# HOROSCOPE

JUNE 8 - JUNE 14, 2023

## ARIES (Mar. 21-April 20)

Find a quiet spot where you can work diligently and stay out of the way. Heed the advice given by family or old reliable friends. You may blow situations out of proportion when dealing with the one you love. Plan your day thoughtfully, but try not to rely on others.

## TAURUS (Apr. 21-May 21)

Avoid getting involved with married individuals. You can expand your circle of friends if you get out and socialize. Look into career choices and courses being offered. Ease the anguish by offering assistance.

## GEMINI (May 22-June 21)

Be discreet about your feelings, and hold back until you find out a little more about the person who's coming on to you. Don't let criticism upset you. Hassles will delay your plans. Your obviously unique way of doing things has caught the eye of someone in a higher position. It will do you some good.

## CANCER (June 22-July 22)

Don't shy away from potential mates they want to introduce you to. Get help to finish a project if you need it. Property investments should payoff. Your personal life will be under the gun and you may want to avoid the questions your lover is going to want to ask you.

## LEO (July 23-Aug 22)

Spend some time with the one you love. Pleasure trips will be satisfying. You will need a little competition this week. Get involved in activities that will stretch your stamina. You need to get out and be an observer. You're in the mood to spend money.

## VIRGO (Aug. 23-Sept. 23)

Your sensitivity toward those you love will capture their hearts. Your relationship appears to be stressed out and depleted. You can continue to make gains if you call a few people who can help you close an important deal. Try not to get upset or angry without having all the facts.

## LIBRA (Sept. 24-Oct. 23)

You need time to think things through. Don't allow your personal problems to interfere with your professionalism. Try to bend but by no means should you give in completely. You'll find love and you'll get into tiptop shape at the same time.

## SCORPIO (Oct. 24 - Nov. 22)

Someone close to you will get upset easily if you are insensitive to their needs. Delays are evident. Avoid being intimately involved with clients or colleagues. Don't let the moods of those you live with get you down.

## SAGITTARIUS (Nov. 23-Dec. 21)

Your need to put great detail into everything you do may cause you to miss the overall picture. Although it does look promising, be careful not to overextend yourself or you will lose in the long run. You may want to look into warm vacation spots. You must use discretion when talking to others. Gambling should not be an option.

## CAPRICORN (Dec 22- Jan. 20)

You need a day to rest and relax with the ones you love. New methods and innovative technology will make your job far easier than you anticipated. Don't make mountains out of molehills if you want to avoid conflict. You may be overreacting to personal problems.

## AQUARIUS (Jan. 21 -Feb. 19)

Your ability to do detailed work will dazzle those who are less creative. Don't let yourself get rundown. Too much work and no play will not only result in fatigue and frustration but also loneliness, too. Your need to obtain additional details will lead you into strange topics of conversation.

## PISCES (Feb. 20-Mar. 20)

A romantic infatuation from your past may surface if you frequent places that you both used to go. Draw up contracts regarding your personal situation. Take care of any paperwork concerning institutional or governmental agencies. You can accomplish a lot if you deal with other people's money or possessions this week.

## NUTRITION, WEIGHT LOSS & FITNESS

### BOK CHOY

Bok choy is a type of Chinese cabbage used as food. Bok choy contains vitamin C and antioxidant known for fighting free radicals. It may help reduce the risk of damage to your skin caused by the sun, smoke and pollution. Vitamin C plays the role in your body's natural collagen production which helps fight signs of aging and fine lines and wrinkles.

You can consume bok choy raw, roasted, or cooked on the stovetop in soup, stir fry or friend rice dishes. You can incorporate bok choy into your diet in Asian dishes and many other ways. You can eat both the leaves and the stalks. It is an excellent go to for fiber as well as beta carotene and calcium.

**"Smaller is Better!"**

Being smaller sets us apart from larger title agencies that often are not able to answer or return calls due to being short staffed and overwhelmed. When you call Atlantic Title, you are greeted by a live person who will tend to your need right away. We all have the same regulated title rates. Therefore, it's all about the quality of service. At Atlantic Title Agency, service to you is always our priority. Try us out, you will not regret it.

### Why Donate Blood?

You don't need a special reason to give blood.  
*You just need your own reason.*

- Some of us give blood because we were asked by a friend.
- Some know that a family member or a friend might need blood some day.
- Some believe it is the right thing we do.

Whatever your reason, the need is constant and your contribution is important for a healthy and reliable blood supply. And you'll feel good knowing you've helped change a life. To learn more, visit [www.redcross.org](http://www.redcross.org)

The need is constant. The gratification is instant. Give blood!™

## PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

### Can Service Animals Go Anywhere the Public Can Go?

Service animals are generally allowed anywhere the public is allowed to go. We are often asked if this also applies to healthcare settings like doctors' offices, hospitals, or ambulances. It absolutely does. Sometimes people with guide dogs are patients, and sometimes they are companions there to provide support or ask important questions. Service animals are allowed in healthcare settings, but they can be excluded from places like operating rooms, burn units, and some ICUs that are sterile environments. Service animals are allowed in ambulances unless their presence would pose a threat to the staff or the patient.

Additional Resources: [www.seeingeye.org/.../guide-dogs-in-hospitals.html](http://www.seeingeye.org/.../guide-dogs-in-hospitals.html)

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit [seeingeye.org/raise](http://seeingeye.org/raise) for info.

Service animals are allowed in healthcare settings, but they can be excluded from places like operating rooms, burn units, and some ICUs that are sterile environments. Service animals are allowed in ambulances unless their presence would pose a threat to the staff or the patient.

Name of venue: Tennessee Avenue Beer Hall

Location and hours: Tennessee Avenue Beer Hall is located at 133 S. Tennessee Ave in Atlantic City. You can also find us online at [TennesseeAvenueBeerHall.com](http://TennesseeAvenueBeerHall.com) and @TennAveBeerHall. We're open 7 days a week! Mon-Thurs 11:30am-11pm, Fri 11:30am-1am, Sat 10am-1am, Sun 10am-11pm.

What does your venue specialize in? Craft Beer, one of the most extensive cans & bottles lists in South Jersey, award winning food, live entertainment, 2 full bars (inside and outside!)

What is the current reason one MUST come to Tennessee Avenue Beer Hall? Sit at the fire pit surrounded by your friends and family this summer, and we promise you'll get it! Sip one of our 40 beers from our on tap list that is constantly rotating so you'll be sure to find a new favorite every time you visit! Order one of our giant soft pretzels or our award winning Onion Believable Burger, and you'll instantly get why people love it here!

What is your secret favorite that the crowds have yet to discover? Delicious new menu items were just added this Spring! We're not just burgers and dogs...try Chef Charles' Tuna Poke bowl, or the gigantic Cobb Salad. Chucktown BBQ opened Memorial Day Weekend just steps from our yard, where you can enjoy pulled pork, sausage, ribs, and more, smoked low and slow.

Why is Tennessee Avenue Beer Hall a necessary part of Atlantic City? Tennessee Avenue in general is a unique place, serving as Atlantic City's much needed 'Main Street,' offering distinct experiences at each venue. Atlantic City's Orange Loop district (Tennessee Ave, New York Ave, and St. James Pl) is a vibrant, walkable neighborhood that we're proud to be a part of. With an emphasis on community, art, music, and a great experience while you eat and drink in our yard, Tennessee Avenue Beer Hall is a welcoming environment for friends and family to meet, and stay a while.

What are some other special reasons to come visit Tennessee Avenue Beer Hall? We have a great Happy Hour weekdays 3-6 pm, with snacks and drinks starting at just \$5! Cans & bottles are \$5, and don't forget to try our homemade cocktails on tap: AC Tea and the TABH Margarita!

Bring your team for Quizzo every Wednesday night at 7:30 pm!

Michelle Tomko hosts our Comedy/Open Mic night every Thursday 7-10 pm where headlining comedians perform along with local South Jersey and Philly comics.

Come through for brunch on the weekends! Saturday and Sunday 10 am - Noon, try our \$5 mimosas, breakfast sandwiches, and build your own giant Bloody Marys (there is a shrimp kabab involved!)

Please share any important information locals and visitors should know about Tennessee Avenue Beer Hall. You can always check out our schedule of events on our website to see what bands will be playing each weekend, and for any additional events going on! [TennesseeAvenueBeerHall.com/events](http://TennesseeAvenueBeerHall.com/events) gets updated weekly throughout the summer, and follow us on our social media for daily updates! We are @TennAveBeerHall on Facebook and Instagram. Send us your photos of your visit to TABH for a chance to be featured on our pages!
