours are Tuesday-Sunday 10 a.m.-9 p.m.

Rocco's Town House will offer a fixed Restaurant Week menu at \$55 per person, including selections such as White Chicken Parm and Steak Au Poivre, along with items like fried olives and a roasted beets and arugula salad.
