HEALTHY BBQ CHOICES

The 5 healthiest BBQ foods are grilled fish, veggie skewers, grilled chicken breast, turkey burgers and grilled fruits. These foods are proof you can enjoy friends and family and stay on your nutritional plan. They are foods that are delicious without sacrificing your health.

You can bring foods to your BBQ like chopped salads sliced crudites and watermelon. This way you can fill up on these nutrient dense foods instead of heavier caloric choices. In general, chicken and fish are the best protein choices. If you want to enjoy a hamburger maybe choose a ground meat that is 90% lean.

HOROSCOPE

JULY 27 - AUGUST 2, 2023

ARIES (Mar 21-April 20)

Be discreet and don't reveal any personal information. Try to communicate if you wish to help. Put your energy into moneymaking ventures. Generosity will put you in the poorhouse.

TAURUS (Apr 21-May 21)

Passion is about the best way for you to relieve tension. You need to take a long, hard look at yourself and your personal situation. You have been going through a period of change that no doubt caused problems with your loved ones. You might find it difficult to control your emotions.

GEMINI (May 22-June 21)

Depression may result if you don't get to do things your own way. Courses dealing with psychology or health care will be of interest. You can get your point across and make valuable connections. If you go shopping, only take what you can afford to part with.

CANCER (June 22-July 22)

Someone you least expect may not have your best interests at heart. Disharmony in your relationship may cause minor ailments. You will gain new friends if you get involved in environmental issues. You must get out and mingle.

LEO (July 23-Aug 22)

Travel will be fun and entertaining. You would be best to work late in order to avoid disharmony. Do the necessary chores and then do things that please you. Try to be understanding.

VIRGO (Aug 23-Sept 23)

Physical work or exercise should be part of your schedule. You need to make your lover feel wanted, not like a piece of the furniture. Investments concerning your residence will be profitable. You can make new connections through friends or relatives.

LIBRA (Sept 24-Oct 23)

Friends may not understand your situation. The locks, stove, gas, or electric wires may not be secure. Dream a little this week. You need to take a long, hard look at yourself and your personal situation.

SCORPIO (Oct 24-Nov 22)

Your high energy and discipline will enable you to complete any seemingly insurmountable tasks. Social get-together will bring you in contact with intelligent new friends. Don't press your luck with your loved ones. Travel will lead you in new directions.

SAGITTARIUS (Nov 23-Dec 21)

You will find your vitality is lowered. Job changes are in order. Go for interviews or send out resumes. Get proper medical attention and confront your situation decisively. Be discreet about your personal life or whereabouts. Be mysterious.

CAPRICORN (Dec 22-Jan 20)

You could have a need to make some changes this week. Money can be made if you use your ingenuity. Don't volunteer private information about yourself unless you're prepared to be talked about behind your back. You can't live your life for others.

AQUARIUS (Jan 21-Feb 19)

Don't overspend or give too freely to others. Be careful if a friend asks you for advice. Take time to explain your intentions to loved ones. Your health may suffer if you don't control your present situation.

PISCES (Feb 20-Mar 20)

Your need to put great detail into everything you do may cause you to miss the overall picture. Your disciplined attention to jobs will enhance your position. You can make headway if you share your intentions with someone you care about. You will have original ideas for ways to make extra money.

'ROUND THE REGION
with Sharon

By Sharon Harris-Zlotnick

Hello South Jersey:

CONSISTENT QUALITY

When it comes to chain restaurants, you probably envision mid-priced family-style eateries and mass-produced food. So, isn't it wonderful to patronize a "chain" where everything is cooked to be special and delicious?

Throughout Cape May County and Lower Merion Township in suburban Philadelphia, the Otto by Polpo locations are called Polpo, Fratelli or La Fontana restaurants.

Wherever you choose, you are in for a treat at all of them. <https://ottobypolpo.com/>

Last week, friends stayed at the elegant Reeds Resort in Stone Harbor. The small, boutique property delivers a first-rate guest experience. Norman and I met them on a quiet Monday evening at La Fontana Vecchia, their BYOB Avalon location.

We've dined at La Fontana Coast in Sea Isle and La Fontana Del Mare in Strathmere multiple times. This was a first in Avalon and well worth the drive. The wonderful meal was fresh, well prepared and the portions were very fair for the price.

For you readers who live "on" or near the Philadelphia Main Line area, try their Bryn Mawr dining room, called Otto Polpo at the Bryn Mawr train station. Closer to Philadelphia is La Colina on the hill with a fabulous view.

MEDICINE UNIQUELY CREATED

Does a day go by on television or radio without hearing dozens of advertisements for what seems like every ailment out there? Besides the ad copy, you can't escape the endless warnings about the side effects on some patients. What are you to do?

Curexa Pharmacy in Egg Harbor and Galloway Townships believes they have better solutions. Since 2003, the family-owned pharmacy has become a leading provider of compounding, packaging and labeling. Their individually compounded medicines are used by telemedicine and medical providers, veterinarians, manufacturers and clinical research organizations nationwide.

To say that no two patients are alike is an understatement. Everyone has a unique body chemistry, medical history and tolerance for medication. So, unlike standard prescriptions where it is almost a one-size-fits-all approach. Curexa prepares individual medicines that specifically fit each patient's needs, whether human and animal.

I have used Curexa to formulate a blood pressure chewable for our older cat Vinny. He's a tiny guy, nicknamed "skinny Vinny," with a heart ailment. So, in addition to his various daily pills, Vinny enjoys his compounded chicken-flavored disk every morning.

Compounding also offers more options for flavor and delivery. It is easy, affordable and convenient to reorder within a 48-hour time frame.

The lab conditions for their pharmacists to work are clean and private. Walking in to pick up the medication, the only

visible area is the check-out, which increases sanitation.

There are few compounding pharmacies in this area, but if your doctor or veterinarian suggests trying this approach, you should try Curexa.

For more information, call toll-free at 855-927-0390. Or, call 609-927-0390 to reach the Egg Harbor Township location. <https://curexa.com/compounding/>

LOVIN' THAT ICE CREAM

Have you noticed that almost every vacant old 7-Eleven and Wawa building in this region doesn't stay empty for long? No matter where you drive, these recognizable structures are typically transformed into restaurants, doctors' offices, local businesses and multi-use operations.

So, I was happy to see that after a longer vacancy than I expected, the empty 7-Eleven store on Rt. 9 (New Rd.) in Linwood reopened as Twist Pretzels and Ice Cream. Unlike other ice cream operations in the area with only walk-up windows and some outside seating, Twist has used the former store space to include up to 23 seats inside and 60 outside on picnic benches.

Parking is also not an issue. There are 17 spaces and one handicapped spot. Plus, the cross streets also offer parking.

The menu is an ice cream lover's delight. It lists 13 hand-dipped and six soft-serve varieties. Love toppings? Choose from more than 20 to make a fabulous cone sugar or waffle cone in multiple sizes.

To be truly decadent, indulge in a sundae for \$8.95, with plenty

of gooey toppings smothering the soft-serve. This is when you should save your calories all day just to splurge. Check the website for the complete menu and hours.

You may have to time your visit right now. There is much roadwork nearby and the traffic has been detoured to Rt. 9. I am unsure how long it will last. The heavy traffic at certain times of the day is hard to avoid. So, entering and exiting may be difficult for a short time. But, judging from the scene inside the full glass windows, it will be worth the wait. <https://www.twistlinwood.com/home>

STILL TIME TO SEE GORGEOUS HOMES

Don't miss your last chance to visit several of this area's most beautiful homes. The fundraising 34th Annual Jewish Family Service (JFS) House Tour is set for Monday, 8/7 from 11 a.m.-4 p.m. Hosted by Surroundings Interiors of Northfield, prepare to be spellbound by the creativity and beauty of these homes.

The \$75 ticket includes admission and a complimentary lunch. Raffle tickets (\$20 each/six for \$100) for some great prizes may also be purchased at jfsatlantic.org.

RIP CURRENTS

HOW TO AVOID & SURVIVE

A rip current is a specific kind of water current that can occur near beaches with breaking waves. A rip current is a strong, localized, and narrow current of water which moves directly away from the shore, cutting through the lines of breaking waves like a river running out to sea.

RIP CURRENTS

Know your options

Rip currents are powerful currents of water moving away from shore. They can sweep even the strongest swimmer away from shore. If at all possible, swim near a lifeguard.

- Check water conditions before going in by looking at the local beach forecast before you leave for the beach and talking to the lifeguard at the beach.
- Only swim at a beach with lifeguards. The chances of drowning at a beach with lifeguards are 1 in 18 million (U.S. Lifesaving Association).
- Don't assume! Great weather for the beach does not always mean it's safe to swim or even play in the shallows. Rip currents often form on calm, sunny days.
- Moving at speeds of up to eight feet per second, rip currents can move faster than an Olympic swimmer.
- Panicked swimmers often try to counter a rip current by swimming straight back to shore—putting themselves at risk of drowning because of fatigue.
- Lifeguards rescue tens of thousands of people from rip currents in the U.S. every year, but it is estimated that 100 people are killed by rip currents annually.
- If caught in a rip current, don't fight it! Swim parallel to the shore and swim back to land at an angle.

SUMMERY CORN SALAD

INGREDIENTS:

- 3 cups Corn Kernels, about 4 Cobs of Corn
- 1 cup Cherry Tomatoes, Quartered
- 1 cup Cucumbers, Diced
- ¼ cup Red Onion, Diced
- 3 Tbsp Olive Oil
- 3 Tbsp Apple Cider Vinegar
- a Generous Sprinkle of Course Salt
- Pepper to Taste
- 1 Tbsp Fresh Parsley

INSTRUCTIONS:

Bring a large pot of salted water to a boil and add the corn. Cook for 3 to 4 minutes or until the kernels turn bright yellow (alternately, the corn can be grilled).

Drain the corn and cool completely. Use a sharp knife to remove the kernels from the corn cob. In a large bowl, combine the corn kernels, cherry tomatoes, diced cucumbers, and red onion. Drizzle the olive oil and apple cider vinegar over the salad. Season generously with salt & pepper to taste and toss well to combine. Just before serving, sprinkle with fresh herbs to combine. Notes: If time allows, grill your corn for maximum flavor. Preheat grill to medium high heat. Remove silk and husk from corn. Brush with olive oil and generously season. Grill 2-3 minutes per side or until slightly charred. Cool before using.

FROM THE HEART OF
ATLANTIC COUNTY
MAGAZINE

(NewsUSA) - For U.S. Army veteran David Crenshaw, K9s For Warriors means two lives saved – his own and his service dog Doc, a German shorthaired pointer rescued from the kill-list at a local shelter.

K9s For Warriors is the nation's largest provider of trained service dogs for veterans with PTSD, traumatic brain injury and/or military sexual trauma. "I was isolated, detached and hoping I would die in the line of duty when I reached out to K9s For Warriors," said Crenshaw.

Crenshaw still remembers the moment he laid eyes on his service dog for the very first time. That day would change his life forever. He nervously opened the door to a gated yard at K9s For Warriors and found warm brown eyes with a ferocious wagging tail waiting for him. That was just the start of their forever friendship.

"Doc feels my emotions. He calms me. The bond has been lifesaving," Crenshaw said. Doc has even brought comfort to other service members. "I was in a department store and a man approached me. He told me he was a United States Marine veteran before he dropped to his knees and got emotional. He told me he had been contemplating suicide, but this moment just saved him. If Doc can do this for a stranger, just imagine what he does for me and my family," said Crenshaw.

K9s For Warriors, a veteran service organization, was founded in 2011 because of a mother's love. Shari Duval watched her son struggle with the invisible wounds of war. She noticed his service dog made all the difference in his life, so she dedicated her life to bringing this therapy to other veterans. Twelve years later, more than 875 warriors have graduated from K9s For Warriors' program, and more than 2,000 dogs have been rescued.

K9s For Warriors Gives Veterans & Shelter Dogs a New Leash on Life

K9s For Warriors rescues most of its dogs from shelters and for six to eight months trains those K9s to become service dogs for American heroes. Because of generous donations, the organization provides these dogs at no cost to veterans.

"We have found through scientific research from University of Arizona's OHAIRE Lab that not only do these service dogs mitigate their veteran's symptoms of PTSD, they also simultaneously restore their confidence and independence," said K9s For Warriors CEO Carl Cricco.

Amy veteran Becca Stephens said her service dog Bobbi – a bright-eyed yellow Labrador retriever – has done just that. "It was like the scene in 'Avatar' when they attach themselves to the animal. That's exactly how I felt when I took the leash from the trainer," said Stephens. She self-medicated for years to try and get a handle on her PTSD and sadly considered taking her own life. All of that changed when she met Bobbi in August 2018. "Veterans are the heart and soul of this country, and some of us feel like we are drowning. It's hard because we've been trained to look out for everyone but ourselves. K9s For Warriors reminds us that we really can get better."

K9s For Warriors' mission is to save two lives – a veteran and a rescue dog. "The support from generous Americans who love veterans and want to save shelter dogs helps us deliver on our promise. We are extremely grateful for the support because together we are making a difference in the lives of our nation's heroes," said Cricco.

Why Donate Blood?

You don't need a special reason to give blood.
You just need your own reason.

- Some of us give blood because we were asked by a friend.
- Some know that a family member or a friend might need blood some day.
- Some believe it is the right thing we do.

Whatever your reason, the need is constant and your contribution is important for a healthy and reliable blood supply. And you'll feel good knowing you've helped change a life. To learn more, visit www.redcross.org

The need is constant. The gratification is instant. Give blood!TM

FROM THE HEART OF ATLANTIC COUNTY MAGAZINE

Flag football is one of the fastest growing youth sports, currently on its way to becoming a college sanctioned sport. Tackle football fields over 1 million high school student-athletes each year. No matter which way you look at it, our love for football runs deep.

While extensive research is being conducted to better understand football safety, it's still a game that comes with many physical and emotional benefits. Need proof? Here are five great benefits for kids who play football:

1. Health benefits: Football is a fast moving game with a lot of variety. Players run, jump, quickly change direction, and stop and start, which improves cardiovascular health. Practice drills, complex running routes and defensive techniques all encourage speed, strength, and stamina. And these activities also engage motor skills, specifically hand and eye coordination. Plus, a recent study found that playing football has positive effects on bone strength.

5 Benefits of Playing Football

2. Teamwork: Youth football teaches kids accountability, leadership, and the impact of positive sportsmanship. Every position has a purpose and to execute a play successfully, each individual needs to fulfill their responsibility, while working together—a skill that's valuable both on and off the field.

3. Discipline: Learning routes, repetitive drills, and executing proper technique take a high level of discipline—and football players do it time and time again. Each practice is laying the foundation for a strong work ethic that kids will use throughout their lives. And this is one of the biggest benefits of football.

4. Mental toughness: Sports are a great platform to build mental toughness. Whether it's making a mistake on the field or needing to comeback from a major upset, setbacks are bound to happen. And to move forward, players must learn how to persevere. Football provides a lot of opportunities to improve mental toughness, from remaining calm under pressure to focusing during chaotic situations.

5. Socialization: Football teaches kids how to effectively communicate and work well with others. After all, one player can't do everything. They rely on each other—what a better way to make long-lasting friendships? Layer this with learning to respect and receive direction from authority (aka coaches) and you have a range of socialization skills.

Want to see for yourself what all the flag football hype is all about? Join American Football United for NFL Flag Football Summer Camp at the Jersey Shore. See their ad to the right or visit them at www.AmericanFootballUnited.com for more information.

Roxy, a 9-year-old, 15lb, tan and white Italian Greyhound (looks like a miniature Greyhound) and resident of Ocean City, went missing from Maple Ave and Fairbanks in Northfield. She dug her way out from under a fenced-in backyard and has been missing since 2 PM on May 18th, 2023. Her family was away when it happened and realized she was missing at 4 PM, immediately starting a relentless search with the help of the community.

Roxy has been sighted near the following streets in Northfield and Pleasantville: Lafayette, Doughty, Dolphin, New Road (by Mazzeos), Old Tilton, Fernwood, Ashland, Church, Risley, and New Maple. Search efforts include working with an experienced dog tracker, thousands of shares on social media, the creation of the "Finding Roxy" group on Facebook with over 300 members, hours of searching on foot, notifying all local shelters, vets, and police stations, and posting over 1000 flyers (all of which will be taken down when she is found. If you see a flyer up, please assume she is still missing).

Sightings are the key to bringing Roxy home. If you see her, please call the police or the numbers on the flyer immediately. Including photos of her would be even more helpful. Roxy's family would like to extend a sincere and heartfelt thank you to the residents of Northfield and Pleasantville for their continued efforts in the search. Your support has been overwhelming, and it won't be possible to bring her home without you. Again, if you have any information regarding her whereabouts, please notify the police or call 609-287-6780 or 609-513-2935 as soon as possible.

"MEET THE PACK!"

Benefits of Raising a Seeing Eye Puppy

There are so many great reasons to raise a Seeing Eye puppy, but we decided to name just a few for you. We sincerely appreciate all those who are already active puppy raisers and cannot wait to see how the community continues to grow as new puppy raisers join us in our mission. If you want to learn more about puppy raising be sure to check out seeingeye.org/raise

Photo Description: A golden retriever puppy sits atop a digital list that reads "Benefits of Raising a Seeing Eye puppy - Adorable puppy guaranteed - Giving back always feels great - Be part of a family-like community - Guided by supportive club leaders & area coordinators - Tips & resources available - Veterinary care costs covered - Stipend for dog food - Continue the legacy of the oldest existing guide dog school in the world"

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit seeingeye.org/raise for info.

If You're Stuck at Sea, There's An App for That

According to the Boat Owners Association of The United States (BoatUS), the number-one reason for a slow or delayed towing company response is the considerable time it sometimes takes for the towboat captain to seek and find the disabled recreational boat on the water. Unlike drivers on a road or highway, many boaters are simply unsure of their exact location.

However, the proliferation of cell phones and improvements in cell service over the last decade means that most anyone can use a phone to pinpoint their location and also reach a dispatch center.

A phone app, such as the one developed by BoatUS, allows boat owners to pre-program information about their boat. When they use the app to call for help with a dead battery or a tow home, the call goes to the dispatch center and immediately provides the boat's details along with the latitude, longitude, and boater's emergency contact information to the dispatcher, speeding a response.

The free app from BoatUS, available at BoatUS.com/app, also provides information about tides, weather, and wind. Boaters without the app can use their phones to call the BoatUS 24/7 Dispatch Center at 1-800-391-4869.

Boat owners can also be proactive and save money by signing up for an on-water towing plan at the start of the season. For example, an annual Unlimited Towing Membership plan from BoatUS starts at \$72/year for freshwater and \$149 for saltwater.

In addition to having a towing service, boaters should be prepared to keep themselves and any passengers safe if their boat is disabled.

Key tips to keep in mind include:

- Be safe. In life-threatening emergencies, call 911 immediately or use VHF radio channel 16. Know the location of your boat's safety gear and first aid kit.
- Be leak-savvy. If you run aground, immediately look for water intrusion and provide a life jacket for each passenger not already wearing one.
- Be seen. For safety and visibility in the dark, be sure all of your boat's navigation and anchor lights are working.

For more tips and information about what to do if you need on-water assistance, visit BoatUS.com/Towing or call 800-283-2883.

Lethal Connections: The Poison ID Unit by Erik Daniel Shein, Melissa Davis and Karen Fuller

In a sleepy little parish just outside of New Orleans, murder is no rare occurrence.

Sergeant Lance Knight has a pile of unsolved homicide cases on his desk. On the surface, none seems to be connected. The victims are all men with money or power. An investment banker, a lawyer, and a local politician. Lance can't find a connection.

Working with coroner Gina Goodwin, Lance and Gina discover a pattern. Three unrelated things the bodies have in common—a string of lethal connections. Is it just a coincidence? Things heat up when Lance realizes he's getting close to finding the killer, and everything spirals out of control. Can he piece it together before it's too late? Storm Cloud Rising by Jason Lancour

No prophecy. No Chosen One. No greatest hero of all time. The fate of the known universe does not hang in the balance.

A group of mercenaries is hired for what is supposed to be an easy assignment. But like most things, nothing is as it seems. In a world rich with history, meticulously engineered laws of magic, unique cultures and peoples (as well as the occasional whiskey joint), the "private contractors" soon find their already varied motivations and priorities shifting.

What starts as a simple job spirals out of control into a struggle for survival in the midst of a plot bigger than any could have anticipated. Blood will be spilled, confidences broken, and a fair bit of whiskey consumed. This is only the beginning... Purchase at <https://bit.ly/435RjZx>.

A Boy, an Orphanage, a Cuban Refugee by Tony Dora

"I became a man when I was nine. My other option was death."

Why would parents send their children, alone, to a foreign country with no guarantee they would ever see them again? In the early 1960s, over 14,000 unescorted children fled Cuba for the U.S. Under Castro's tyrannical regime, the state confiscated people's property and bank accounts. Food, clothing, and medicine were rationed. Houses of worship were attacked. There was no freedom.

When Tony and Norma boarded the plane, they had no idea what the future would hold. This memoir chronicles their emotional journey through Tony's eyes as he and Norma navigate life for six weeks in a refugee camp and a year in an orphanage, until they are reunited with their mother.
