HOROSCOPE

JANUARY 6, 2022 - JANUARY 12, 2022

ARIES *(Mar. 21- April 20)*
Social events held in your home will be successful and entertaining for all. Don't exhaust yourself or minor health problems will set in. You need to sit back and enjoy. Children may be less than honest with you.

TAURUS *(Apr. 21- May 21)*
You should look into making some physical changes, such as new hair color or toning up your body. It might be best not to spend your money on luxuries this week. Education may be the answer. New love connections can be made through group associations.

GEMINI *(May 22-June 21)*
Look into alternatives that would better suit both your needs. Romantic opportunities will develop through friends or relatives. Cultural activities will prove to be quite enlightening for everyone. Risks will not be profitable.

CANCER *(June 22-July 22)*
Take time to do some writing, whether it's correspondence, poetry, or keeping a journal. You can help a close friend find solutions to personal problems. There will be hidden matters that you may find disturbing. Pleasure trips or friendly get-togethers will be satisfying and intellectually stimulating.

LEO *(July 23-Aug 22)*
The only thing you'll accomplish is a bad reputation. Your mate may not be too sure about your intentions. Make a point of working on yourself. Accept the inevitable, and opportunities for advancement will follow.

VIRGO *(Aug. 23 -Sept. 23)*
You may have difficulties finishing projects you start. Relatives may play an important role in your social activities. You can buy or sell if you're so inclined. You are best to work behind the scenes on projects that require detail or precision.

LIBRA *(Sept. 24 -Oct. 23)*
You will have to face each issue separately and in person. Do what you can to help them but don't neglect your own family. You will have excellent ideas for changing or renovating your home. Make arrangements to meet friends at your local dance club.

SCORPIO *(Oct. 24 - Nov. 22)*
Be prepared to meet new lovers through colleagues. Your dramatic approach to life has probably gotten to your mate. Try to do things with children that will enable you to bond closer to them. A lot can be accomplished if you organize your time.

SAGITTARIUS *(Nov. 23 -Dec. 21)*
Use your head and do things to your liking. Your versatile mind and common sense will allow you to come up with various solutions. Don't let peers distract you or push their work your way. You can make moves, but they won't be setting.

CAPRICORN *(Dec 22.- Jan. 20)*
Rewards for past good deeds will be yours. Your mate needs extra attention and is feeling rather insecure when you're not in sight. Your support and concern will help. You may have to explain your actions to your family. This will not be the day to have minor surgery.

AQUARIUS *(Jan. 21 -Feb. 19)*
Catch up on any correspondence you've neglected. You may have a problem with someone you live with if you don't include them in your gathering. Avoid letting children and friends borrow. Do not sign contracts or get involved in any uncertain financial deals.

PISCES *(Feb. 20-Mar. 20)*
Your desire for excitement and adventure may be expensive. Your ability to put a deal together will surprise others. Don't let others try to create unwarranted guilt if you can't meet their demands. Try to slow down, and take another look.

'ROUND THE REGION
with Sharon

By Sharon Harris-Zlotnick

Hello South Jersey:

Once again, Happy New Year. I hope yours was enjoyable.

Eagles fans in our region, like Norman and me, received a really great 2022 gift to end the weekend by securing a playoff spot in the NFL march to the Super Bowl. Fly, Eagles Fly. Sorry, Cowboys or G-Men supporters, you are outnumbered in South Jersey.

And, considering the final game against Dallas has been scheduled for this Saturday night, thousands of our readers will stay home to watch the game from the comfort of their living rooms. Others will patronize their favorite sports bars like the Vagabonds in Atlantic City and Egg Harbor Township or Maynard's in Margate. Cheering or agonizing with others can heighten the excitement or ease the pain.

Don't forget the countless area locations where you can order up a delicious meal, pizza or sub tray for you and your guests. If you are on "the Island" in Atlantic City, Ventnor, Margate or Longport, think of places like Sack-o-Subs. Angelo's Fairmount Tavern will prepare $45-$50 trays to serve four to six people.

For seafood variety, place your order at PJ Buckets in Ventnor. I recently saw co-owner Joan Foltz, who said they have adjusted their winter hours to close on Tuesday and Wednesday. That still leaves the entire weekend to savor their many bucket varieties of fresh seafood. At this time of year, think of PJs as takeout. Be sure to include Joan's fabulous cornbread in your order.

Offshore in Absecon, Vic's Subs will also fix a party tray with your favorites. If you are in Northfield, try ordering from Little Italy for great entrees to go. Down Tilton Road is La Cucina. According to their current ad, La Cucina accepts a new payment method in addition to traditional cash or cards…cryptocurrency.

You may have seen the televisions ads with actor Matt Damon promoting www.crypto.com, one of multiple other crypto currency products also endorsed by football star Tom Brady. Cryptocurrency has entered the financial payment marketplace and is slowly gaining traction.

I expect more restaurants, and other businesses, in our area will gradually join this new financial movement. It requires consumer confidence and a willingness to believe in what you cannot see. Since I knew little about it, I did some research.

Simply put, cryptocurrency is a centralized base of stored data that is used as a medium of exchange for its value. Individuals will invest their stake in cryptocurrency as a way of paying for goods or services. The specific value and transactions are stored in a ledger or record on a highly secure computerized database.

Be aware that none of this is backed up by any commodity, nor can be converted into a commodity. Because there is no tangible physical form (like paper money or coins), it stands on its own merit. Also, unlike U.S. currency issued by the U.S. Treasury, no central organization or authority has issued cryptocurrency or guarantees it.

Cryptocurrency is considered centrally issued with each new minting prior to its distribution. That provides credibility for those willing to invest.

In 2009, Bitcoin, probably the most familiar form of cryptocurrency, was released as the first decentralized version. However, cryptocurrency's increasing popularity is evident because there are now more than 1,000 different global cryptocurrencies. Supporters claim this is vital to promoting more just economies in the future.

Clearly, there is a solid audience, as there is for most new technologies. While generalities rarely work, I think these early customers will be younger, technologically savvier and less risk-averse than older generations, but who knows?

In my younger days, the concept of walking around with a small personal phone for conversation and answering most questions was unimaginable. If you use cryptocurrency, La Cucina is a great option for you to try it out on a modest scale.

Did you eat enough over the holidays? If not, January has some interesting food options. Through January 31, all Morton's restaurants, including Atlantic City, are promoting its $109 dinner for two. They are part of the Landry's restaurant group.

The menu includes four appetizers-two salads and two soups, including their fabulous onion soup. One 6-ounce center cut filet mignon is served with lobster macaroni & cheese to share. Finally, three shared desserts include hot chocolate cake, bread pudding and crème brulee. Special wine pairings are $49 per bottle.

Make your reservation soon since this is sure to fill up quickly. https://www.mortons.com/location/mortons-the-steakhouse-atlantic-city-nj/

You must be a Landry's member, but it is easy to register online at https://www.landrysinc.com/. Remember to ask for your parking voucher at Caesars garage.

ONE-DAY VOLUNTEERING OPPORTUNITY

If you have a few hours to spare this Sunday, 1/9, Jewish Family Services needs volunteers at the Somers Point Shop-Rite from 10 a.m.-3 p.m. Volunteers will distribute flyers to customers entering the store, collecting donations in a grocery cart and unloading the food at the Margate office. Any amount of time is appreciated. Contact Vanessa directly at vsmith@jfsatlantic.org or calling 609-822-1108 x 249.

FEEDBACK FROM YOU
I would love to hear your ideas/suggestions. Email atlanticcountymagazine@comcast.net. In the subject line, put FEEDBACK FOR SHARON and it will be forwarded.

NUTRITION, WEIGHT LOSS & FITNESS

STRESS AND REACHING GOALS

People tend to seek high-calorie, high-fat foods during periods of stress, though in fact, when people are stressed, their bodies store more fat than when they are relaxed. While many factors contribute to the nation's weight challenges, certain foods keep us on track and fuel our brain. Stress and anxiety become manageable once we incorporate good, healthy and productive foods to the menu. Incorporate these good foods: Brazil nuts, fatty fish, eggs, pumpkin seeds, dark chocolate, turmeric, chamomile, yogurt.

These foods are triggers. Try to stay clear of them:

Cakes, cookies, candy and pies.
Sugary drinks.
Processed meats, cheese and ready-made meals.
Coffee, tea and energy drinks.
Alcohol.
Fruit and vegetable smoothies with high glycemic indexes.
Gluten.
Artificial sweeteners.

National Blood Donor Month – January 2022

According to the American Red Cross, winter is "one of the most difficult times of year to collect enough blood products to meet patient needs." That's because of, among other things, busy holiday schedules and bad weather often resulting in canceled blood drives. Furthermore, seasonal illnesses such as the flu force potential donors to forgo their blood donations.

That's just one of the reasons that National Blood Donor Month, which has taken place each January since 1970, is such an important observance. Donating blood saves many lives and improves health for many people. According to the World Health Organization, "blood is the most precious gift that anyone can give to another person — the gift of life. A decision to donate your blood can save a life, or even several if your blood is separated into its components — red cells, platelets and plasma." Let's learn more.

HOW TO OBSERVE NATIONAL BLOOD DONOR MONTH

• **DONATE** - Not just in honor of National Blood Donor Month, but in the simple spirit of providing the stuff of life to those who need it most. Donate now. Donate again in eight weeks. Repeat.

• **INSPIRE** - National Blood Donor Month can inspire people to donate. And those donations can in turn inspire others to donate, creating an exponential increase in blood donations when and where they're needed the most.

• **LEARN AND REMEMBER YOUR BLOOD TYPE** - What's your blood type? Some examples: O positive donors are needed more often than other blood types. O negative donors are considered "universal donors." AB positive donors are "universal recipients."

5 AMAZING FACTS ABOUT BLOOD DONATIONS

• Not enough blood for all of us - According to the American Red Cross, about 38 percent of the U.S. population can donate blood — but only 10 percent actually do.

• **FILL 'ER UP WITH REGULAR — DONATIONS** - Brookhaven National Laboratory says that people who begin donating blood at age 17 and donate every eight weeks will have donated 48 gallons of blood by age 76.

• **DONATE BLOOD AND GET MEDICAL INFO** - When we donate blood, labs examine the donation for multiple infectious diseases, such as HIV and West Nile virus.

• **DOGS CAN DONATE, TOO!** - Your dog can donate blood, too. Check with your veterinarian and the Humane Society to make sure you know the local rules and regulations for this type of donation.

• **THE MULTIPLIER EFFECT IS HUGE** - Every time we donate one pint of blood, the potential is there to save three lives.

WHY NATIONAL BLOOD DONOR MONTH IS IMPORTANT

• **DONATING BLOOD SAVE LIVES** - Someone needs blood every few seconds in the United States. And more than 4.5 million Americans would die every year without lifesaving blood transfusions. National Blood Donor Month helps us remember these vital statistics.

• **IT'S THE GIFT THAT KEEPS ON GIVING** - The American Red Cross needs 13,000 blood donations every single day to maintain an appropriate blood supply. Fortunately, eligible blood donors can donate blood every eight weeks.

• **IT'S GOOD FOR DONORS, TOO** - The American Journal of Epidemiology reports that blood donors are 88 percent less likely to have a heart attack.

In keeping with the theme of how the "powers to be," in both public and private sectors, get things backward to the severe detriment of our main industry and community, this is the second in a series on what the "Wiz" calls "Back-ass-word-ness" in Atlantic City. It is a fact of life that both tourists and residents want to be and feel safe. It is a basic human trait. It is also a fact that Atlantic City has a very high violent crime rate. Research has shown a rate higher than the notorious high-crime N.J. cities of Camden or Newark.

You would think that those in charge would understand that it is very prudent and helpful to have a more robust police presence to protect tourists, visitors, guests, and residents. So why then did the "powers to be" reduce the A.C. police force from 404 to 195 in recent years? Instead of halving the force, they should have been doubling it. That is a clear example of "Back-ass-ward-ness!"

By the way, COP is an acronym for Constable On Patrol from merry old England. "A Good Street Cop" is a high accolade from one working officer to another.

When it comes to vital police services it is not only how few police officers are available to fight crime, but how they are deployed. Why do the "powers be" locate the working street officers off the Island on Route 40 where they have to go over a draw bridge to muster, report off, and respond to crime. Unlike their "street cop" counterparts, police department administrative and support personnel do not need to be located in a central area such as the public safety building at Atlantic & Iowa, across from the iconic Baltimore Grill. Why don't they place the administrators and bureaucrats back in City Hall where they once were? Furthermore, two-man radio patrol vehicles and two-man foot beats are required in a high-crime city such as A.C.

For centuries, society's answers to crime and violence were more and stronger law enforcement. Tough sheriffs and marshals tamed the old Wild West. Simply put, we need more good "Street Cops" to protect us from the bad guys, not fewer. Another reason why the "Defund the Police" movement in the face of high crime and terrorism is so very back-ass-ward and extremely dangerous.

Thus, dear readers, the threat is real and the need for security is great and growing. Law enforcement requires your support, so vote accordingly. There are many other examples of "Back-ass-ward-ness" here-a-bouts that the "Wiz" will continue to address in upcoming columns. Stay tuned.

The Newness and Possibilities of the New Year

by Joe Molineaux

A NEW YOU, A NEW ME AND A NEW YEAR FULL OF POSSIBILITIES. New Year's always seems to bring the thoughts of new beginnings. The turning of the yearly calendar can signify a fresh start. The new year is a time of potential and opportunity. We are just days out of what many in our region would agree was a difficult two years. Despite the current fears and uncertainty, hope can again take hold.

We welcome the new year with resolutions. Goals to be better and to make better decisions and choices. Rest assured we can strive to be better in some many ways throughout the year, however the new year gives us an "official" starting point or better yet a "restarting" point. We can find ways to do things better and differently. There have been and always will be fresh ideas to consider, different ways of thinking and new directions to explore as well as life strategies to undertake.

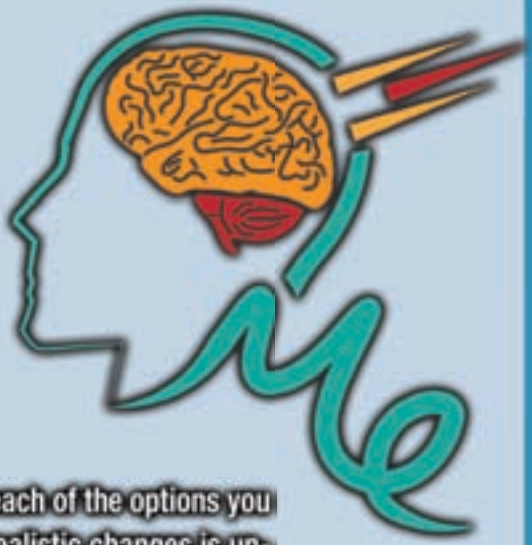
Throughout our personal and professional lives, we can incorporate and plan for new ideas and activities to work into experiencing new activities. Some of these actions can lead to meeting new people, forming new partnerships and creating fresh approaches to how we live our lives.

Taking steps to move forward requires thinking beyond present situations. A simple way to get things going is to start with "The O's of Possibility". This is a principle that I have utilized since dreaming it up many new years ago. The "O's" are Options, Odds and Opportunities. When examining what actions you may choose to take this new year, consider all three.

Continued on page 19

Continued from page 18

Options — Start by identifying and listing as many options as you may have to do things better or differently. This would include everything from major changes to minor tweaks in your business. It is especially important to focus on things that are important to you. It always surprises me that many people move away from the things they truly enjoy for any number of reasons. Focus on activities or changes that can bring you joy and happiness. When times are good, they are that much better and when times get tough happiness and joy are a good thing.



Odds — Calculating risk, as well as the reward, in undertaking each of the options you are considering. One of the keys to seeing, taking and making realistic changes is understanding if there are any risks to doing so. It has been said no true reward is without some risk. This usually holds true for decisions we make every day in life. The best we can do is to try to take calculated risks before making changes or trying something new.

Opportunities — Many opportunities to change you identify and newer ideas you generate are created based on the current conditions you have experienced or are experiencing. Trying to foresee specific conditions is tricky, because conditions, as we all know, are constantly changing. Most people are creatures of habit. Habits, daily routines and comfort levels can be difficult to change. Take time to develop different strategies based on potential changes in the way you want to live your life. If you do, ycu will find yourself with multiple options you can incorporate quickly to create opportunity based on those conditions becoming reality. And if you need help from others to begin to make the opportunities happen then try to identify and seek out the people that can assist you.

There is a downside to not working on "The O's of Possibility". What could occur is that while you sit idle in life, others continue to move forward. Playing catch up to those exploring new possibilities can be extremely difficult. You are either working toward something better or standing by waiting for something to happen. It is as simple as deciding to move ahead or staying exactly where you are right now.

Why not take the initiative and be proactive in the New Year rather than reactive to the things that will occur? A future that brings possibility is within our reach. There is no better time than today to move forward. This holds true for both the individual and the community. Collectively, we just need to believe and act like what we want life to be is possible.

It is a new you, a new me and a new year full of possibilities.

Atlantic City Free Public Library Tennessee Avenue Improvement Project to begin in early 2022

The library's William K. Cheatham Building (Main Library) – which opened in 1985 at 1 North Tennessee Ave. – will receive extensive exterior repairs and upgrades in 2022 as part of the Atlantic City Free Public Library Tennessee Avenue Improvement Project. The library has received grant funding from the first round of the New Jersey Library Construction Bond Act (ASSEMBLY, No. 222; STATE OF NEW JERSEY; 217th LEGISLATURE), which will fund 50 percent of the project cost. The library is required to provide matching funds, bringing the total project cost to $448,500. The construction phase is scheduled to begin spring 2022. The Atlantic City Free Public Library Tennessee Avenue Improvement Project includes: Cleaning the exterior limestone façade, demolition and replacement of the concrete stairs; and sidewalk, improved lighting, signage and railings, remodeling of the public bathrooms and new exterior doors. This project is part of the Library's Strategic Plan to update the Main Library facility to ensure the continued provision of critically needed training, educational and informational services to the Atlantic City community. This project is supported by funds from the New Jersey Library Construction Bond Act, administered by the New Jersey State Library.

American Red Cross

Why Donate Blood?

You don't need a special reason to give blood.
You just need your own reason.

- **Some of us give blood because we were asked by a friend.**
- **Some know that a family member or a friend might need blood some day.**
- **Some believe it is the right thing we do.**

Whatever your reason, the need is constant and your contribution is important for a healthy and reliable blood supply. And you'll feel good knowing you've helped change a life. To learn more, visit www.redcross.org

The need is constant. The gratification is instant. Give blood.™

PPAWS - People & Puppies at Work for Sight

"MEET THE PACK!"

PPAWS Annual Holiday Cookie Party

New puppy alert! Not one…not two…but THREE new puppies for PPAWS at our annual holiday cookie exchange party. Fulton (sable shepherd) is our youngest addition, joining Elliot (Felix x Inga) and Spenser (Lennox x Trudi) in the little puppy club. That means a lot of playmates — (many of them German shepherds) — for these little guys to grow up with. All puppies in attendance had fun picking out a toy from our "Pollyanna" exchange, and the humans enjoyed mounds of food and cookies.

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise puppies for The Seeing Eye. The Seeing Eye breeds puppies specifically to be guide dogs for the blind. Only dogs that are bred, raised and trained by The Seeing Eye have the right and privilege to be called "Seeing Eye Dogs." PPAWS is always looking for more people to help raise these amazing puppies. If you are interested, contact Peter at (609) 804-8774 for more information.

New Year New Crawl

Submitted by: **Judy Brenna**, Communications Director – GACCA

Yes, I know, I wrote about Happy Hour last year but, it's 2022 now so it's worth talking about some new places. By the way I just wrote "2022" and almost threw up. I've mentioned this before, I am such a creature of habit, and the concept of "change" rocks my very reality. It took me 7 months to stop writing "2020" on things, and here we are all over again ((insert eye roll emoji here)). But I digress. It's a new year ((as I lay here from my bed typing this… needles to the say the Omicrons did in fact board my ship)). Many people stayed in this New Year's Eve, whether by choice or sickened force. But because of this, humans are itching to get out there. The only problem is we all just spent a ridiculous amount of money on the holidays, so our pocket linings are bit ((et hem))thin. So, I figured an affordable Happy Hour Crawl was in order. Almost every restaurant or lounge offers Happy Hour options. I wanted to point out some that really stand out and shine and won't cause your wallet to spontaneously combust. Let's jump right in, shall we?

First and second, and are by no means strangers to me, as I rant about these two gems often, is part of the rebirth of Atlantic City and the growth of The Orange Loop, Bourré Atlantic City and Tennessee Avenue Beer Hall. Keeping the company's motto in mind, eat well and spend little, Bourré is unique to Atlantic City because it will not put a hole in your pocket, which means you can absolutely afford to add this to your Happy Hour crawl. And Tennessee Ave Beer Hall is not JUST an uber cool venue with delicious food and drinks, curated by Chef Charles Soreth, with an insane lineup of events almost every week, they also offer 2 Happy Hour times. Yes, you read that correctly. Tenn Ave offers Happy Hour Monday through Friday, 2 pm to 6 pm, and then Monday through Thursday 9 pm to 11 pm, with Jello Shots and Draft Beers and Burgers oh my! And something worth mentioning… they run this really awesome early bird brunch special on Saturdays and Sundays 10 am to 12 pm with $5 breakfast sandwiches and cocktails.

Next stop is The Chelsea Pub. Located at street level of The Chelsea Inn, The Chelsea Pub is as rich in history as its hotel counterpart, AND it's one of the last remaining billiard halls in the city. This eclectic Victoria building sits just a block away from the Boardwalk and offers specials every day until 4 am, featuring Tacos on Tuesday, and Wing Wednesdays! But the best part of this place? Their entire menu is super affordable.

Another off the boardwalk-beaten-path place is Wonder Bar, located right over the bridge on Sunset Avenue. Wonder Bar is an ideal setting for enjoying the scenery while sipping on an exotic cocktail, hard lemonade, beer, or wine. They offer weekly drink specials and happy hours from 2pm-7pm. Locals LOVE this place for their panoramic view of the bay, their great customer service, and very affordable menu items. No, seriously, every seat in the house offers a great view. Check them out.

((shameless work plug alert)) The Deauville Inn in Strathmere has some pretty impressive Happy Hour specials every Monday through Friday, and Dinner specials every Sunday through Thursday, with Wing Night on Mondays, Tacos and Quesadillas on Tuesday, Wine Wednesdays, Locals Love on Thursdays, and Surf and Turf Sundays. And, not to boast, but we also offer elevated dining experiences every month, like our Italian Series, starting this January 23rd, taking you on a tour of Tuscany, with a sommelier on hand to walk you through the wine pairing.Check it out at www.deauvilleinn.com. ((insert grin emoji here))

And just to run through a quick list of the remaining spots to add to your crawl, Duck Town Tavern offers Happy Hour specials and pricing Monday through Friday 3 pm to 8 pm with ½ off ALL appetizers and $1 off all drinks, Knife and Fork offers half priced appetizers and raw bar daily from 4:30 to 6:30 pm, and lastly, ((drum rolls)) 's Oyster House offers daily Happy Hour from 4pm to 6 pm with a crazy delicious list of discount appetizers.

In summation, my recommendation is to round up your friends and colleagues, print out a map, strategize, then get to steppin'. Until next week, Folks! #stayjerseystrong
