'ROUND THE REGION
with Sharon

By Sharon Harris-Zlotnick

Hello South Jersey:

AN AMAZING WEEKEND

It's never happened like this... two giant events within 24 hours. Super Bowl LVI is Sunday, February 13; Valentine's Day follows the next day on the 14th. Expect to do a lot of eating and a bit of drinking too.

How many people in the same household support different teams? Whoever wins, easily fix the disappointment with a lovely Valentine's Day dinner.

Check out these celebrations. Super Bowl is always fun in a crowd, no matter the outcome. Sadly, for us Easterners, it is a true West Coast event.

SUPER BOWL- Sunday, 2/13

--- Harbor Pines Golf Club (Egg Harbor Township)- The party is open to everyone. Watch on an indoor jumbo screen television with couch and pub-style seating.

Doors open at 5 p.m.; tickets are \$25 per person. The price includes multiple snacks all evening and a buffet dinner full of everyone's favorite tailgate and stadium foods. You can probably expect wings, burgers, fries and hot dogs, just to name a few.

Weather permitting, of course, party ticket holders may pay an additional \$20 to play nine holes of shotgun golf at 3 p.m. Advanced tickets available at the www.harborpines.com online store.

--- Dock's Oyster House in Atlantic City and former New Jersey State Senator Chris Brown will host the Chief Arthur R. Brown, Jr. Memorial Scholarship Foundation's 30th Annual Super Bowl Pre-game Tailgate Party from 2 p.m.-6 p.m.

As one of the region's most popular and historic restaurants, Doc's food spread should be fabulous. The \$20 tickets, available at the door, will include a buffet, a free mug with \$1.00 beverage refills and door prizes.

Proceeds benefit the Foundation's charities that provide scholarships and financial aid to South Jersey residents. Over the years, more than \$347,000 has been awarded to eligible candidates who meet specific scholastic and financial requirements. To name a few, the organizations include the SPCA, Boys & Girls Club of AC and the Atlantic County Chapter of Vietnam Veterans of America. Additional sports and athletic groups are also recipient organizations.

Founded in 1992 to honor former Atlantic City Beach Patrol Chief Arthur R. Brown, Jr. In 30 years, the Foundation has expanded three times in honor or memoriam to prominent community members.

VALENTINE'S DAY- Monday, 2/14

La Mer Beachfront Resort, in charming Cape May, will stretch the holiday over three days, letting you choose dinner and/or a festive Valentine's Day a la carte brunch on the 14th.

La Mer will offer romantic gourmet four-course dining experiences over that entire weekend, from Friday, 2/11 through Sunday, 2/13. The fixed-price meal is available

from 4 p.m.-9 p.m. If you prefer a daytime meal, choose the Valentine's Day a la carte brunch on February 14 from 8 a.m.-2 p.m.

The dinner menu will offer guests the flexibility of several options for each course, topping it off with a selection of homemade desserts.

The Valentine's Day Prix-Fixe Dinner is \$95 per person and reservations are required at (609) 898-2244. For more information visit <https://www.capemaylamer.com/>.

Come hungry to the Monday Valentine's Day Brunch because the huge array of breakfast, lunch and dinner foods will last you the entire day. Alternate from pancakes and omelettes to burgers to BBQ glazed grilled salmon, among other delicacies.

If you want to make it a true weekend celebration, La Mer has a Valentine's Day Hotel Package, which must be booked by 2/7/22. Stay dates must be between 2/10/22-2/14/22. The promotion will include a guest room, a per-person \$95 Valentine's Day prix-fixe dining credit, a homemade heart-shaped cake, an in-room bottle of sparkling wine, ice bucket and souvenir glasses.

To book a room, visit <https://www.capemaylamer.com/special-offers>.

--- Harbor Pines guests will enjoy live music as they dine on a four-course fixed-price dinner from 5 p.m. to 9 p.m.

Diners will have numerous choices. Want something unusual? How about a Goat Cheese Souffle starter or Crab Bisque? A true gourmand may want to select Beef Wellington or Lobster Risotto as an entrée, but if not, there will

be multiple platter options. Leave room for a decadent dessert like Crème Brûlée with Grand Marnier Berries or Chocolate Pate with Raspberry Sauce and Whipped Cream.

The dinner is \$59 per person and reservations required (609) 927-0006, extension 23. To reserve online or view the full menu, visit <https://www.harborpines.com/>

--- Bally's Atlantic City has some interesting Valentine's Day events. On Friday, 2/11, the legendary Jerry Blavat will host a Valentine's Dessert Dance Party from 9 p.m.-11 p.m. at Dining on The Sixth. Tickets are \$20 at www.Tick- etweb.com.

Guy Fieri's Chophouse and Jerry Longo's Meatballs and Martinis will serve some romantic specials from Friday, 2/11 to Monday, 2/14, both starting at \$65 per person. Reserve at www.opentable.com.

If staying overnight, enjoy a sumptuous brunch and never leave your bed. The \$59-per-couple brunch will be served in your room on Saturday and Sunday. Order your favorites and enjoy champagne and orange juice. Room service at (609) 340-2007.

NUTRITION, WEIGHT LOSS & FITNESS

NUTS

Eating nuts every day as part of a balanced diet can be great for your health. Just make sure you don't go overboard, since nuts are high in calories. Nuts contain healthy fats, minerals, and nutrients that not only make them a great snack but also mean they are a heart-healthy food. Nuts are a nutritionally rich food containing most of the vitamins and minerals the body needs. They're one of the main sources of ALA omega-3 fatty acids, offering a range of health benefits from reducing rheumatoid arthritis to protecting against Alzheimer's and dementia.

Choose nuts that are the healthiest:

- Almonds
- Brazil nuts
- Cashews
- Chestnuts
- Hazelnuts
- Macadamia nuts
- Pecans
- Pine nuts

VALENTINE COOKIE BOUQUETS

INGREDIENTS

1 stick unsalted butter
c. granulated sugar
1/4 c. packed light brown sugar
1 large egg
1 1/2 tsp. vanilla extract
3/4 tsp. baking powder
1/2 tsp. ground cardamom (optional)
1/4 tsp. salt
1 3/4 c. all-purpose flour
Decorating icing (recipe follows)

You'll also need: 3-in. heart-shaped cookie cutter; 15 (10-in.) bamboo skewers; red gel food color; 3 pastry bags with plain writing tips; tall glasses or vases; plastic foam (Styrofoam); granulated sugar

DIRECTIONS

1. Beat butter and sugars in large bowl with mixer until light and fluffy, about 3 minutes. Beat in egg until blended; add vanilla, baking powder, cardamom and salt. Gradually add flour and beat until just smooth. Shape dough into a disc; cover with plastic wrap and refrigerate 1 hour.
2. Heat oven to 350°F. Line 2 baking sheets with parchment paper or nonstick foil. Roll out dough between 2 sheets parchment or wax paper to 3/8-in. thickness. Cut out 8 hearts with cookie cutter. Transfer 4 hearts to each prepared baking sheet with small spatula. Insert the point of a skewer (by gently twirling it between your thumb and index finger) about 2 1/2 in. into dough through pointed tip of each heart. Gather and refrigerate dough scraps.
3. Bake 12 to 14 minutes, until cookies are golden brown at edges. Cool on sheet on wire rack 5 minutes; transfer to rack and cool completely. Roll, cut and bake remaining hearts as directed above.
4. Divide decorating icing into 3 bowls. Tint one bowl red and one pink; leave one white. Transfer half of each color batch to separate pastry bags fitted with plain writing tips; refrigerate pastry bags. Thin the remaining icing with a few tsp water to the consistency of slightly whipped cream. Spread thinned icing over hearts; let dry completely. Outline hearts and decorate with patterns using the thick icing in pastry bags. Let designs dry completely.
5. To assemble: Fill glasses or vases with foam blocks cut to fit. Pour in sugar between glass and foam to cover. Trim skewers to varying lengths and insert into foam (space the cookies evenly so they're balanced to prevent tipping).
6. Plan ahead: You can bake and decorate cookies up to 4 days ahead. Store covered at room temperature.
7. Beat 1 lb confectioners' sugar and 1/4 cup Just Whites (powdered egg whites, found in your store's baking section) in large bowl with mixer on low speed to blend. Beat in 1/3 cup water. Increase speed to high; beat 5 minutes or until icing is very thick and white. Makes 2 1/2 cups.

Plant the Seeds of Greatness Month – February 2022

Plant the Seeds of Greatness Month is celebrated in February annually to bring out the greatness within each of us. As we exit January with our resolutions underwater and our gym membership hanging on by a thread, the month of February comes around with the promise of spring. Now is the time to reaffirm ourselves to the cause of betterment. So pick up that class you always wanted to take, and invest in a really good mattress, because this February, we are planting the seeds of greatness in our lives and changing it for the better.

HISTORY OF PLANT THE SEEDS OF GREATNESS MONTH

Ever felt stuck in a rut, unable to track out a single win for yourself? You are not alone. This sensational feeling of failure is too common, and as much as Taylor Swift wants us to, we simply can't just "shake it off." This is why we observe Plant the Seeds of Greatness Month. There is no official source of origin for this observation. Nevertheless, its purpose and timing could not be more right. The month of February is dedicated to taking concrete actions and changing the course of our lives.

Born out of the spirit of 'New Year, New Me,' this annual observation is all about removing the barriers of our lives to welcome a new season of growth and abundance. It is also a great time to honor the greatness in our friends and family. February is a month of great beginnings. With winter in its final stretch, the golden haze of longer days begins to cover the barren cold. As the seasons around you leap change, so can you.

Visualize yourself five years from now. What are you doing? Who are you with? How do you look? Do you like yourself? If not, what are you doing to change it? During Plant the Seeds of Greatness Month, you can recommit yourself to the journey of self-improvement and growth. Cut out any toxicity of life and become the kind of person that sets goals and achieves them. You owe your future self a chance to become the greatest version of yourself. Take it!

HOW TO CELEBRATE PLANT THE SEEDS OF GREATNESS MONTH

• **CUT OFF THE NEGATIVITY IN YOUR LIFE** - If you have someone in your life that's holding you back, or you are being decimated with your

baggage — 'tis the season to cut it all off. Let go of the nay-sayers, the doubters, the non-believers, and get ready to step into a new phase of growth in your life.

• **FIND THE GREATNESS WITHIN YOU** - We are all capable of greatness, but not all of us are fortunate enough to act upon our gifts. In February, use your unique gifts to plant the seeds of a new life, with new goals and a renewed commitment to becoming your greatest self.

• **DITCH THE COMFORT ZONE** - The warmth and familiarity of your comfort zone may appear like a haven, but it is a death trap. Like quicksand, your comfort zone has been galloping your potential and capabilities. This Plant the Seeds of Greatness Month, ditch the comfort zone, and turn your dreams into realities.

5 EASY STEPS TO BRING GREATNESS INTO YOUR LIFE

1. **FIND YOUR ZONE OF GENIUS** - Your zone of genius is where your passions, interests, and skills align — find it!
2. **MAKE A PLAN** - Craft out an executable plan for the next six weeks.
3. **FOCUS ON THE BASICS** - Forget about the macro logistics and focus on the basic aspects of your plan.
4. **GET READY FOR THE STRUGGLE** - Nothing worth having comes easy, so get your head down and be ready to give your best to every task.
5. **PREPARE YOURSELF FOR ABUNDANCE** - Operating from the place of fear and scarcity is paralyzing; however, once you have sown the seeds of greatness, get ready to harvest abundance.

WHY WE LOVE PLANT THE SEEDS OF GREATNESS MONTH

• **IT'S A MONTH OF ACTION** - We've had enough of diary notes, vision boards, and manifestation circles — February is the month of action. So dust off your running shoes, put your hair in a bun, and enroll in that online class. Plant the Seeds of Greatness Month is our chance to step out of our chatterbox and take charge of our lives.

• **THE BUDDY SYSTEM WORKS** - Plant the Seeds of Greatness Month isn't just for yourself. It is our calling to invoke greatness in our peers as well. The journey to becoming your greatest choice can get a tad lonely. Why not tag your friend along? Inspire each other, and see the fruits of your seeds grow even sweeter.

This is the sixth column on raging inflation going on in our country and main industry for the past year. We all know the drill by now. Along with rising prices of everyday needs, including my beloved bagels, are "going through the roof." The costs of gasoline and tolls to get to A.C. are also skyrocketing. If it costs too much to get here, visitors will not come. That makes our main industry quite vulnerable to outlandish price hikes.

In past columns, the "Wiz" has lamented about how the system seems "rigged" to favor the elites at the expense of the middle class. "Limousine liberals" can travel and tool about town with no worries about the price of fuel or tolls. They seem to practice the old adage, "Do as I say, not as I do!" There are numerous examples of politicians and elites appearing in public without masks, while previously mandating we others to do so. And so it goes. Perhaps a vignette about it works in the new Russia will shine some light on this greedy practice that seems to be coming our way:

While in the old USSR performing a marketing and feasibility study for a casino in Yalta, on the Black Sea, in the now taken part of the Crimea, the "Wiz" was photographed (attached) next to an old wine storage alcove in a large cave. The premium wine was dated 1775 a year before the USA was born. The locals explained when this community needed hard currency they put a bottle of it on auction at Sotheby's in London. A bottle of red from the Massandra Vinyard, pictured above, fetched \$44,000.00.

Fast forward to today. The same bottle of Massandra's "Nectar of the Gods" now fetches about \$90 grand, mainly from wealthy Japanese businessmen. After the breakup of the old USSR, a KGB Colonel named Vladimir Putin took over the reins of Russia, invaded Ukraine, and seized Crimea where the winery is located.

To the victor belongs the spoils. Instead of sharing the wealth, there are credible reports that Putin broke opened a bottle and shared it with his buddy, President Emmanuel Macron of France in a recent visit to Yalta. That is a classic "do as I say, not as I do" caper practiced by political elites that rig the system for personal benefit.

My Love Affair with Vinyl

by Joe Molineaux

There are four types of people in the world when it comes to vinyl records. There are those that moved beyond listening to vinyl as soon as 8-tracks, cassette tapes and compact discs became available. There are those that still have affinity for vinyl records but are not willing to invest to re-create a vinyl collection that has been tossed out, sold, donated or given to someone else. There are also those that never cared for vinyl and never will. That is a group of people I have a very hard time understanding.

And finally, there is the last group. These are people that never gave up their vinyl record collection. The same people that carefully put their collection away for another day or better yet kept their collection within reach and played records frequently. Even when others gave up on vinyl, this group stayed loyal. If an artist or band did not release their music on vinyl, I am sure they purchased CDs and cassettes. However, they never stopped loving vinyl. Those are my people. The people that have a direct and intimate relationship with the dropping of the needle and the potential crack and pops just as the first note of song one, side one was ready to play.

I consider myself extremely fortunate to have lived during a time that recorded music transitioned to and through different recorded forms. From 45 rpms and 33 rpm vinyl (I even listened to some 78 rpm vinyl that belonged to my parents) to 8-track, cassettes, compact discs and now digital, my musical journey and collection of music has been part of the history of music.

Why do I love vinyl? There are dozens of reasons I love vinyl. I could tell you that the sound is richer. I could bore you with the story behind every record I purchased and why. I could discuss at length if a record was given to me, or I had to hunt it down. It could be that I tracked down a 45 rpm or purchased an album after hearing a band live or on the radio or seeing a music video or a movie. Those musical memories are probably up near the top of the list of why I love vinyl.

Continued on page 19.

Vinyl taught me to listen and to listen fully to what an artist or multiple artists were trying to say. I am still interested in listening and whether it was in my room by myself with a turntable spinning or in a crowded space with other people, I enjoy listening.

The sight accompanied by the sound of spinning vinyl is something special. From the moment the needle drops into the groove until it nearly reaches the center label, the vinyl experience was and still is a unique way to enjoy music.

Vinyl and the imagery of the album covers are art. I have several framed albums that are as beautiful to me as many other art pieces. The creativity of the albums and even some 45 rpm sleeves not only add to the experience of listening to the music but also stand on their own as works of visual art.

There is also a social part of vinyl. Whether you are buying new or used or trading vinyl, the vinyl-loving community is alive and well.

While my wife cringes just a little when I mention my collection of vinyl, stored lovingly in a closet in our home, the truth is that she is fully responsible for a good portion of the vinyl we own. I love to tell people that my wife, Allison, "brought an awesome vinyl collection into our relationship". She still cringes at the size and scope of the collection, but deep down she knows some of the best vinyl we own is hers.

I have two turntables hooked up and ready to play. When the mood strikes me, I dive into the record stacks of my collection to enjoy the rich and beautiful sounds of vinyl.

I know that I am not alone. According to Billboard Magazine, in 2021 vinyl record sales increased over fifty one percent and eclipsed the previous year's sales. 41.72 million vinyl albums were sold in the United States alone last year, well surpassing the 27.55 million sold in 2020. Those sales of LPs made up 19.2 percent of all physical album sales. And you will see more and more outlets are stocking and selling new albums.

For the love of vinyl, I will always treasure and continue to listen to and enjoy my favorite form of recorded music. I hope if you are like me you continue to listen and enjoy vinyl. I hope to see you at wherever you buy your vinyl these days!

Why Donate Blood?
You don't need a special reason to give blood.
You just need your own reason.

- Some of us give blood because we were asked by a friend.
- Some know that a family member or a friend might need blood some day.
- Some believe it is the right thing we do.

Whatever your reason, the need is constant and your contribution is important for a healthy and reliable blood supply. And you'll feel good knowing you've helped change a life. To learn more, visit www.redcross.org

The need is constant. The gratification is instant. Give blood!™

Library Distributes 1,000 Tablets to City Residents, Non-Profits Through its Atlantic City Digital Inclusion Project

Since December 2021, the Atlantic City Free Public Library – in partnership with the T-Mobile Company and city non-profit organizations – has distributed Android broadband-enabled tablets as part of the library's Atlantic City Digital Inclusion Project. The library provided tablets (Alcatel JOY TAB 2) to: city residents from low-income households who lack access to connected devices and broadband access to the internet, and to city non-profit organizations to give to their clients. Guided by the library's strategic plan and based on community workforce and development needs detailed in "The Report of the Atlantic City Restart and Recovery Working Group" from the New Jersey Department of Community Affairs in May 2021, the project sought to help bridge the digital divide that exists in Atlantic City by providing access to devices and internet connectivity to those who need it. This Atlantic City Digital Inclusion Project is part of the Emergency Connectivity Fund Program, established by the Federal Communication Commission to provide funding for libraries for the purchase of connected devices and broadband connections for use by students and library patrons. As of mid-January 2022, the library had distributed all 1,000 of the tablets it had received. There was no cost to those who received tablets. The Atlantic City Digital Inclusion Project is scheduled to end June 30, 2022, when devices are due to be returned to the library.

Pet of the Week

COLLEY

This big guy is about 5 years old and 96 lbs. He doesn't realize his size and strength, so will need a strong family to help show him the ropes. He is very food motivated, so we are recommending a home with no children under the age of 10. He also doesn't introduce himself well to some other dogs so he would do best as a single pet or with a dog that is compatible with him. "Reduced Adoption"

PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

5 Tips: When You Meet a Seeing Eye® Dog

Always remember, distracting a Seeing Eye dog can make its owner vulnerable to harm.

1. Guide dogs don't understand social distancing. Please help keep a safe distance by staying 6 feet away.
2. Please don't let your pet near a guide dog, even if your pet is leashed. Even allowing your pet to visit or "say hi", for just a moment can cause the guide dog to lose focus on the important job he has to do.
3. It's helpful to let a person who is blind know that you are nearby and tell them if you have a dog with you.
4. Do not pet the guide dog, call the dog's name, make eye contact, feed or

talk to the dog. It's always best to treat the dog as if he is not there.

5. Do not shout directions, take the person by the arm or interrupt them, especially when they are crossing the street. Always ask the person if they need help first.

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise puppies for the Seeing Eye. The Seeing Eye breeds puppies specifically to be guide dogs for the blind. Only dogs that are bred, raised and trained by The Seeing Eye have the right and privilege to be called "Seeing Eye Dogs." PPAWS is always looking for more people to help raise these amazing puppies. If you are interested, contact Peter at (609) 804-8774 for more information.

Contemplating last minute ideas for this weekend? Well, you're in luck. There are a few exciting events happening this weekend in Atlantic City, I think might help. Below is a list of some ideas, and of course I saved my most favorite idea for last. Keep reading. I will admit, I'm still so happy watching the city, and it's business inhabitants thriving again after such a long, and painfully drawn out Schmoivd pandemic. But! Life goes on. Let's dive right in!

Performing live at Ovation Hall, at Ocean Casino Resort, is Aaron Lewis. Lewis is an American musician who is best known as the lead vocalist, rhythm guitarist and founding member of the rock band Staind, with whom he released seven studio albums. Since 2010, he has pursued a successful solo career in country music with his debut EP Town Line, which was released in 2011. Lewis' first full-length solo release, The Road, was released by Blaster Records in 2012. Over at The Music Box, at Borgata, you can check out Australian-English soft rock duo, Air Supply. Consisting of English-born singer-songwriter and guitarist Graham Russell and Australian lead vocalist Russell Hitchcock, Air Supply had a succession of hits worldwide, including eight top-ten hits in the United States in the early 1980s. They formed in 1975 and have included various accompanying musicians and singers. For more information and tickets go to <https://www.ticketmaster.com/event/02005830D23050F9>.

American singer and songwriter Peabo Bryson is coming to Tropicana Showroom with special guest Oleta Adams this Saturday at 8:00 pm. Bryson a two-time Grammy award winner with songs such as "Feel the Fire" and "Can You Stop the Rain", and he is guaranteed to put on a performance you do not want to miss! Desperately in need of a laugh or two? Or maybe five? Check out the world-famous Celebrity Theater located inside The Claridge Hotel, and now permanent home for Atlantic City Comedy Club, to see some of the most talked about up-and-coming comedians, as well as those established in the industry. Catch the funniest comedians from New Jersey, Philadelphia, and New York right here in the Claridge Hotel! Your favorite comedians from late night TV, popular podcasts, and radio personalities headline the showroom each and every weekend. This Saturday's talent lineup consists of Michael Verdi, Brendan Donegan, Michelle Tomko and David James. For more information and to reserve your table go to <https://atlanticcitycomedyclub.com/events>.

And lastly, something I mentioned a couple weeks ago, an event of the most epic proportions is FINALLY here: Wing Wars! You must know how unbelievably excited I am for this. And not just my dream of steam-rolling through the ballroom with my head flip-top open and just inhaling as many wings as inhumanly possible. But it's not just my stomach that drives this excitement. More than 15 South Jersey eateries, bars and restaurants will compete for ultimate wing supremacy at Atlantic City Weekly's Wing Wars V Noon to 4 p.m. this Saturday. It's an all-you-can-eat wing extravaganza, presented by 103.7 WMGM Rocks, and your favorite local GACCA board member will be there, representing ((shameless work plug))The Deauville Inn! Tickets for the 1 to 4 p.m. session are just only \$30, and admission includes unlimited wings and dipping sauces from all the competitors. Live music provided by Robert's Basement, killer drink specials, giveaways, contests and more. Is there anything more glorious? What are you waiting for? Get your tickets RIGHT NOW at <https://www.eventbrite.com/e/2022-atlantic-city-weekly-wing-wars-tickets-224766150607?aff=ebdssbdest>. And don't forget to stop by and visit me! Hopefully before I pass out from inhaling chicken. And also, before you see me sprawled out on the ballroom floor, picking at the chicken bones like a savage. Just trust me on this. It won't be a pretty sight. It's something you won't be able to NOT see after. It will stay with you. Lurking in the crevices of your mind. Sticking like foot fungus. Until next week, Folks! #stayjerseystrong
