HOROSCOPE

DECEMBER 28 - JANUARY 3, 2023

ARIES (Mar. 21-April 20)

Recently, certain individuals have been complaining, saying you're too busy with other things and ignoring them. You are. However, as an Aries, you assume others understand that, sometimes, they'll have to wait. That may be true. Still, if you tell them what's going on, then apologise, it will make a huge difference.

TAURUS (Apr. 21-May 21)

Although the Full Moon is in a day or so, you've noticed changes in circumstances, personally and around you. However, others seem worryingly unsettled. Actually, that's good, because it suggests they are ready for changes. Be aware you may be brushing away similarly unsettled feelings when, in fact, they're worth noticing.

GEMINI (May 22-June 21)

It's rare you think of this. However, your quick sense of humour doesn't just add to your charm. It enables you to sidestep what could easily turn into unsettling and, possibly, ongoing dramas. Forget about further discussion. Once you've put a little space between you and those issues, keep things that way.

CANCER (June 22-July 22)

You've long been aware you're in a cycle of change. However, recent developments have been as rapid as they've been unexpected. While, obviously, you'd like to get things settled so you can relax, forcing issues is unwise. For now, focus on dealing with the frequent, and unexpectedly exciting, developments yet to come your way.

LEO (July 23-Aug 22)

This week is about breakthroughs, many as thrilling as they are unexpected. And, in a way, that's the problem. You've already made plans, so aren't eager to change them. While this is understandable, this once, rely on the stars' advice, which is to plunge in, then learn from experience. You won't regret it.

VIRGO (Aug. 23-Sept. 23)

While, usually, others come to you for advice, now it's the reverse. Ordinarily you'd ignore their random ideas. However, the resulting suggestions aren't just worthwhile, you're eager to give them a try. Do exactly that. First, invest time in exploring their suggestions and ideas. Once you have, move swiftly.

LIBRA (Sept. 24-Oct. 23)

For ages you've been discussing potential changes in elements of your lifestyle, domestically or out in the world. Actually making those changes is another matter. Judging by the coming weeks' planetary activity, however, these are about to become reality. True, they may not be exactly as you anticipated, but they'll do the trick.

SCORPIO (Oct. 24-Nov. 22)

You rarely discuss it, but you quietly observe how others approach tricky situations and even difficult individuals. This isn't just because you're curious what's going on. Usually, you learn from their manoeuvres. That's likely to be the case now. This once, however, ask questions. You'll be surprised by the remarkable insights you acquire.

SAGITTARIUS (Nov. 23-Dec. 21)

Few things annoy you more than those who say they're eager to make plans, but who then keep changing their minds. The problem? They don't think as swiftly as you do, and probably never will. Quietly but firmly make the necessary decisions, then tell them what's been planned. It's the easiest approach.

CAPRICORN (Dec 22-Jan. 20)

Every Full Moon is powerful. However, because this one accents your own plans and their influence on others, it's as much about discussing your options as making a single decision. While you, as a Capricorn, would prefer the latter, the more you explore, the more you'll discover, much of it unexpectedly informative.

AQUARIUS (Jan. 21-Feb. 19)

As you've probably already realised, while you've been dealing with a range of personal issues and even tricky decisions, situations that involve others are another matter entirely. It's not that you disagree but your perspective differs from theirs. Focus on discussing that and, within a short while, you'll spot the points you agree on.

PISCES (Feb. 20-Mar. 20)

After days, if not weeks, of trying to help others find a way out of seemingly endless dramas, things are looking good. Your challenge? It's making it clear that, soon, you'll be handing the reins over to the individuals in question. And be firm. Even more than that, turn your attention to interests and joys of your own.

NEW YEAR'S RESOLUTIONS

A New Year's resolution is a promise to do things differently in the new year. Perhaps unsurprisingly, the top three New Year's resolutions made each year are living healthier (23%), personal improvement or happiness (21%) and losing weight (20%). New year resolutions are a fresh start. Fresh starts are a good thing if in the end they are embraced and lived for life.

Eight Rules to live by:

- Rule 1: Commit to Your Resolution. Successful resolutions start with a strong commitment to make a change.
- Rule 2: Be Realistic.
- Rule 3: Write It Down.
- Rule 4: Make a Plan.

FROM THE HEART OF ATLANTIC COUNTY MAGAZINE

Bradford's Walk by Denis O'Neill

In this comforting narrative, Bradford, an irrepressible brown dog, delights all who join him on his daily walk through the beckoning Connecticut countryside... in a tale told in singsong rhyme.

"At the start of our walk, he's a pointer, I guess-aiming himself toward the sea. The sea is the Sound, by Long Island bound, and our walk is the ground in its lee."

Bradford bounds awake each morning and begs his owners' grown-up son to take him for a walk. From romping in the bushes to his rampant indifference to cars encountered, Bradford delights in every experience on his leisurely walk.

Bradford's Walk is a perfect poetic outing for children of all ages. Author Denis O'Neill and illustrator Cyrus Quadland combine their unique talents of storytelling and art to create this gorgeous poetry picture book. Purchase at <https://bit.ly/3Q5h1b2>.

For the Love of Maggie O'Die by Cle Curbo

A mystery wrapped around a love story. Woman of a certain age and head of All Bio, Maggie O'Die, sees a strange likeness to her long-missing husband in young private investigator Ryger Deacon. When a secret group places a bounty on their heads, Ryger flees and discovers unexpected answers to his past as he searches for the missing Maggie O'Die and the granddaughter heir to her vast fortune.

"Curbo hooks his readers by dishing out the clues with enough breadcrumbs to keep his audience reading until the crack of dawn," says author M.L. Hamilton. Adds author Sheryl J. Bize-Boutte, "The unusual premise along with the brilliant use of crisp dialogue provides a taut and building tension in an edgy yet beautiful display of fiction at its best." Cap off the Year With These Captivating Stories

Zeke the Polka-Dotted Zebra by Angela Doyle

In this heartfelt children's book that lights a flame of compassion and awareness, Zeke, a baby zebra who loves to play in the waterhole and nibble the sweet grass in the African savanna, suddenly notices that instead of black and white stripes, he has black and white polka dots! The African animals have never seen such a thing. How can Zeke fit in?

When poachers capture his parents, Zeke is forced to put his fears aside. But does he have the courage to be a leader? And will anyone believe a polka-dotted zebra? This book invites young readers and those young at heart to embark on a journey of imagination and discovery. As Tim Smith of Wildside Tours and Safaris states, "It ingeniously imparts essential lessons about love, coexistence, harmony, and the profound wisdom that nature willingly shares with those seeking it." I'll Remember You by Deborah Packer

Based on true events, set on the turbulent home-front America of 1943 in the shadow of the antisemitism and racism of the time, an idealistic, proud, small-town Jewish girl travels to Miami Beach for a vacation and falls for a complex, enigmatic Jewish soldier from Brooklyn with horrific memories as a child in another war.

A conflicted, bittersweet war-time love story — two strangers struggling with personal challenges, misunderstanding and childhood trauma in the uncertainty of war and the desperation of a country fighting for freedom and democracy abroad but experiencing deep-seated hate and intolerance at home.

The story follows the couple through the turmoil of their hurried vows up to the moment the soldier leaves on a troop ship for England, convinced he won't be coming home. An epilogue is set in 1994. Purchase at <https://bit.ly/3SK6qWc>.

"and then again"
by Marion Lotka

The Gallery at the Ocean City Arts Center brings the new year in with "and then again", featuring colorful expressive paintings by Marion Lotka. The show opens January 3 and runs through January 29. A "Meet the Artists" reception will be held on Friday, January 12 from 7pm to 8:30pm. The Gallery is located in the Ocean City Arts Center, 1735 Simpson Avenue, 2nd Floor, Ocean City, NJ.

Marion graduated from Philadelphia University and also studied at Philadelphia College of Art, Moore College of Art and Fleisher Art Memorial. As a New Jersey resident, she studied with Rita Mikalenka, Andrea Sauchelli and currently teaches art and design for the Cape May County Library. She is on the board of directors with Ocean City Fine Arts League, volunteers and exhibits at the Art On Asbury Gallery. Marion's paintings have been purchased by Atlanticare and are part of the Healing Arts permanent installation in Atlantic City. She is an Associate Member Artist with Riverfront Renaissance and a member of Society of New Jersey Artists. Her award winning work has been exhibited in many solo and group shows in New Jersey. Marion's work and updates can be seen on Instagram @mlokaartist.

The exhibit includes work from three of Ms Lotka's recent series: "Three Little Figs", "Factory Work" and "The Produce Series". Marion says, "The intention of my work is to convey feelings about a subject seen. If a view or object makes my heart beat a little faster, I'm inspired to paint it. I am interested in still life, but in a way that questions perspective and context. Figs and peaches make lovely, stillsubject models. My paintings are often inspired by the evolving sky, land and sea views here in southern New Jersey, using layered acrylic and mixed media gestures and marks to explore scale, color and texture, I can only hope that the viewer shares a similar visceral response."

The show runs from January 3-29, 2024. The Ocean City Arts Center is located on the second floor in the Community Center at 1735 Simpson Avenue, Ocean City, New Jersey 08226. Hours of operation are 9am to 9pm, Monday through Friday and 9am to 3pm on Saturday. The Arts Center is closed on Sunday. For further information, call (609) 399-7628. Check out the Ocean City Arts Center's website (oceancityartscenter.org) or on Facebook and Instagram. This program is made possible in part by the New Jersey State Council on the Arts, a partner agency of the National Endowment for the Arts.

SNICKERS

Meet Snickers! This active boy is about 1 yr old and about 40 lbs. He's a smart boy that learns quick but was never taught any basics. He has the potential to be a GREAT companion that would love to go on hikes or jog.

PPAWS - People & Puppies at Work for Sight
"MEET THE PACK!"

A Round of a-PAWS to one of our FUR-iends

Colgate-Palmolive is a proud sponsor of our organization and helps us continue our mission. To thank them for their support, we recently visited their employees in Piscataway, NJ, with the help of a few puppy raisers, Seeing Eye puppies, and a Seeing Eye instructor. Thank you so much for your continued support!

PD: Three puppy raisers with two golden retriever puppies and a yellow Lab puppy stand together with three Colgate-Palmolive employees and a Seeing Eye instructor with a black Lab Seeing Eye dog in training.

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit seeingeye.org/raise for info.
