## NUTRITION, WEIGHT LOSS & FITNESS

### HEART HEALTH AND WALNUTS

Most nuts appear to be generally healthy. But some may have more heart-healthy nutrients than others. For example, walnuts contain high amounts of omega-3 fatty acids. Almonds, macadamia nuts, hazelnuts and pecans also appear to be quite heart healthy.

A serving of walnuts is roughly 1 ounce, or about 1/4 cup. However, some studies suggest eating 1.5 to 2 ounces may be beneficial to reap the health benefits walnuts offer. With this in mind, and considering walnuts are calorically dense, I recommend aiming for about a handful a day to reap their many health benefits.

Adding walnuts to your smoothies, salads, shakes, breakfast cereal, desserts and oatmeal is also a good idea. The best time to eat walnuts in summers is in the morning.

## A Weekly Guide to Health Awareness

### YOGA POSE OF THE WEEK - Staff Pose (Dandasana)

Staff pose is akin to a seated version of mountain pose (above) in that it offers alignment guidelines for various other seated poses. Engage the leg muscles and flex the feet. Lift the chest and relax the shoulders. You can also allow a gentle bend in the knees, which can create ease for the shoulders to stack over the hips. Modify by using a block or a folded blanket or two if you have trouble sitting straight with your butt flat on the floor. In a typical yoga practice, this pose leads to a forward bend. Keep your knees aligned and do not allow them to turn out. If that happens, it lessens the stretch of your hamstrings and puts the stress closer to your joints. Keep your back straight for as long as you can in the pose. This will help you get full breaths.

### VITAMIN HIGHLIGHT - Iodine

Iodine helps make thyroid hormones, which help keep cells and the metabolic rate (the speed at which chemical reactions take place in the body) healthy.

Good food sources of iodine include:  
cows' milk and dairy products  
eggs  
sea fish  
shellfish

Release the week of June 7 - 13, 2024

# HOROSCOPE

JUNE 6 - JUNE 12, 2024

**ARIES (Mar. 21-April 20)**  
An exceptional start to the first week in June includes the Venus Starpoint, Mercury/Jupiter conjunction and New Moon in Gemini which populate the ideas and projects zone of your chart. Talk about food for thought.... Just hold steady over the weekend as you pass through Saturn territory....

**TAURUS (Apr. 21-May 21)**  
There's a lot of talk about plans to enhance your worth – whether we're talking bankable or innate. So first up... connect with your inner manifestor especially at New Moon on the 6th and call it in. Never forget, one of your best qualities is your practical streak.

**GEMINI (May 22-June 21)**  
As the juggler of the zodiac you are quite used to handling a multiplicity of matters. Right now you're receiving such positive vibes together with the New Moon in your sign you're keen to move forward. Yet the weekend sends Saturn into the frame and it's all about you getting your ducks in a row.

**CANCER (June 22-July 22)**  
As you're currently in a gestation period it's important not to be in too much of a hurry to tick boxes. In fact, going carefully now will prevent mistakes and tangents from happening. Keep feeling your way knowing you're on a sure footing.

**LEO (July 23-Aug 22)**  
Of course you want to keep everyone's spirits high and generate the Leo enthusiasm to make everything the best it can be. Especially if you're at the start of a new activity or project. Yet Saturday's meeting between the Sun and stern Saturn advice caution. Meet the bottom line requirements before they meet you!

**VIRGO (Aug. 23-Sept. 23)**  
To all intents and purposes you're in a time of progression and indeed to the outside world it looks good. However, Saturn's restrictive influence is giving you some pushback over the week-end. Just a message from the universe to be inherently sensible.

**LIBRA (Sept. 24-Oct. 23)**  
Oh those scales of yours are moving up and down! Are you on the side of expansive opportunism, or anxious about making your move? This is one week when it's eminently wise to weigh up the pros and cons, give yourself some time to consider and examine situations from all angles. Greater intel would be helpful.

**SCORPIO (Oct. 24 - Nov. 22)**  
There are plenty of green lights signalling early June is your time to push forward on joint ventures that will enhance your prospects and sense of connection. But different celestial input arrives over the weekend. Clarify everything and don't allow others to push too far too fast.

**SAGITTARIUS (Nov. 23-Dec. 21)**  
You really do have to pace yourself this week as so much is going on in the relationship angle of your chart, others seem keen to fast forward on everything. That is until you reach the weekend and a go-slow appears. A reason to look at the practical side of things in advance.

**CAPRICORN (Dec 22- Jan. 20)**  
Capricorns dislike being rushed off their feet but this is exactly what's happening. It seems as if early June is when everything is happening. But Saturn arrives at the weekend to call time on too much.... Setting some boundaries that make things manageable.

**AQUARIUS (Jan. 21-Feb. 19)**  
Happy times are lifting your spirits in early June and showing you that things really can turn out for the best. Yet just as you're sprinkling your water blessings over humanity you encounter the refusenik in the form of Saturn's resistance. It's only a temporary blip.

**PISCES (Feb. 20-Mar. 20)**  
So much Gemini energy activating the most personal zone of your chart offers up fulfilment on the home/family or inner you front in early June. And if you're not there yet, the New Moon gives you a chance to plant new seeds. Effort is needed at the weekend – even if you thought it would be a breeze.

## FROM THE HEART OF ATLANTIC COUNTY MAGAZINE

by Dr. Whitney Miller, DVM, MBA, DACVPM, Chief Veterinarian at Petco

(NAPSI)—Longer, warmer days often mean pets and pet parents are spending more time together outside. Whether you're hosting a pool party, traveling or exploring the great outdoors together this summer, there are a few important things to keep in mind to ensure your pet is happy and healthy all season long:

**Keep up with routine care and protect against pests:** No matter their age, pets should see their veterinarian for routine wellness exams for preventative care, early detection and intervention. More time outside means a higher chance of bug bites and exposure to tick-borne illnesses. Maintaining a consistent flea-and-tick prevention routine is essential all year long but particularly during warmer months. Your veterinarian can help you choose the best preventative medications, shampoos and tools for your pet. For diseases such as heartworm, a single bite from an infected mosquito can transmit the disease to your pet. To help identify, treat and prevent heartworm in pets, from June 2 through 29 Petco is offering a free\* heartworm test with the purchase of select flea, tick and heartworm protection prescription medication at Vetco Vaccination Clinics and Vetco Total Care hospitals nationwide.

**Be aware of surroundings:** Warmer weather also means animals such as snakes are more active. Consult your veterinarian to determine if your pet should receive the rattlesnake vaccine. Particularly in high-risk areas, keep dogs on a non-retractable leash so they remain close by and stay aware of your surroundings. Positive reinforcement-based training can help teach your pet to be alert and stay by your side. In the event of a bite or other emergency, be sure to know where the closest emergency veterinary hospital is located and how to get there as fast as possible. Treatment plans vary based on the severity and location of the snake bite, so call ahead to ensure the hospital has the availability and proper tools to care for your pet.

**Beat the heat:** It's always important to look out for and prevent overheating and dehydration in pets, especially during the summer. Keep pets protected from the sun with a hat or tent and ensure they always have access to fresh, clean water. When out on walks, remember that hot asphalt can burn your pet's paws—if it's too hot to hold your hand on the ground for seven

## A Veterinarian's Top Tips for a Safe, Fun Summer

seconds, it's too hot for your pet. On hot days, I recommend changing your route to include cooler surfaces such as dirt or grass or invest in a pair of booties for extra protection. To prevent your pets from getting a sunburn, avoid excessive sun exposure and apply a pet-safe sunscreen to their ears, nose and anywhere else they have bare skin or thin fur. In addition, pets with thick coats should have a regular grooming schedule to remove excess fur. Petco offers grooming add-ons to a full-service bath or groom including the summer grooming package now through July 6, featuring a tropical-scented spritz, shampoo, seasonal bandana and more.

**Include pets in summer fun:** For many, a summer pool party or barbeque is not complete without furry friends. Supplies such as a pet pool, cooling vest, splash pad, ice tray, slushy treats and cooling toys help keep pets cool all summer long. For pets that enjoy splashing around, suit up in a stylish swimsuit or flotation vest. Always supervise pets around the pool, especially if they cannot swim or are older and tire easily.

**Travel safely:** Pet parents planning to bring their pets along on travel and adventures should make sure they have everything they need for the journey. An airline-approved carrier or seat belt extender will keep your pets safe and secure, while a travel bowl and calming chews and toys will help make sure they are happy and comfortable while in transit. Petco's fashion and lifestyle brand, Reddy, brings a new "On-the-Go" collection with a trendy lilac crossbody bag, complete with a waste bag dispenser and carabiner that can be easily attached to a matching lead, collar and treat bag.

**Plan for the unthinkable:** One in three pets becomes lost at some point in their lifetime. Pet parents should keep pet ID tags and microchips up to date and register their pets on Petco Love Lost, a free national lost-and-found database that uses patented image-recognition technology to help reunite lost pets with their families.

For more information on summer tips, products, services and savings, visit a Petco pet care center, petco.com or the Petco app.

### The Wildwoods, NJ Announce Stellar 2024 Summer Events Schedule Events, Festivals, Concerts, Competitions, and Celebrations on Tap for 2024

With more than 160 special events and festivals throughout the year, most of them free, some might consider the Wildwoods the "Events Capital of the East Coast." No other location in the region offers the number and variety of special events and festivals the Wildwoods offer annually.

**Why is your venue a necessary part of Atlantic City?** Opening my restaurant in Atlantic City was always a dream of mine as it's a very vibrant and busy state and the boardwalk was the right fit to be a part of the community. This is my way of bringing the flavor and providing jobs to Atlantic City.

## Homeownership: Your Best Hedge Against Inflation

Buying a home is the most expensive and important financial transaction most people will ever make. It's also the strongest tool and best hedge they will have in their portfolio to fight inflation. While money invested in a stock may go down, historically, your home appreciates in value over the long-term. And as you build equity in your home, you increase your overall net worth.

### Benefits of Owning Your Home

A fixed-rate mortgage offers a predictable monthly payment, even with the changes in tax and insurance costs.

The interest you pay on your mortgage, insurance premiums and property taxes may be deductible. Consult your tax advisor for more information.

You can make any changes and renovations you desire, without asking for your landlord's permission.

When you have a HELOC (home equity line of credit), you can tap into it for home improvements, renovations or other needs.

### Homeowners in 2022:

Gained an average of  
**\$34,300**  
in equity in the third quarter.<sup>1</sup>

Had an average of  
**\$300,000**  
in total equity.<sup>2</sup>

Sold for a median of  
**\$85,000**  
above the purchase price.<sup>3</sup>

If you are interested in a more in-depth analysis of how much your home has appreciated since you purchased it, let me know. I will be happy to create a report for you.

## Real Estate Advice You Can Trust

As a trusted, knowledgeable real estate professional, I am happy to provide advice and assistance with any of your real estate matters, before, during and after a sale. If you have a need in another area other than residential, such as second homes, investment properties or commercial properties, please let me know. If it is not something I can directly assist you with, I can certainly connect you with a real estate expert in that field.

### Connections Across the Country

I have a network of other like-minded agents throughout the country who offer the same excellent service I provide. If you plan on moving or have a family member or friend who has a real estate need in another area, please let me know. I am happy to connect you with a great agent.

We know the market can be confusing but we are here to offer dear, concise information you can trust. Feel free to contact us and we will answer any questions you may have.

### Atlantic City Free Public Library Adds Second 'Little Library' Location

In an effort to make books even more accessible to the community, the Atlantic City Free Public Library unveiled a 'Little Library' on May 4 at Absecon Lighthouse. Those who visit the lighthouse can take a book from "Lightkeeper Buddy's Little Library" – named in honor of George "Buddy" Grover, the former lighthouse keeper who passed away earlier this year at the age of 96. A Little Library is a book-sharing box that is accessible 24/7, removing barriers to book access to all members of the community. The Absecon Lighthouse is the Atlantic City Free Public Library's second Little Library location. The other Little Library opened in April 2023 at O'Donnell Park. Both were funded by the Foundation of the Atlantic City Free Public Library. Little Free Libraries promote neighborhood book exchanges in public bookcases, where people are encouraged to take a book from the box and share one for somebody else to enjoy. In addition to having a book-sharing box, both of the Atlantic City Free Public Library's Little Library locations include a bench for those who wish to read.

## BILL MEINECKE & *Wexlie*

---

Bill Meinecke of Virginia Beach, Virginia, is now working with his seventh Seeing Eye® dog, a yellow Labrador/golden retriever cross named Wexlie. The photo shows Bill with his arm around Wexlie.

But it was more than 50 years ago when he first came to The Seeing Eye. On July 13, 1969 – exactly one week before Neil Armstrong stepped onto the surface of the moon – Bill was matched with Sandra, a German shepherd.

And, just as it was in space, for Bill that first walk with Sandra was both one small step and one giant leap.

“When I first picked up the harness and said ‘forward!’, I was excited and a little scared at the same time,” Bill said. “Can I really trust this dog? That was proven to me when she took me around a big tree in the middle of the sidewalk.”

**BANDIT**

Bandit is about 11 months old and almost 40 lbs. He's a sweet social boy with some puppy energy to burn. He would be best in a home with no small children or small animals as he does act like he's trying to "herd" them and would do well with an active person that will help curb his energy into an activity. He has had some interaction with dogs here but is pretty indifferent after first meet, so he would need a meet with any potential canine companion.

## PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

### Celebrating 95 Years: June Gala Tickets On Sale

As part of our 95th celebration year, we are proud to announce Margaret E. "Peggi" Howard, D.Litt., as the recipient of the Dorothy Harrison Eustis Humanitarian Award.

Peggi is being recognized for her outstanding leadership throughout her many careers, all demonstrating a reach for a better future for humankind. She began as a licensed social worker, where her work focused on addressing food inequality and access for women, infants, and children. Peggi then moved to State of New Jersey government positions, most notably as Cabinet Secretary and Deputy Chief of Staff in Governor Kean's administration. There she worked within the government to continue to advocate for critical social programs and services, including safe and accessible childcare. After leaving state government, she served as the Vice President of Administration and University Relations at Drew University during Governor Kean's tenure there as President, and the three presidents following. She retired from Drew University in 2015.

Joining The Seeing Eye in 2009, first as a Trustee and then as Vice Chair of the Board, Peggi stepped in ably and adroitly in December 2021 during a leadership gap as Interim President & CEO and was named to the position in September 2022. Her work leading the organization out of Covid with the attendant health and safety concerns of our students, graduates, and staff, bringing our Chester Breeding Station back to full operations, as well as strong succession planning through leadership changes in the senior staff due to retirement has fully demonstrated Peggi's strategy for inclusion, team building, and best practice work.

We will be celebrating Peggi at our 95th Celebration Gala, to be held Tuesday, June 11, at the Mountainside Country Club in West Caldwell, New Jersey. **Tickets are now on sale at [seeingeye.org/gala](http://seeingeye.org/gala)**

## THANK YOU 2024 SPONSORS

Ocean's 11. Mission Impossible. How to Steal a Million. Quick! What comes to mind? If you thought suave men and deliciously exciting adventure, or pictured Audrey Hepburn's fabulous black lace mask, then you're my kind of people and have come to the right place.

I adore a good old-fashioned heist caper. The rush of adrenaline, the thrill of getting caught (or not), the cat-and-mouse game of smarts. Throw in sparkly jewels, fabulous locations, and witty lovers-to-enemies-and-back-to-possible-lovers-again and I'm in heaven. Which is why I decided to mix all these magical elements into my upcoming novel, *The Winged Tiara*, where an estranged husband and wife are also competing thieves after the same jewel.

Which led me to thinking that there are so many fantastic movies about heists and jewel thieves, but what about novels? Luckily, I found a few that will add a little excitement to your reading list. Look no further than this round-up of page-turning shenanigans and jewel novels ready to rock you out of the reading slump.

#### *Six of Crows* by Leigh Bardugo

Ketterdam: a bustling hub of international trade where anything can be had for the right price — and no one knows that better than criminal prodigy Kaz Brekker. Kaz is offered a chance at a deadly heist that could make him rich beyond his wildest dreams. But he can't pull it off alone. Six dangerous outcasts. One impossible heist. Kaz's crew is the only thing that might stand between the world and destruction — if they don't kill each other first.

#### *The Last Tiara* by MJ Rose

A young female architect in post-World War II Manhattan stumbles upon a hidden tiara and begins a journey to discover her mother's life during the fall of the Romanovs.

## Heist Books to Steal Your Attention

#### *The Frame-Up* by Gwenda Bond

A magically gifted con artist must gather her estranged mother's old crew for a once-in-a-lifetime heist — including both the love of her life and her former best friend. The problem is, it's an impossible task. It's a heist that needs a year to plan, and Dani has just over a week even with magic on her side.

#### *Counterfeit* by Kirstin Chen

Ava Wong, a strait-laced Chinese American lawyer, reconnects with her enigmatic college roommate, Winnie, and becomes entangled in a scheme that involves importing counterfeit luxury handbags. But not everything is as it seems.

#### *To Have and to Heist* by Sara Desai

To exonerate her best friend, Simi Chopra must mastermind a jewelry heist during the wedding of the season in this hilarious romantic-comedy caper. The ultimate robbery might not be the wedding con, but rather the stealing of her heart by one delicious man.

#### *The Thomas Crown Affair* by Even Lee Heyman

Perhaps the most classic of all heists, a billionaire steals a painting from an art gallery and is pursued by an insurance investigator with sparks flying.

#### *Don't Go Stealing My Heart* by Kelly Siskind

Clementine steals from the rich and gives to the poor. Not exactly on the up-and-up, but she knows what it's like to lose everything. Her latest heist involves swiping a priceless Van Gogh from its owner, who's supposed to be an egotistical trust-fund brat. Turns out Jack David is a sexy, kind-hearted man... and Clementine is in trouble.

## NATIONAL CHOCOLATE ICE CREAM DAY - JUNE 7, 2024

Here's a little-known chocolatey morsel of info for National Chocolate Ice Cream Day — chocolate ice cream was actually invented before vanilla. You heard right — the earliest ice cream flavors were modeled after drinks, so chocolate naturally came before vanilla because hot chocolate was very popular in 17th-century Europe. In fact, the first frozen chocolate recipe was published in 1692 Naples in the book "The Modern Steward," and much later chocolate ice cream found its way to the U.S. This day falls on June 7 to help us channel our inner Willy Wonka and pay tribute to this decadently frosty treat.

### NATIONAL CHOCOLATE ICE CREAM DAY ACTIVITIES

• **Visit an old-fashioned ice cream parlor** - If you find yourself hoping for an old-timey experience to celebrate National Chocolate Ice Cream Day, head on over to your local ice cream parlor or diner and order a milkshake or sundae. Whatever chocolate flavor you desire, a day at the parlor will be a sweet time when you're transported 60 years into the past.

• **Load up on toppings** - The best way to make your ice cream double the chocolatey goodness is to cover it with chunks of your favorite candy bar or douse it in chocolate sauce. Double the chocolate, double the fun.

• **Fix yourself a dessert-themed cocktail** - After a long day at work, nothing is better than a drink or a bowl of ice cream to take the edge off a stressful day. We say, why not have both? A boozy chocolate cocktail will leave both drinkers and chocolate lovers satisfied — nothing beats a chocolate buzz.

### WHY WE LOVE NATIONAL CHOCOLATE ICE CREAM DAY

• **Chocolate + Ice cream = Amazing** - When decadence meets the refreshingly cold, silky texture of ice cream — they're a truly mouthwatering duo that was clearly meant to be.

• **Antidepressant?** - Chocolate and ice cream: the world's most popular foods to indulge in when you're going through a tough breakup or when you've just had a bad day. One bowl is scientifically proven (we hope) to help make fights, heartaches, breakups, and sadness just a little bit easier.

• **We're kids again** - Think back to chasing down the ice cream truck or standing on you tip toes to pick out your favorite chocolate scoop at the ice cream counter. Chocolate ice cream brings back that childlike nostalgia with its classic and simple taste.

## MACAROON ICE CREAM TORTE

### INGREDIENTS:

- 30 chocolate or plain macaroon cookies, crumbled
- 1 quart coffee ice cream, softened if necessary
- 1 quart chocolate ice cream, softened if necessary
- 1 cup milk chocolate toffee bits or 4 Heath candy bars (1.4 oz each), coarsely chopped
- Hot fudge topping, warmed

### INSTRUCTIONS:

Sprinkle a third of the cookies into an ungreased 9-in. springform pan. Layer with 2 cups coffee ice cream, another third of the cookies, 2 cups chocolate ice cream and 1/2 cup toffee bits; repeat layers. Freeze, covered, until firm. May be frozen up to 2 months. Remove torte from freezer 10 minutes before slicing. Serve with fudge topping.
