# HEALTHFUL LIVING

## A Weekly Guide to Health Awareness

### YOGA POSE OF THE WEEK - Triangle Pose (Utthita Trikonasana)

The Triangle can be modified like the Extended Side Angle, using a yoga block for your bottom hand if you aren't comfortable reaching your arm to the floor in this yoga pose. You can also rest your hand higher up on your leg—on your shin or thigh—but avoid putting it directly on your knee.

Don't hesitate to micro-bend both knees if this yoga pose feels uncomfortable. It won't look or feel like a pronounced bend, but rather, just enough movement to unlock your knees and ease tension in your hamstrings.

Triangle offers many benefits: Strength (in the legs), flexibility (in the groin, hamstrings, and hips, as well as opening the chest and shoulders), and balance.

### VITAMIN HIGHLIGHT - Potassium

You may think of bananas, but green leafy veggies are a better source of this mineral. It helps keep your blood pressure in a normal range, and it helps your kidneys work. Levels that are too low or too high could make your heart and nervous system shut down. You should also watch your salt, because your body needs the right balance of sodium and potassium. Snack on raw cantaloupe, carrots, and tomatoes, too.

SEPTEMBER 26-OCTOBER 2, 2024

**ARIES (Mar. 21- April 20)**  
This week, your energy is contagious, igniting a spark in those around you. Use this enthusiasm to motivate colleagues or friends, but be careful not to overextend yourself; balancing your drive with rest will ensure you maintain your momentum.

**TAURUS (Apr. 21- May 21)**  
You may feel a strong pull to focus on your finances this week, making it an ideal time to review your budget and reassess your financial goals. Consider reaching out to a trusted friend or advisor for valuable insights that can help clarify your path forward.

**GEMINI (May 22-June 21)**  
Communication is key this week, as your social skills shine brightly and draw people toward you. This is an excellent time for networking or rekindling old friendships, but be prepared to navigate potential misunderstandings, especially midweek.

**CANCER (June 22-July 22)**  
This week encourages deep introspection, making it a perfect time for self-care and reflection on your personal goals. Consider journaling or engaging in mindfulness practices to uncover insights that may guide you.

**LEO (July 23-Aug 22)**  
Your creativity is at an all-time high this week, and you're encouraged to channel this energy into projects or hobbies that inspire you. Expect to receive recognition for your efforts, especially from peers, which could boost your confidence and lead to new opportunities for collaboration.

**VIRGO (Aug. 23-Sept. 23)**  
Organization is your superpower this week, and you'll find that focusing on decluttering both your physical space and your mental load will pay off. Use this time to streamline your tasks and prioritize what truly matters.

**LIBRA (Sept. 24-Oct. 23)**  
Finding balance is essential this week, as you'll need to nurture your relationships while also attending to personal goals. Be mindful of your commitments and set aside time for loved ones, as this will bring you greater satisfaction.

**SCORPIO (Oct. 24 - Nov. 22)**  
This week, embrace the theme of transformation, as you may face challenges that ultimately serve as opportunities for growth. Trust your intuition when navigating decisions, particularly those related to your career or personal development.

**SAGITTARIUS (Nov. 23-Dec. 21)**  
Adventure calls this week, inviting you to explore new experiences, whether through travel or trying something novel in your local area. Embrace this sense of wanderlust, as it could lead to exciting encounters and unforgettable memories.

**CAPRICORN (Dec 22- Jan. 20)**  
Focus on your career goals this week, and don't hesitate to showcase your talents to those around you. This is a prime time for networking, so seek out connections that could lead to unexpected opportunities.

**AQUARIUS (Jan. 21 -Feb. 19)**  
Your innovative ideas are set to shine this week, providing you with the perfect platform to share them with others. Collaboration will be key, as working with like-minded individuals can spark fresh solutions to ongoing challenges.

**PISCES (Feb. 20-Mar. 20)**  
Emotional depth is highlighted this week, prompting you to trust your instincts when dealing with personal matters. Engaging in creative outlets can provide a wonderful way to express your feelings, offering both catharsis and clarity.

# Fishing in Atlantic County

Any angler 16 and older must have a valid license to fish the fresh waters of New Jersey. This includes privately owned lakes and other waters. For more information visit the NJ DEP Division of Fish and Wildlife Fishing License Information website at [dep.nj.gov/nj-f-w/fishing/freshwater/buy-a-license/](http://dep.nj.gov/nj-f-w/fishing/freshwater/buy-a-license/). Remember that all saltwater anglers 16 and older must register with the state. Go to NJ Saltwater Recreational Registry Program for registration information at [dep.nj.gov/saltwaterregistry/](http://dep.nj.gov/saltwaterregistry/).

## SALTWATER FISHING

**Atlantic City** - Gardner's Basin Marina, North New Hampshire Avenue and the bay, is home to charter boats, sightseeing and fishing cruises. For more information call (609) 348-2880. Fishing is permitted on the beaches, outside of guarded areas, and from the jetties. The seawall along Sunset Avenue is a popular area for crabbing or fishing from land in the back bay. A municipal boat launch (fee required) is located at Albany Avenue and Boulevard Avenue.

**Ventnor/Ventnor Heights** - The Ventnor City Fishing Pier is located at Cornwall Avenue and the Boardwalk. The fishing pier offers seasonal rates for fishing or sightseeing. For additional information, call the piermaster at (609) 823-7944. Along the back bay, a seawall the length of Winchester Avenue is perfect for the family to fish or crab from land. A free boat ramp is located on the bay on Dorset Avenue, where there is plenty of free parking. For more information call (609) 823-7900.

**Margate** - Amherst Avenue, between Decatur and Monroe avenues, is home to several marinas and bait and tackle shops, including small boat rentals. Within the marinas are dozens of charter boats available on a daily basis throughout the summer and shoulder seasons. For more information on charters call Capt. Andy's at (609) 822-0916, or for a family outing on a pontoon rental boat call Ray Scott's Dock at (609) 822-6819. Surf fishing is permitted during non-guarded hours.

Another ramp (fee required) is located at Smith's Marina, 910 Bay Ave. Along the Bay Front Historic District on Bay Avenue there are several marinas which are home to many party and charter boats. There is also a crabbing and fishing pier located on the bay off New Jersey Avenue. Restrooms are located nearby.

**Brigantine** - Surf fishing is permitted on non-guarded beaches and at the seawall, Seventh Street north to 14th Street. The old Brigantine Bridge, across Absecon Inlet from Harrah's Marina, is used as a fishing pier. A public boat ramp (fee required) is located at Sixth and Bayshore avenues on the bay. For more information, call (609) 266-1122.

**Leeds Point** - Seasonal fishing and crabbing are permitted in designated areas of both the Brigantine and Barnegat Divisions of the Edwin B. Forsythe National Wildlife Refuge. These areas include saltwater fishing (from land) at the following locations: Graveling Point, Little Beach (with permit), Parkertown Dock Road, Cedar Run Dock Road, and Stafford Avenue. Boats may be launched at the Brigantine Division's Scotts Landing boat ramp, located at the end of Scotts Landing Road, off Moss Mill Road at Leeds Point. Freshwater fishing is permitted on Lily Lake in Oceanville. For more information call (609) 652-1665.

Jewish Family Service of Atlantic & Cape May Counties (JFS) is pleased to announce the ribbon-cutting of its new state-of-the-art office, located at One Enterprise Drive in Cape May Court House. The office will provide the agency with an enhanced presence in a county where we are committed to increasing our footprint.

"As the need for programs offered by JFS continues to increase, we are committed to expanding our services in both Atlantic and Cape May Counties to meet the demand," said Andrea Steinberg, JFS Chief Executive Officer. "With our new larger office location,

JFS staff members Kristen Alzamora, Lianna Shaw, Ingrid Hartman, Naomi Jones, Lily Elsohn Whitcraft, Andrea Steinberg, Heather Riley, Samantha McManus, and Laura Rodgers cut the ribbon on the new JFS office in Cape May Court House on September 19. The 1,600-square-foot office will house eight staff members – Case Managers, Therapists, Administrator, and Associate Director – and is outfitted with a private office, two shared offices, two counseling rooms, food pantry, and a comfortable lobby area. The office will accommodate agency programs and services including Supportive Housing, Outpatient Counseling, Vocational Services, and Cape May, DCA Rural and Suburban Outreach and Transportation.

## FROM THE HEART OF ATLANTIC COUNTY MAGAZINE

The air is growing crisp, the trees are beginning to shed their leaves and pumpkin spice is on every drink menu. This month, Women's Fiction Writers Association has gathered a list of novels that hold a glimmer of magic within their pages. Whether you're looking for thrillers with a supernatural twist, romance entwined with magical realism or a high fantasy romance featuring pegasi, there's a title here for you.

**Unbecoming Emma** by Kelly Byrne - In the charmingly odd small town of Calypso Springs, Emma Rosen's once-quiet life becomes a whirlwind of magical chaos after her father's death. Curious letters and bouquets materialize from nowhere, but most baffling, her father has become their backyard willow tree.

When Cassie McCormack, the insufferable mother-tornado Emma never knew, unexpectedly arrives in town very much alive, and harboring an agenda, it's not a heartfelt reunion. Emma shuts her out, but she doesn't stay out for long. Cassie and Bob, Emma's beloved dog, both fall ill with a mysterious sickness and Emma discovers the unexpected connection between them that's brought pain to the McCormack women for generations.

Desperate for answers about how to save them, Emma unravels the mystery of her past, one lie at a time, and suddenly questions everything she thought she knew about her family and herself. With their hourglass running out of sand, they learn the key to their survival lies locked in an enchanted box. Can mother and daughter forgive the sins of the past and open it before it's too late?

**Skye, Revised** by Pamela Spradlin Mahajan - After being humiliated on a reality singing show, PR assistant Skye Peters is merely existing. She's beyond bored with her life, including her well-meaning but clueless boyfriend, Teddy. While hiding in a closet to avoid Teddy's attempted marriage proposal, Skye is inexplicably shot by a masked intruder. When she awakens, she finds herself in a strange reality where she is a famous pop star with millions of fans and a sexy Scottish husband.

## Bewitching Reads, Perfect for the Fall Season

Life seems idyllic at first, but the cracks rapidly begin to appear. Skye seeks solace in Teddy, but he doesn't know her in this new world. Will she get a second chance at her old life or is she destined to be stuck in a reality she doesn't want?

**Neena Lee Is Seeing Things** by Sheila Athens - Fifty-six-year-old Neena Lee is desperate to revive her travel writing career after a series of setbacks. She's finally sent on assignment to the remote Georgia island where John F. Kennedy, Jr. was married. She's shocked to find JFK, Jr. himself waiting for her there ... though he's been dead for twenty-five years.

The last thing Neena needs is to start seeing things, but JFK, Jr. needs her help, and it seems Neena might need his help, too.

**It Happened Tomorrow** by Susan Steggall - Forged signatures and fake 'masterpieces'... fraud is no stranger to the artworld. Dissatisfied with rural life in France, arts reporter Mal returns to Australia, where she stumbles on a different kind of fraud at a major art gallery.

Something is wrong with the man presenting as French artist Denis Denarius, whom she met at the Lyon Biennale. There, Denarius was an erudite and witty speaker. Here, in Sydney, he is hesitant, talking about his art as if by rote.

Mal flies back to France where she enlists the aid of her brother Parry, her husband Ludo, and his sister Apolline to investigate Denis Denarius. They become enmeshed in a bizarre realm of surgical transformations to create simulacra of famous artists; holograms controlled by microcomputers implanted in victim's skulls.

The stratosphere of contemporary art becomes a dangerous reality when Parry is kidnapped. The others must find him before he becomes the next guinea pig. Once today is safely in the past, Mal recognises that her tomorrows are with Ludo.

## MARLIN NAGTEGAAL & Champ

The photo shows Ontario resident Marlin Nagtegaal and his Seeing Eye dog, a German shepherd named Champ, walking past a record store in Stratford.

Marlin loves to stay busy and active. For 30 years he was a musical director at a church and taught at Wilfrid Laurier University in Waterloo, Ontario. And for the past few years, his Seeing Eye dog, Champ, has been by his side to help him navigate his hectic life. Marlin's bond with Champ, a German shepherd, is undeniable. The twosome have been on many adventures including hiking and trips to downtown Stratford. But Champ's favorite place is the train station where the engineers give him hugs and treats.

"It was like love at first sight," Marlin says, describing his initial meeting with Champ at The Seeing Eye campus. "The door opened up and Champ jumped into the room and licked my hand non-stop." Even now, Champ greets Marlin each morning by pressing his forehead to Marlin's.

Since retiring a year and a half ago, Marlin has become an active board member of L'Arche, a non-profit organization benefiting people with intellectual disabilities. He has also spoken publicly about being visually impaired and hopes to book more speaking engagements in the future. But wherever life takes him, Champ is Marlin's perfect companion. "He's an unbelievable dog. He's changed my life completely."

### SIGMUND

Meet Sigmund! This cutie is about 2.5 yrs and 17 lbs. He's an active, fun loving boy that would like to have a fenced yard to run & play in. He would like a quieter home with no small children (under the age of 10) as he's food motivated and can be nervous when adjusting to a new place. Once bonded he just wants to be your shadow!

## PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

### A CALMING PRESENCE: K9 THERAPY DOG LIAM

The Somerset County Prosecutor's Office has inducted its newest and cutest member! Liam, a two-and-a-half-year-old black Lab/golden retriever cross, recently retired from The Seeing Eye breeding program, but his career hasn't ended yet. Liam has found success with a new job as a K9 Therapy Dog.

The Coordinator of the Victim Witness Unit is currently training Liam. He is learning how to "provide comfort to victims attending the Prosecutor's Office Child Advocacy Center (CAC) and the courthouse," explains Prosecutor McDonald.

Liam will be a calming presence as survivors explain their experiences, which can be highly stressful. Having Liam by their side will help Victim Witness staff members continue to ease the stress of the victims and families they work with.

We are so proud of all the excellent work Liam will do and know he will positively impact each person he meets.

To hear updates on Liam's progress, visit: <https://www.somersetpros-nj.gov/community-page/271>

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny.

If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit [seeingeye.org/raise](http://seeingeye.org/raise) for info.

**ABOUT BIG BROTHERS BIG SISTERS OF ATLANTIC & CAPE MAY COUNTY:** Changing perspectives. Changing lives. Our agency, founded in 1965, currently serves over 200 children in Atlantic and Cape May Counties through our community and school based mentoring programs.

Our vision is that all youth achieve their full potential. To accomplish this we partner with parents/guardians, volunteers and others in the community and hold ourselves accountable for each child in our program achieving:

- Higher aspirations, greater confidence, and better relationships
- Avoidance of risky behaviors
- Educational success

Our mission: Create and support one-to-one mentoring relationships that ignite the power and promise of youth.

For more than 100 years, Big Brothers Big Sisters has operated under the belief that inherent in every child is the ability to succeed and thrive in life. As the nation's largest donor- and volunteer-supported mentoring network, Big Brothers Big Sisters makes meaningful, monitored matches between adult volunteers ("Bigs") and children ("Littles"), ages 6 through 18, in communities across the country. We develop positive relationships that have a direct and lasting effect on the lives of young people.

### Go Sober For October – October 2024

Go Sober For October is a campaign run by Macmillan Cancer Support that encourages people to quit alcohol for a month and raise funds for people battling cancer. You can go sober for 14, 21, or 31 days depending on what you are comfortable with. By observing this month, not only are you doing something great for cancer fighters, but you're also taking a step towards improving your health.

#### History of Go Sober For October

The Society for the Prevention and Relief of Cancer, which later came to be known as Macmillan Cancer Support, was founded by Douglas Macmillan in 1911 after he lost his father to cancer. In the early 1900s, cancer was still a medical mystery and there were many superstitions around it. Treatment was limited. After his father passed away, Douglas made his life's mission to improve the standards of medical care that cancer patients received.

After Macmillan died in 1960, the establishment continued his legacy and provided healthcare and support to cancer patients across the U.K. In the 1970s, the Macmillan nurses rose to prominence. In the 1980s, Macmillan Cancer Relief, as it was known then, raised a fund of £10 million for the first time. In 1996, Macmillan Cancer Relief was renamed Macmillan Cancer Support, and in 1999 it successfully convinced "The Oxford English Dictionary" to change its incorrect definition of cancer.

In 2012, an innovative approach towards Cancer treatment was initiated, and the University College Hospital (U.H.C.) Macmillan Cancer Centre was opened. Today, Macmillan Cancer Support is one of the largest charities in Britain and it provides healthcare and financial support to people affected by cancer.

The idea of going sober in October is said to have emerged when the Australian Organization Life Education organized a fundraiser named 'October' in 2010. But it caught the attention of the general public when comedian and U.F.C. commentator Joe Rogan announced in his podcast, "The Joe Rogan Experience," that he was going to take up the challenge. Since then, many celebrities have taken up the Go Sober For October challenge and inspired others to do the same.

#### How to Observe Go Sober For October

- Sign-up with Macmillan Cancer Support - Visit the Macmillan Cancer Support website and the Go Sober page to sign-up for the Sober October challenge. Ask your friends and family to donate to this cause. The money you raise will be effectively used to support cancer patients medically and financially, which will make a huge impact on their lives.
- Pledge to walk or run for this cause - Since you are already taking a step towards better health by abstaining from alcohol, why not take a step further and add some exercise to make it even better? Pledge to walk or run any number of miles you're comfortable with. Post pictures on your social media account and remind people of this challenge.
- Try something new - This would be the perfect time to experiment with things you've never tried before. Try tasting non-alcoholic drinks at the bar or try making your own. Read a book, watch a new T.V. series, meditate. The ideas are limitless!

#### Why Go Sober For October is Important

- It provides support to cancer patients - For someone battling cancer, life is hard enough. There are millions of cancer patients who need your support. Take the Go Sober For October challenge and help make a difference in the lives of these people.
- Alcohol abuse is serious - About 5.3% of all human deaths are caused by alcohol. Studies show that alcohol abuse can substantially increase the risk of developing cancer, heart ailments, and liver damage. Also, driving under the influence of alcohol kills millions of people globally every year. So go sober in October and take a break from alcohol.
- Quitting alcohol can improve your health drastically - When you quit alcohol, not only are you lowering your risk of developing chronic diseases, but you are also improving your health. Having better sleeping patterns, more energy, and a clearer head are some of the benefits of quitting alcohol. Also, you are saving loads of money that would otherwise be spent on booze!
