## NUTRITION, WEIGHT LOSS & FITNESS

### APPLES STOP THE CRAVINGS

Apples can support weight loss for a few reasons: they are low in calories, rich in antioxidants, contain fiber and are naturally sweet. They promote satiety and they help to ward off any sugar cravings you may be having that can ruin all your good intentions to stay on your healthy lifestyle. Apples alone can't achieve weight loss, but you can support your goal by combining them with a healthy and balanced diet. While apples are unlikely to cause spikes in blood sugar levels, they do contain carbs. If you are counting carbs, be sure to account for the 27 grams of carbs an apple contains. Also be sure to monitor your blood sugar after eating apples and see how they affect you personally. Cooked apples are very wholesome and contribute to maintaining overall health. Best apples to use if baking are Honey Gold or Crisp, Johnston, Fuji, Gala, and Granny Smith. Add a tsp. of cinnamon to the apples and drop blood sugar even lower!

# HOROSCOPE

NOVEMBER 30 - DECEMBER 6, 2023

**ARIES (Mar. 21 - April 20)**  
It's not that you've been dishonest, as much as you've managed to avoid even discussing one particular, and troublesome, arrangement. Understandably, you fear that, judging by how difficult things are now, disentangling yourself will be very tricky. On the contrary. Simply suggest it. The rest will be easy.

**TAURUS (Apr. 21 - May 21)**  
One of your most admirable characteristics, as a Taurus, is the way in which you'll keep your word with others, even if it's inconvenient or costly to you. However, you're urged to talk things over with the individuals in question, and soon. They'll benefit from the resulting discussions as much as you will.

**GEMINI (May 22 - June 21)**  
True, it's likely you'll be exhausted by the current swift pace of events. However, this has freed you to mention plans others rejected, in some cases, recently. The trick? Suggest them again, as if they'd just come to mind. Others are unlikely to recognise them as the ideas they've only just refused.

**CANCER (June 22 - July 21)**  
Discussing plans and turning them into action is one thing. You enjoy doing it and so do others. However, you've a powerful instinct about when those changes should be turned into action, something others lack. That being the case, the sooner you discuss the timing of your plans, the better.

**LEO (July 23 - Aug 22)**  
You don't think of yourself as being demanding, of others but, also, in your own life. This is because your standards are very different from those around you. At the moment, however, several individuals share the same challenges and same objectives. Join together. Once you do, you'll realise you can achieve miracles.

**VIRGO (Aug. 23 - Sept. 23)**  
The time has come to take a break. True, with several of your plans or projects only partially completed, you may regard this as weak or as an indication you lack conviction. On the contrary, once you've paused for long enough to be able to relax, you'll return refreshed and full of energy.

**LIBRA (Sept. 24 - Oct. 23)**  
The last thing you want is to upset anybody. Yet between changes in your own circumstances and equally unsettling developments in the lives of those who're involved with the matters in question, you're juggling even simple plans. The solution? Make plans, but ensure they're flexible enough to ride out these dramas.

**SCORPIO (Oct. 24 - Nov. 22)**  
As a water sign, your feelings run deep and, equally, you've a powerful ability to sense what's coming. The problem? Not everybody understands about such feelings and, in fact, some pretend they don't exist. They may even laugh about them. Say nothing. Sooner or later they'll acknowledge the depth of their own feelings.

**SAGITTARIUS (Nov. 23 - Dec. 21)**  
If you're a typical Sagittarius, you've a low boredom threshold. In fact, you thrive on the unexpected from, being in unfamiliar places, unanticipated encounters and, especially, new ideas. You've plenty of exactly that coming your way. Waste no time trying to explain or justify your excitement to others. Simply plunge in.

**CAPRICORN (Dec 22 - Jan. 20)**  
Somebody seems determined to distract you from plans that you've not only worked hard to organise, you've been looking forward to turning them into action. Yet, you must admit, you've sensed something new, and unexpectedly exciting, is coming your way. It is. And, better yet, within days.

**AQUARIUS (Jan. 21 - Feb. 19)**  
You don't think of yourself as an intellectual, that is, somebody who, when challenging others, needs solid facts to even discuss plans. Now, however, you're facing individuals who're totally lacking in imagination. The solution? Use yours to explain what you have in mind and, in turn, to win them over.

**PISCES (Feb. 20 - Mar. 20)**  
Long ago you realised that certain people don't just thrive on disrupting moments of joy, they feel threatened by others' contentment. Tempting as it is to discuss this, adopt a different approach. Organise arrangements with others who, equally, savour disruption. It will be better for everybody, and in particular, for you.

**DINING UPDATES**

• I recently wrote about a delicious dinner that Norman and had at the Ventnor Plaza's new Provenza Restaurant-Event Center. I later tried lunch when meeting my Atlantic City friend recently.

Although quiet for a late fall weekday afternoon, people came in who may have read about Provenza.

Sue was impressed with the décor and transformation of the large space from its prior tenants. Head chef Diego Amaya recognized me and we learned that his daughter handles the social media marketing and was also our cordial server.

Although after 1 p.m., their breakfast menu is served until mid-afternoon. My \$14.99 custom omelette let me choose up to four ingredients-including two meats-, home fries and toast. My delicious mushroom, cheese and tomato omelette featured fresh mushrooms-not from a can.

Sue also enjoyed her two eggs (\$8.99), with multiple pieces of bacon (\$4) on the side. Provenza is a nice spot for a low-key friendly lunch with friends.

• For Norman's birthday earlier last month, we wanted a quieter restaurant after the summer crowds had gone. La Padella in Ventnor is a small, 40-seat BYOB dining room. We got a great booth on a platform overlooking the main dining area.

The interesting menu includes preparations not usually seen on most Italian restaurant menus. We began with delicious \$12 grilled calamari-few places do it both fried and grilled-and went right to our entrees.

Rigatoni Bolognese is among Norman's favorite pasta dishes

and La Padella's version (\$22) did not disappoint. The generous portion was filled with meat in the sauce.

My \$25 Pollo (chicken) Al Grancho was enough to share, with plenty of jumbo lump crab meat, spinach, roasted peppers in a lemon white wine sauce.

Our server Emilio was busy as the only one working the room. To show his appreciation for our patience and to honor Norman's birthday, he brought out a delicious complimentary tiramisu with a candle. It was a sweet way to end the meal.

La Padella does not charge a credit card fee. Street parking. <http://lapadellaristorante.com/>

• Two weeks ago, we had a terrific dinner at Dock's Oyster House in Atlantic City. For more than 125 years, Dock's has pleased diners with consistently good food.

No matter the weather, economy or tourist population, Docks is always crowded. Advance reservations are a must for this "happening" place. Complimentary valet parking eliminates concerns and inconvenience about street or expensive lot parking in mid-Atlantic City.

Dinner specials complemented the one-page menu that included raw bar seafood. The appetizers/soups/salads are all reasonably priced and you could easily make a meal of combining them.

As for entrees, fish and seafood dishes are priced in the \$30s; meat platters cost in the \$40s.

Of three flounder preparations, my flounder francaise special with crabmeat, spinach and tomatoes was the

best. However, the standout dish for me was the grilled octopus appetizer (\$14.50). The huge portion put many other restaurants who charge more to shame. I loved it. Chowders are also wonderful and thick.

Dock's is a noisy, festive place. <https://www.dock-soysterhouse.com/>

**GIFT CARD SPECIALS**

**ESTHETICA SALON AND SPA**- Northfield- The Center Point Plaza salon launched its month-long Holiday Gift Card Promotion last week. Until 12/24, every \$100 gift card purchase comes with a bonus \$15 certificate. Gift cards never expire, but bonus certificates-used for a product/service of \$30 or more-expire six months from the purchase date. Only one certificate per day per client. Both are activated the day after purchase, are not combinable with other offers and exclude tips. <https://estheticasalonspa.com/>

## National Christmas Lights Day – December 1

Time to deck the halls, folks, because December 1 is National Christmas Lights Day! Before the invention of electric lights, families would balance candles on the branches of their Christmas trees—a risky practice that naturally led to several house fires. Electric Christmas lights were first invented in 1880 by Thomas Edison, who promptly strung them all over the outside of his Menlo Park laboratory. Because people were initially distrustful of electricity, however, it took another several decades for the invention to catch on. And it wasn't until 1903, when General Electric began selling pre-assembled kits of Christmas lights, that electric lights became popular with people of all classes. Today, electric lights are an integral part of the winter holiday season, and certainly aren't exclusive to Christmas. As we get ready for the end of the year, let's string up our lights and celebrate. 'Tis the season, after all.

### NATIONAL CHRISTMAS LIGHTS DAY ACTIVITIES

- **Take a Christmas lights walk** - Bundle up in your winter coat and take a walk through your neighborhood to enjoy the lights on display. Or, if there's a place in your hometown that's notorious for grandiose light displays, take a trip over there to check them out. It's a great way to stay connected with your community, get exercise, and just enjoy the beauty of the winter season.
- **Coordinate with your neighbors** - If you feel like putting on a big scene with your neighbors, you can collaborate on a specific design together. Whether it's a repeated motif or an extended scene, this is a great way to exercise your creativity and have a great time with your neighbors. And as a bonus, you might end up going viral thanks to some passer-by with a smartphone.
- **Set your lights to music** - This was a trend a few years ago, but we maintain that it's still a classic Christmas project. If you've got the know-how (or know someone who does), you can set your lights to flash to the beat of your favorite song.

It's National Christmas Lights Day

### WHY WE LOVE NATIONAL CHRISTMAS LIGHTS DAY

- **They're beautiful** - There's something about the look of Christmas lights shining on a cold winter's night that captures the imagination. You're instantly transported back to your childhood, back when magic was real and life was a lot less complicated. Whether they shine against a blanket of snow or glimmer from the trunk of a palm tree, Christmas lights have their own special kind of beauty.
- **They keep you warm** - Anyone who has ever singed their hand on a bulb that's been burning too long knows this to be true. Sure, a roaring log fire might be a more efficient way to keep warm (or heck, even a furnace), but in case you don't have either of those things, curl up next to a bright strand of Christmas lights and warm on up. (Just be careful not to touch them).
- **They make a great family puzzle** - At some point during the months leading up to December, the Christmas lights will inevitably become tangled. It doesn't matter how carefully you put them away the year before—they will always be tangled when you bring them out again. So rather than be miserable and grumpy about it, gather the family together and turn the Great Untangling into a game! Build up your hand-eye coordination and your strategic thinking skills as you get

"At JFS, we continue to be thankful for the tremendous support provided by businesses, organizations, residents and so many others who donate to our annual turkey drive. JFS was committed to provide a hearty holiday meal to everyone who turns to us for assistance and our agency continues to be there for people in need throughout the year," said Andrea Steinberg, JFS Chief Executive Officer.

A special thanks to the Tighe Middle School Student Council and William Ross Elementary School third grade Spirit Patrol Leadership Club who collectively packed 85 bags of donated food for the JFS Turkey Drive.

### The Seeing Eye Advocacy App

The Seeing Eye has developed a free app for Apple/iOS to provide information about the U.S. and Canadian laws that ensure guide dog handlers have access to public places and protect them from interference from people and other dogs. The app also contains some educational materials The Seeing Eye has developed on these topics including the Guide Dog At Work campaign and our taxi and rideshare flier.

To download the app from Apple's App Store, go to this link:  
[apps.apple.com/app/the-seeing-eye-advocacy/id6446094763](https://apps.apple.com/app/the-seeing-eye-advocacy/id6446094763)

Or use your phone's camera to highlight this QR code:

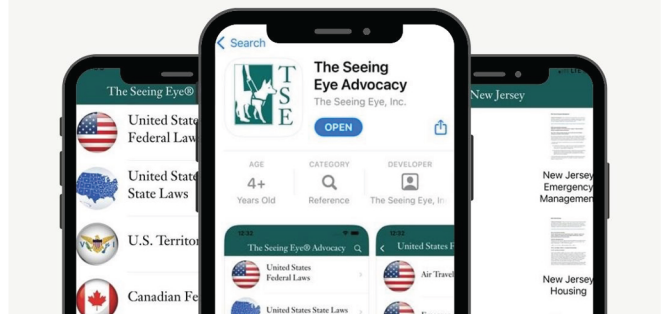

For those of you who are Android users, we ask for your patience. The Apple app was our first step and we will begin work with our developers on the Android version as soon as we can and will let you know when it's out.

We hope this will be a useful resource for those of us who are guide dog handlers; guide dog instructors who want to know the laws when they are traveling with dogs and working in the field with students and graduates; business owners; dog owners who want to know how to manage their pet dogs around guide dogs; and anyone else who might need or want the information.

## Download Our New Advocacy App

NOW AVAILABLE IN THE APPLE APP STORE

We could not have done this without the hard work and determination of staff and the developer we contracted with to design the app. The support and encouragement from our Seeing Eye graduate community has been invaluable during this process. This is our first version, so we appreciate your feedback and your patience. We will need to make periodic updates to fix bugs and to update information about the laws as they change. This is just the beginning.

You don't need a special reason to give blood.

For 39 years, the Atlantic County Toys for Kids Program has been fortunate enough to have the cooperation and sponsorship of many local businesses throughout Atlantic County. We visit the area hospitals and nursing homes with Santa to provide holiday cheer and distribute toys. Our contributions continue year-round to support local municipalities, Atlantic City Shop with a Cop, Egg Harbor Township PAL Shop with a Cop, National Night Out, Parades, Tree Lightings, Hispanic Alliance Three Kings Celebration, Shore Medical Center, Gilda's Club, Atlantic City Rescue Mission, the Center for Abused Women, Faces of Autism, St. Michael's Church and the Boys & Girls Club. We visit Shore Medical Center with Santa and his Merry Elves. We donate stuffed animals, coloring books, crayons & toys for the children in the pediatric unit. We donated over 14,500 toys during the 2022 Christmas season due to many successful toy drives.

More than ever, our amazing community will band together to help families in need. *Toys collected in Atlantic County, stay in Atlantic County.*
