HOROSCOPE

MARCH 12 - 18, 2025

ARIES (Mar. 21- April 20)

Momentum builds as lingering questions begin to resolve. Professional conversations may shift toward practical next steps rather than speculation. Focus on what can be executed now instead of revisiting past decisions. Measured progress strengthens confidence.

TAURUS (Apr. 21- May 21)

Long-term plans move closer to reality as details fall into place. Discussions tied to travel, education, or growth feel more constructive this week. Stay patient with timing while refining your approach. Consistency keeps opportunities moving forward.

GEMINI (May 22-June 21)

Financial or shared responsibilities continue evolving as new information surfaces. A clearer understanding of expectations helps reduce uncertainty. Address practical concerns directly instead of postponing them. Balanced agreements support long-term stability.

CANCER (June 22-July 22)

Relationship dynamics shift toward cooperation and renewed understanding. Honest conversations allow lingering misunderstandings to soften. Listen carefully before responding. Mutual patience strengthens trust and emotional balance.

LEO (July 23-Aug 22)

Daily responsibilities settle into a steadier rhythm as recent adjustments begin working. Small improvements to routines make larger goals feel manageable again. Stay organized and protect your energy. Consistent habits support lasting productivity.

VIRGO (Aug. 23-Sept. 23)

Creative interests regain momentum as confidence grows. Ideas that felt uncertain recently begin to feel worth pursuing again. Give yourself room to experiment without demanding perfection. Inspiration thrives when pressure eases.

LIBRA (Sept. 24-Oct. 23)

Home life moves toward calmer ground as communication improves. Practical decisions about shared responsibilities bring clarity. Focus on solutions rather than revisiting old frustrations. Stability returns through thoughtful compromise.

SCORPIO (Oct. 24 - Nov. 22)

Conversations carry greater significance as plans move toward action. Details matter more than assumptions this week. Ask direct questions and listen carefully to responses. Strategic patience strengthens your position.

SAGITTARIUS (Nov. 23-Dec. 21)

Financial priorities shift slightly as new expenses or opportunities emerge. Practical planning keeps stress manageable. Evaluate where resources are best invested. Thoughtful budgeting protects long-term goals.

CAPRICORN (Dec 22.- Jan. 20)

Personal direction becomes clearer as confidence replaces hesitation. Responsibilities may increase, but they arrive with stronger support. Stay focused on what you can control. Steady leadership earns respect.

AQUARIUS (Jan. 21 -Feb. 19)

Reflection continues to reveal useful insights about recent decisions. Allow yourself space to process before rushing forward. Quiet clarity often arrives when pressure eases. Patience prepares you for the next chapter.

PISCES (Feb. 20-Mar. 20)

Group efforts begin showing tangible progress as roles settle into place. Collaboration feels easier when expectations are openly discussed. Offer encouragement while maintaining realistic boundaries. Shared success grows through balanced participation.

World Sleep Day is celebrated every year on varying dates in March and this year, it falls on March 13. Observation found that the date ranges from March 10 to March 20. Although the date varies each year, the day it is celebrated always remains the same. The holiday falls on the Friday before the Spring Vernal Equinox. The holiday is organized by the World Sleep Day Committee of the World Sleep Day Society. The day was created to emphasize the importance of sleep and address common sleep-related issues that many people suffer from.

History of World Sleep Day

Sleep is a natural state of relaxation. It helps the mind and body regenerate and replenish themselves by suppressing muscle movement and other unused body senses. There are several phases of sleep, each with a distinct role. The disruption of any one of these phases can lead to body and/or mental ailments that affect every part of life.

The fact that sleep plays such an influential role on the mind and body brings us to the conclusion that sleep is vital thus, organizations such as the World Sleep Day Society made it their duty to create this holiday to promote the importance of sleep.

Although everyone experiences sleep, each person has a different perception of what happens when we sleep. According to some experts, sleep is a state of temporary coma that allows the body to be both conscious and unconscious.

Many people suffer from sleep-related issues that do not allow them to reach this regenerative coma-like state hindering their abilities. The World Sleep Society, which was formed in 2008, introduced World Sleep Day in collaboration with the World Association of Sleep Medicine (W.A.S.M.)

Since its inception, the goal and purpose of the day have been to spread awareness of the need to get sufficient sleep to stay healthy and bring international and local bodies together to work on sleep-related issues.

Every year, the day has been celebrated with a unique theme to support the cause. The day also educates people about different sleep disorders/solutions and encourages them to seek help.

How to Observe World Sleep Day

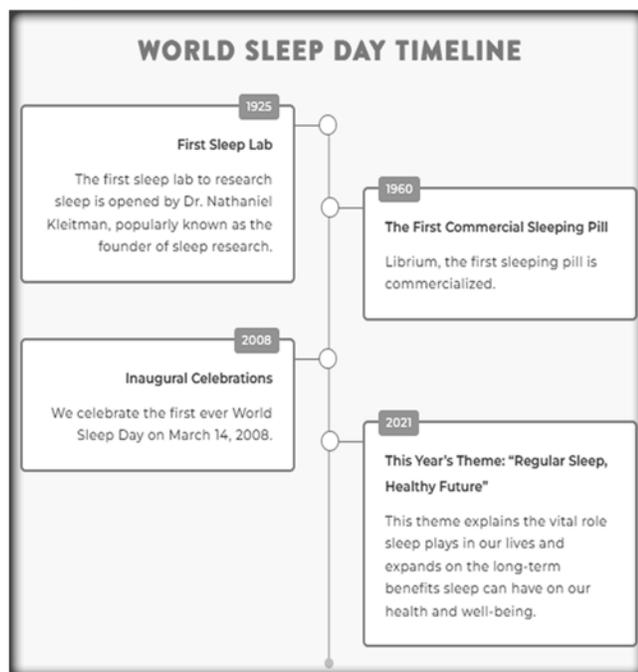

- Get proper sleep tonight - Use this day as an excuse to sleep properly and have a sufficient amount of sleep. Your body will thank you.
- Spread awareness in your social circle - If you know of a person who suffers from sleep disorders, ask him to go to a doctor and seek help. Talk about such disorders with others to spread awareness.
- Remind others to sleep properly and put their phones away - Since you will be sleeping properly tonight, encourage others to put their phones away at night early so that they get sufficient sleep too. Discuss the freshness in the morning after.

5 Facts About Sleep Everyone Should Know

- 1 - Knowledge gained in the last 25 years - Although scientists have been researching sleep and its related disorders for over a century now, most of what they have learned about the topic was only discovered in the last 25 years.
- 2 - One-third of life spent sleeping - One-third of a human's life is spent sleeping.
- 3 - Dysania - The inability to wake up naturally from a sleeping state is a condition called Dysania.
- 4 - Parasomnia - The unnatural movements of the body during sleep are known as parasomnia.
- 5 - Sleep deprivation is deadly - The body can live without food for eight to 21 days however, it can only survive for seven to 11 days without sleep.

Why World Sleep Day is Important

- The need to spread awareness - We have to spread awareness about the dangers of sleep insufficiency and its profound effect on different aspects of life. See what you can do on this day to contribute.
- Sleep disorders affect more than 50% of people - Every second person suffers from minor to mild sleep disorders, out of which 10 to 15% of people develop chronic disorders. This day aims to bring together health experts and people from the scientific community to build awareness and treatment options for those suffering from sleeping disorders.
- It's a dedicated day to sleep with an excuse - You finally have an excuse to sleep! Celebrate this holiday by getting some much-needed shut-eye. No one can fault you for sleeping in on this day.

Greater Atlantic City Concierge Association's Spotlight:
Superfrico and The Hook

Submitted by: Judy Brenna, GACCA Communications Director
 Catering & Events Director, Blue Dog Hospitality Group

If you are seeking an extraordinary evening in the city, we highly recommend experiencing the unforgettable ambiance at Superfrico and The Hook within Caesar's Atlantic City. Whether you are embarking on an outing with friends or colleagues, or a romantic date night, there is nothing more ideal than an exquisite dinner and an exuberantly entertaining show to encapsulate your perfect evening.

Begin your night at Superfrico for an Italian American culinary delight. Situated on Caesar's property adjacent to the Wild West Casino in Atlantic City, and following the signage for "The Boardwalk," you will enter through the doors marked "Horse Dive Bar" and be greeted by their box office or host team. The vibrant decor and unique dining rooms contribute to the "eclectic and cool" atmosphere while you savor delectable dishes. Culinary Director, Chef Noah Poses, guides your taste buds on a sensory journey with fan-favorite appetizers such as Fritto Misto, Arancini, Grilled Oysters, and a beloved Tableside Mozzarella. Venture into sumptuous mains like their Chicken Parmigiana, Branzino, Lobster Ravioli, Rigatoni Bolognese, and an array of Veal Chops and Steaks, complemented by an extensive selection of sides. Pair your dinner with their inventive and enjoyable cocktails, including the Butter-scotch Mezcalita, the Sexy Diablo, and the Pool Boy, all presented in delightful glassware.

Upon concluding your culinary indulgence, venture to the acclaimed spectacle, The Hook! Conceived by Spiegelworld, The Hook stands as a daring homage to the Boardwalk's golden era of entertainment. Spiegelworld, a Las Vegas-based entity founded by Ross Mollison, specializes in creating, producing, and operating immersive, adult-themed live entertainment, dining, and cocktail experiences. Renowned for its hit show Absinthe at Caesars Palace in Las Vegas, Spiegelworld crafts genre-defying productions. Its guiding principle is to captivate every guest's imagination through meticulous attention to detail, the assembly of the finest performers from global stages, and the presentation of unique and unconventional concepts. Ultimately, the world craves more frivolous amusement. Consequently, if the company is enjoying itself, its guests are likely to do the same. With a mischievous glint in their eye and a martini in hand, each evening at The Hook showcases a daring cast of captivating performers delivering jaw-dropping acrobatics that defy the laws of physics, unforgettable (and perhaps inexplicable) moments, and comedy so uproarious that it warrants a cautionary label. With a runtime of 75 electrifying minutes, The Hook presents performances every Wednesday through Sunday.

The GACCA was fortunate enough to spend an evening immersed in Spiegelworld's offerings. It was an invigorating and exceptional experience, allowing us to fully appreciate the company's diverse range of services. We commenced our evening with a sampling of their delectable cuisine and refreshing beverages, followed by the captivating performance of The Hook Show. The night was filled with networking, laughter, and the creation of lasting memories. We are profoundly grateful for this opportunity, which we eagerly anticipate sharing with our clients. This is an experience that should not be missed. Therefore, we encourage you to make your reservation for dinner and show promptly by contacting their box office at <https://spiegelworld.com/restaurants/superfrico-atlantic-city/>.

Ticking Clocks and Slow Blooms

Death at a Firefly Tea by Laura Childs

As fireflies dazzle like tiny glowing lanterns, tea maven Theodosia hosts an elegant evening tea on the patio of the Tangled Rose B and B. But in this gentle darkness, an intruder has slipped deadly drugs into the baked Alaska of Mrs. Van Courtland, one of Charleston's grande dames. Shocked by this brazen act, Theodosia begins her own shadow investigation and soon finds herself at odds with a greedy developer, questionable residents of Honey Badger House, and a housekeeper who knows all the secrets. It's only at the black-tie Starry Night ball that Theodosia stumbles upon the killer and is pulled into a dramatic life-and-death chase.

Death at a Firefly Tea is a perfect pick for cozy mystery lovers who enjoy food-themed capers. Kirkus writes: "A charming mystery full of surprises, recipes, hints for throwing unusual tea parties, and a stellar cast of characters." Purchase at <https://amzn.to/4sjWot4>.

Former Blackhawk pilot, now forensic psychologist Dr. Cassidy Chord survived the blast that destroyed her leg, but nothing's prepared her to pit wits against a foe turning random civilians into walking weapons. The terrorist has stalked and studied Cassidy, engaging her in his sick game - leaving her gifts, clues and disappearing pictures and emails that turn her from FBI consultant to suspect. As attacks escalate across Los Angeles, Cassidy goes rogue because anyone can be next. Anywhere. Anytime. If you're marked, you're already gone. Tick. Tick. Tick. BOOM. HEALTHFUL LIVING

A Weekly Guide to Health Awareness

YOGA POSE OF THE WEEK - Mountain Pose (Tadasana)

Mountain pose may not be as famous as Downward Facing Dog, but it is equally important. For good alignment in Mountain pose, imagine drawing a straight line from the crown of your head to your heels, with shoulders and pelvis stacked. Every person's body is different, so focus on rooting down with your feet and lengthening your spine. Your teacher can talk you through this yoga pose in class, reminding you to slide your shoulders down your back and keep weight on your heels.

VITAMIN HIGHLIGHT - Vitamin C

Once you have cold symptoms, drink orange or grapefruit juice to help yourself stay hydrated. Your symptoms may not go away any sooner, but staying hydrated can help you feel better while your symptoms run their course. Your body also needs vitamin C to help your bones, skin, and muscles grow. You'll get enough by including bell peppers, papaya, strawberries, broccoli, cantaloupe, leafy greens, and other fruits and veggies in your diet.

PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

Friends for Life: Sydnee, Reed, & Saturn

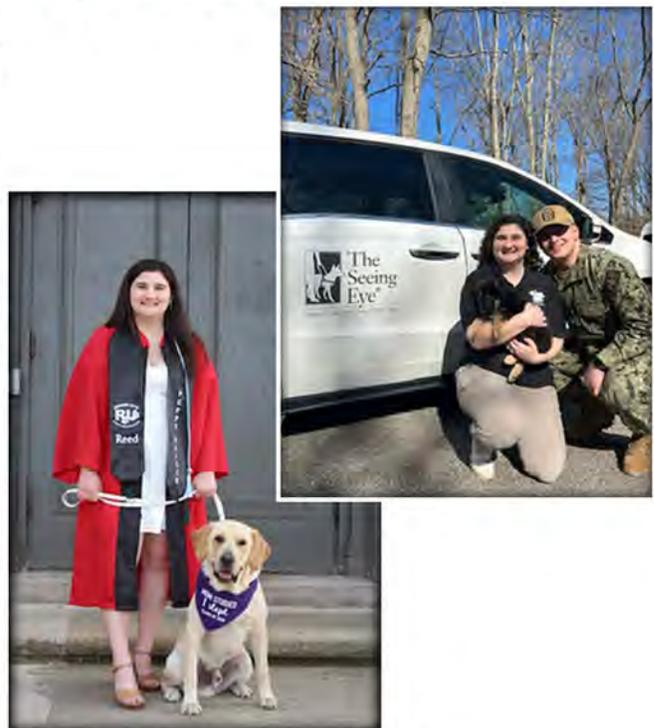

"Raising Reed was absolutely the best part of college for me. Seeing him grow, learn new skills, and behave like a good future working dog at our club outings made me so proud," said Seeing Eye puppy raiser Sydnee Leaver about her first Seeing Eye puppy.

Sydnee was first introduced to puppy raising through the Rutgers puppy club. Even after graduating from college, she wanted to continue raising puppies, so she joined her local county puppy club and is currently raising puppy #2, Saturn, a German shepherd.

"I love to see Saturn learn his commands and experience new things on exposure outings. I can't wait for the day I get to see him harness, guiding his instructor through the streets of Morristown."

"The amazing fellow club members, Seeing Eye staff, and graduates I have met through being a puppy raiser are some of the kindest and amazing people. I have made great friends for life through the puppy raising program."

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit seeingeye.org/raise for info.

MEAN GIRLS JR.

Bonilla Vocal Academy will present the hit musical Mean Girls Jr. this weekend at Atlantic Cape Community College, bringing the popular Broadway-inspired comedy to life with a talented local youth cast.

Performances are scheduled for Friday, March 13 at 7 p.m.; Saturday, March 14 at 2 p.m. and 7 p.m.; and Sunday, March 15 at 2 p.m. Doors open 30 minutes before showtime, and tickets are \$15, available at the door only with payment accepted by cash or Venmo.

Based on the iconic 2004 film and the later Broadway adaptation, Mean Girls Jr. follows the story of Cady Heron, a teenager who moves from Africa to suburban Illinois and quickly discovers the complicated social hierarchy of high school life. As Cady navigates friendships, rivalries, and the infamous "Plastics" clique led by Regina George, the story blends humor with themes of self-identity, kindness, and the importance of staying true to yourself.

The production features a rotating cast of young performers, with some roles split between two actors across the weekend's performances. Students from throughout the region take on the musical's energetic dance numbers and comedic scenes, guided by Bonilla Vocal Academy's training in vocal performance and stage presence.

Among the principal roles, Simone Corrado and Harper Walker-Wiley share the role of Cady Heron, while Elaina Hines and Erin Dawson portray outsider-turned-ally Janis Sarkisian. The Plastics are led by Lily Angelo and Kate Hathaway as Regina George, joined by Daniella LeRose and Ryleigh Craig as Gretchen Wieners and Brielle Kinghorn and Maddie Christopher as the lovable Karen Smith.

The show also features standout performances from RJ Denshuick and Declan Kardzhilova as Damian, Michael Crane as Aaron Samuels, and a wide ensemble cast bringing the halls of North Shore High School to life.

Bonilla Vocal Academy productions are known for giving young performers an opportunity to gain stage experience while showcasing the creativity and dedication of local students. With upbeat music, sharp humor, and a message about friendship and authenticity, Mean Girls Jr. promises an entertaining weekend of theater for families and fans of the beloved story.

For theatergoers looking for a lively community performance, this production offers a chance to support local talent while enjoying a fun and familiar musical on stage.

FREE CONFIDENCE & LEADERSHIP WORKSHOP

Families looking for a positive and engaging activity for younger children will have the opportunity to attend a free Confidence and Leadership Workshop at AmeriKick Egg Harbor Township on Saturday, March 14 from 9:30 to 10:15 a.m.

The workshop will take place at AmeriKick EHT, located at 6701 Black Horse Pike, and is designed for children ages 5 to 7. The event is open to both AmeriKick members and non-members, giving families throughout the community a chance to experience the program.

During the 45-minute session, instructors will guide children through activities focused on building self-confidence, empowerment, and leadership

Free Confidence & Leadership Workshop for Young Kids at AmeriKick EHT

skills in a supportive and energetic environment. Through age-appropriate drills, games, and interactive exercises, kids will learn how to communicate clearly, work as part of a team, and develop a stronger sense of self-belief - all while having fun.

AmeriKick, a nationally recognized martial arts organization, is known for combining traditional martial arts training with life-skills education. Many of its programs focus on character development, teaching students lessons in discipline, respect, perseverance, and leadership alongside physical training. Programs like the upcoming workshop are designed to introduce those concepts in ways that are accessible for younger children who are just beginning to develop confidence in social and school settings.

Local instructors say activities such as these workshops can help children learn to speak up, try new challenges, and develop positive habits that extend beyond the training floor. Parents also get the chance to see how martial arts programs can support personal growth, focus, and healthy physical activity.

The March 14 event offers families a simple way to explore the AmeriKick approach while giving children a fun and encouraging start to their weekend. Because the workshop is free and open to the public, organizers encourage early arrival.

AmeriKick Egg Harbor Township is located at 6701 Black Horse Pike in Egg Harbor Township. For families interested in attending, the workshop runs from 9:30 to 10:15 a.m. and welcomes children ages 5-7, regardless of experience.

All are welcome to attend this FREE program to accompany the exhibition Camp Boardwalk: Atlantic City During World War II, on view at the Noyes Arts Garage of Stockton University through March 29, 2026.

Author Stephanie D. Hinnershitz of *The Camps and Coerced Labor during World War II (Politics and Culture in Modern America)* will be leading this virtual program. It will begin on Friday, March 20 at 4:00 p.m.

About Camp Boardwalk: Atlantic City During World War II:

Curated by Dr. Patricia Chappine, in collaboration with the Atlantic City Free Public Library, Millville Army Air Field Museum, Sara & Sam Schoffer Holocaust Resource Center, Atlantic County Historical Society, and the National Guard Militia Museum of New Jersey.

About the exhibition:

During WWII, Atlantic City, NJ became an essential part of the war effort, earning it the nickname "Camp Boardwalk." The Army converted major hotels into a military training and redistribution area and established the Thomas M. England General Hospital, a recovery and rehabilitation center for injured soldiers. The community mobilized its resources for Civilian Defense, calling on local men and women to be air raid wardens and airplane spotters. Women volunteered for the USO and the Red Cross, joined the military and worked as nurses. African American men and women served in the military, worked in the defense industry and volunteered on the home front. This exhibit showcases the wartime narrative of Atlantic City, connecting the stories of the men and women who trained, worked, recovered and volunteered there.
