HOROSCOPE

MARCH 5 - 11, 2025

ARIES (Mar. 21-April 20)

Clarity builds as recent decisions begin to show real-world consequences. Professional matters require thoughtful follow-through rather than bold declarations. Refine your approach before expanding further. Precision now creates stronger long-term positioning.

TAURUS (Apr. 21-May 21)

Momentum steadies as practical goals move from concept into structure. Long-range plans demand realistic pacing and attention to detail. Resist the urge to rush visible progress. Slow, deliberate effort strengthens what you're building.

GEMINI (May 22-June 21)

Shared priorities sharpen as conversations reveal deeper expectations. Financial or emotional exchanges benefit from honest clarification. Address gray areas directly instead of assuming alignment. Transparency now prevents future complications.

CANCER (June 22-July 22)

Partnership energy remains active, with focus shifting toward compromise. Differences become easier to navigate when acknowledged calmly. Define boundaries without defensiveness. Mutual respect supports steady connection.

LEO (July 23-Aug 22)

Workflow adjustments demand patience as small inefficiencies surface. Reorganizing habits may feel tedious but proves worthwhile. Protect downtime intentionally to preserve stamina. Strong systems carry you through busy stretches.

VIRGO (Aug. 23-Sept. 23)

Creative confidence strengthens as doubt begins to quiet. Personal interests deserve consistent space within your schedule. Avoid overcorrecting minor setbacks. Balanced focus keeps motivation sustainable.

LIBRA (Sept. 24-Oct. 23)

Domestic conversations require tact and thoughtful listening. Stability grows when expectations are clarified rather than implied. Practical solutions ease emotional tension. Shared understanding restores ease at home.

SCORPIO (Oct. 24-Nov. 22)

Information arrives that reframes your strategy. Careful observation reveals leverage you didn't see before. Move deliberately rather than dramatically. Subtle shifts yield stronger results.

SAGITTARIUS (Nov. 23-Dec. 21)

Financial awareness deepens as priorities demand recalibration. Spending decisions benefit from measured restraint. Focus on durability instead of immediate gratification. Practical discipline supports future flexibility.

CAPRICORN (Dec 22.- Jan. 20)

Self-assessment sharpens as responsibilities evolve. Evaluate which commitments genuinely reflect your values. Adjust direction without second-guessing yourself. Confidence grows through intentional refinement.

AQUARIUS (Jan. 21-Feb. 19)

Inner clarity replaces lingering uncertainty. Quiet moments reveal what needs closure before progress resumes. Let go of outdated assumptions gently. Space created now prepares for new momentum.

PISCES (Feb. 20-Mar. 20)

Collaborative efforts require steadier pacing. Not every idea needs immediate action. Define roles clearly to avoid crossed signals. Collective progress strengthens when expectations align naturally.

In honor of those that turn compassion into action, Red Cross Month falls in the month of March. The Red Cross Society has been saving lives since the 1800s and is made up of volunteers who offer to help others in times of crisis. The American Red Cross came into being in 1881. Their first congressional charter was received in 1900. According to the statistics, the American Red Cross responds to an emergency every eight minutes. That means that in every 24-hour period, the Red Cross responds to approximately 180 emergencies. The Red Cross needs volunteers now more than ever, so consider donating some time or funds to the cause.

History of Red Cross Month

The Red Cross is a committee dedicated to helping people affected by war and crises, as well as anyone else in dire need of help. It is made up of fearless volunteers who make it their objective to put others' needs above their own.

The International Committee of The Red Cross (I.C.R.C.) was founded in 1863 by Henry Dunant in Geneva, Switzerland, and called for improved care for wounded soldiers in wartime. In August 1864, the first Geneva Convention was held and armies became obliged to care for wounded soldiers — whatever side they were on. A unified emblem — the now-iconic red cross on its white background — was implemented.

In 1919, following the end of World War I, the I.C.R.C. founded the League of Red Cross Societies. Later, in World War II, the Red Cross's activities expanded hugely as the organization worked tirelessly to save the lives of soldiers and civilians on both sides of the conflict. The Red Cross worked tirelessly to ship relief supplies across the globe, reaching both prisoners of war and civilians.

Since the early 1900s, the Red Cross has been giving training to other civilians. It is thanks to the Red Cross that the first U.S. civilian blood program was launched in the 1940s. Today, that program provides more than 40% of the blood products in the country.

Red Cross Month honors people like you who make the lifesaving mission of the American Red Cross possible. The celebration has been an annual tradition since 1943 when President Franklin D. Roosevelt announced that March would now be Red Cross Month.

How to Observe Red Cross Month

- Volunteer to help - The Red Cross runs with the help of volunteers from across the world. Do a selfless act today by volunteering to help the Red Cross Society near you. You can touch souls and possibly save lives.
- Donate blood - The Red Cross organizes many blood donation runs. Find out more information from your local Red Cross and pick a day to donate some blood. These donations are used to help wounded soldiers or civilians in need.
- Learn lifesaving skills - Learning a lifesaving skill is a necessity. You never know when or where you can meet someone in need of help. The Red Cross conducts training on things like first aid and CPR to help civilians learn the skills they need to possibly save a life. Book a training session today.

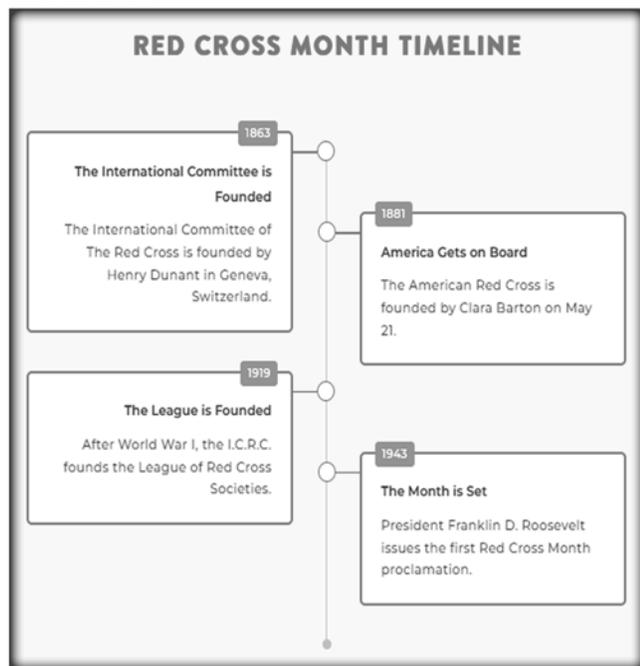

5 Important Facts About The Red Cross

- 1 - It was inspired by war - Henry Dunant witnessed the Battle of Solferino, which inspired him to form the I.C.R.C.
- 2 - Florence Nightingale didn't buy the idea - Nightingale originally thought the idea of the Red Cross was absurd and would relieve the government of a responsibility that should be theirs.
- 3 - A cross is not its only symbol - Islamic nations use a red crescent as the symbol.
- 4 - It's won more Nobel Peace Prizes than anyone - The I.C.R.C. has won the Nobel Peace Prize three times — in 1917, 1944, and 1963.
- 5 - Disaster relief efforts are 24/7 - The Red Cross Societies are constantly monitoring for disasters, ready to dispatch at a moment's notice.

Why Red Cross Month is Important

- It's a humanitarian cause - The Red Cross Society is geared at humanitarian activities and helping people in the military, as well as civilians. It's a selfless humanitarian cause that should be celebrated.
- The Red Cross is saving lives - The Red Cross is geared at protecting and saving human lives. This selfless committee is saving thousands of human lives every year through disaster relief.
- The Red Cross is protecting our military - In addition to protecting civilian lives, the Red Cross protects the lives of our members of the military. They conduct war relief to help ensure that our soldiers don't die in the line of service.

NUTRITION, WEIGHT LOSS & FITNESS

SUMMER BODY READY

Whether you want a beach body transformation for this summer or are just looking to get into better shape overall, paying attention to your health and fitness is always a good idea. Getting your body ready for summer can be more difficult for some than it is for others, and actual body transformations require some planning, commitment and sacrifice. Should you wait for summer, it may be more challenging to achieve a body that is beach-ready. Overall, fitness should not just be a goal, but a lifestyle, as working out and dieting the right way directly ties to numerous health benefits. Probably the most important aspect of getting that summer body is cutting out the junk and sticking to a balanced and healthy diet. While dieting tactics like not eating or using meal replacement shakes may work for short-term weight loss, it is extremely difficult to keep that weight off once your summer body diet is over. Instead, focus on more sustainable and regular dieting habits that will lead to long-term weight loss and health. When most people think of how to get in shape for summer, they often forget one of the most important elements — sleep! Getting seven to nine hours of sleep is essential for helping you reach your summer body, as a lack of sleep can slow down the process of getting in shape. When you don't get enough sleep, the hunger hormones, ghrelin and leptin, become imbalanced. While your body is still subject to fluctuations, weighing yourself at the same time each morning can help you get a better idea of your progress

Greater Atlantic City Concierge Association's Spotlight:
Taste Atlantic City

Submitted by: Judy Brenna, GACCA Communications Director
 Catering & Events Director, Blue Dog Hospitality Group

Atlantic City Restaurant Week got a beautiful new face lift for 2026. Taste Atlantic City, a month-long culinary celebration, will be taking place this March from the 1st through the 31st. This event will showcase the city's diverse and vibrant dining scene, featuring tiered menus, exclusive food-focused experiences, and an exciting kickoff event. Taste Atlantic City provides a delectable opportunity for both locals and visitors to savor the finest culinary offerings of Atlantic City.

Commencing this month-long culinary celebration, the inaugural event, the 11th Annual Captain's Table, will be held on February 26th from 6:00 p.m. to 8:00 p.m. during the Discover Boating Atlantic City Boat Show. In collaboration with Progressive Insurance, guests will gain exclusive access to the Boat Show at 3:00 p.m. on the event day. Throughout the day, attendees will have the opportunity to participate in seminars, interactive demonstrations, virtual simulations, and engaging activities suitable for all ages. At 6:00 p.m., guests will be treated to an exceptional evening of culinary delights, entertainment, and camaraderie, featuring exquisite dishes from a diverse selection of 31 local restaurants. Additionally, tastings will be available from six regional breweries, wineries, and distilleries. This exclusive evening will also contribute to the support of Let Us Eat, Please, benefiting the Community FoodBank of New Jersey's summer feeding initiatives for South Jersey families. Do not miss this delectable kickoff to a new era in Atlantic City's culinary landscape. Tickets can be acquired at <https://give.cfbnj.org/event/captains-table/e741488>.

During this month-long culinary excursion, Taste Atlantic City participating restaurants will be offering specially curated menus that not only highlight their unique brands and identities but also showcase the city's vibrant flavors and diverse dining culture. Discover new favorites, savor each bite, and celebrate the taste of Atlantic City with curated prix fixe menus from 71 participating restaurants. These menus include \$20 lunch options and \$30, \$45, and \$60 dinner options, all priced per person, excluding tax, beverage, or gratuity.

This is a fantastic chance to step outside and check out that restaurant you've been wanting to visit but haven't yet. Plus, the food scene is incredibly diverse! You'll find everything from laid-back American fare to upscale steakhouses, Cuban, Italian, Indian, South Asian, seafood, sports bars, taverns, and pizzerias - there's something for everyone. And this month-long event isn't just happening in the 48-block area. You can also enjoy the festivities in Ventnor, Margate, Absecon, Lindwood, Egg Harbor City, Hammonton, Smithville, Northfield, Galloway, and Mays Landing. It's a true celebration of culinary arts throughout Atlantic County.

I'm so excited to share that I've already made 4 reservations for this month's celebration, and I'm planning to add even more! I've taken this chance to explore some new places, like Shay's Bar & Restaurant at the Linwood Country Club, Freddy J's Bar & Kitchen in Mays Landing, Henri Hott's Barbeque in Hammonton, and KWI Noodle House in Caesars. I'm also keeping an eye on some of my favorite spots because their menus are just amazing. I wish I could try all 79 venues, but, sadly, there just isn't enough time in a day.

Some blackout dates will occur at some venues so to check out all the venues participating, to view their menus and schedules, and to make your reservations, visit www.visitatlanticcity.com/taste-ac today!

Why Donate Blood?

You don't need a special reason to give blood. *You just need your own reason.*

- Some of us give blood because we were asked by a friend.
- Some know that a family member or friend might need blood some day.
- Some believe it is the right thing to do.

Whatever your reason, the need is constant and your contribution is important for a healthy and reliable blood supply. And you'll feel good knowing you've helped change a life. To learn more, visit www.redcross.org

HEALTHFUL LIVING

A Weekly Guide to Health Awareness

YOGA POSE OF THE WEEK - Downward Facing Dog (Adho Mukha Svanasana)

Just because you've heard of Downward Facing Dog doesn't mean it's easy. Beginners often lean too far forward in this posture, making it more like a plank. Instead, keep your weight mostly in your legs and reach your hips high with your heels stretching toward the floor (they do not need to touch the floor). Soften your knees to facilitate the move if you have tight hamstrings. Keep feet parallel.

DOWNWARD DOG

TIP

Keep both toes pointed towards the front of your mat and sink your heels toward the floor.

VITAMIN HIGHLIGHT - Vitamin B12

Once you have cold symptoms, drink orange or grapefruit juice to help yourself stay hydrated. Your symptoms may not go away any sooner, but staying hydrated can help you feel better while your symptoms run their course. Your body also needs vitamin C to help your bones, skin, and muscles grow. You'll get enough by including bell peppers, papaya, strawberries, broccoli, cantaloupe, leafy greens, and other fruits and veggies in your diet.

Atlantic City St. Patrick's Day Parade Returns March 7

The Atlantic City Saint Patrick's Day Parade will step off at approximately 1 p.m. on Saturday, March 7, 2026, bringing thousands to the World-Famous Atlantic City Boardwalk for one of the city's longest-running and most spirited traditions.

Now in its 38th year, the non-profit parade celebrates Irish heritage while showcasing the energy and diversity of Atlantic City. Marching bands, string and pipe bands, Irish dancers, community organizations, and themed floats will line the boardwalk for a festive afternoon that draws families, visitors, and longtime locals alike. On parade day, organizers like to say, "everyone is Irish."

This year's Grand Marshal is Daniel J. Gallagher, an accomplished attorney and lifelong Atlantic City resident whose roots in the city trace back more than a century. Gallagher has served on the Parade Committee since 2021 alongside his wife, Denise, and has long been active in local civic and public institutions across Atlantic County. A Holy Spirit High School graduate and former Atlantic City Beach Patrol member, Gallagher has built a legal career

focused on municipal, tax, and public-sector law while remaining deeply invested in Atlantic City's future.

Parade organizers say Gallagher embodies the spirit of the event - tradition, service, and community pride - making him a fitting leader at the front of this year's procession.

Beyond the pageantry, the parade continues to serve as an economic boost for Atlantic City, benefiting local restaurants, casinos, small businesses, and hospitality venues along the route. More importantly, it brings together residents of all backgrounds for a shared celebration on the Boardwalk.

For those who like to parade with a crew, Maynard's is once again organizing a group for the 38th annual event. Marchers can join Maynard's Crew and enjoy DJ CrazyTrane's festive music, with \$20 covering a parade spot plus transportation to and from Maynard's. A limited number of commemorative parade badges will also be available for \$10. Spots are limited, and sign-ups are available at Maynard's - see their ad on page 12.

Runners and walkers will gather on the Ocean City Boardwalk on Sunday, April 19, 2026, for the Mosaic 5K: Run the Boards for Dementia - a community event designed to raise awareness and funding for local Alzheimer's and dementia programs across South Jersey.

The morning begins at 8:30 a.m. with the 1-mile Family Fun Run and 5K walk, followed by the chip-timed 5K run at 9 a.m. The out-and-back course offers scenic beach views along one of the Shore's most iconic stretches. Awards will be presented at approximately 9:45 a.m., with medals for the top three male and female finishers in each age group, along with overall male and female winners in the 5K.

All proceeds benefit Mosaic's local programs serving Atlantic, Cape May, and Cumberland counties. Funds support dementia and Alzheimer's resources, caregiver support services, education initiatives, and enrichment opportunities for older adults. Organizers say the goal is simple: strengthen community connections while providing meaningful assistance to families navigating cognitive decline.

Mosaic 5K Returns to Ocean City Boardwalk to Support Dementia and Alzheimer's Programs

In addition to the race itself, participants can look forward to post-race amenities including a customizable breakfast box featuring fresh, local items, race shirts (while supplies last), and complimentary parking in the municipal lot for vehicles parked before 9 a.m. Packet pickup will be available the Friday prior to race day.

Whether competing for a personal best or walking in honor of a loved one, the Mosaic 5K aims to combine movement with purpose. Every registration directly supports community-based programming, ensuring that resources remain accessible to South Jersey families affected by Alzheimer's and dementia.
