CHICKPEAS

As a rich source of vitamins, minerals, and fiber, chickpeas may offer a variety of health benefits, such as aiding weight management, improving digestion, and reducing your risk of disease. Additionally, this legume is high in protein and makes an excellent replacement for meat in many vegetarian and vegan dishes.

Chickpeas, also known as garbanzo beans are a very healthy food. They are part of the legume family which counts as a vegetable, fat and protein food. Chickpeas are loaded with fiber needed for a healthy heart and gut. You can eat at least one serving (28 grams) of chickpeas per day. However, don't eat more than 70 grams a day since that can cause adverse side effects. If you consume too many chickpeas, some side effects you may get include bloating, nausea, and gas. It's important to remember that chickpeas should not be eaten raw.

Ingredients like Greek yogurt, raspberries, chickpeas and garlic are both gut healthy and anti-inflammatory foods. This means these snacks can help aid in healthy digestion as well as relieve symptoms of inflammation like joint stiffness, mental fog and high blood pressure. Enjoy chickpeas in salads, soups and blended as hummas.

FEBRUARY 1 - FEBRUARY 7, 2024

ARIES (Mar. 21-April 20)

Success in socializing, Aries! A Venus-Jupiter trine on Monday helps you achieve a higher level of professional success through giving and receiving support. Friday's Mercury-Neptune sextile supports you in letting go and finding closure on something career-related. This weekend's Sagittarius Moon in your adventure zone is a joyful and exhilarating one, so enjoy!

TAURUS (Apr. 21-May 21)

That was then, this is now, Taurus. Monday's Venus-Jupiter trine supports you seeing people as they are in the present, not for who they were in the past—or for who other people were in the past. Friday's Mercury-Neptune sextile invites you to reconnect with your friends so you can support each other's dreams. This weekend's Sagittarius Moon in your intimacy zone helps you see eroticism and sexuality more powerfully.

GEMINI (May 22-June 21)

Feel it to heal it, Gemini. Monday's Venus-Jupiter trine inspires you to run towards the emotion you've been avoiding. Only when you face this feeling can you heal it. Friday's Mercury-Neptune sextile brings a burst of imagination and vision to help you approach your career with new ideas. This weekend's Sagittarius Moon is a romantic one, so let yourself connect with the most loving parts of your personality.

CANCER (June 22-July 22)

Blend friendship and love, Cancer. Monday's Venus-Jupiter trine wants you to bring more levity to love and vice versa. It's all about integrating the best of friendship and romance. Friday's Mercury-Neptune sextile helps you experience trust differently. This weekend's Sagittarius Moon helps you stay mindful and in tune with the details for greater wellbeing.

LEO (July 23-Aug 22)

Small career goals only, Leo! Monday's Venus-Jupiter trine is validating the career changes you want to make—but to achieve them, you need to move carefully, focusing on small goals over time. Friday's Mercury-Neptune sextile wants you to crawl before you sprint. This weekend's Sagittarius Moon puts a fire in your heart, so express yourself and follow your bliss!

VIRGO (Aug. 23-Sept. 23)

Think again, Virgo! Monday's Venus-Jupiter trine helps you see yourself differently. Lean into confidence and talk to yourself more positively. Friday's Mercury-Neptune sextile inspires you to have more self-compassion and positive self-talk. The weekend's Sagittarius Moon in your home/family zone connects you to the people and places that give you safety.

LIBRA (Sept. 24-Oct. 23)

What's your truth, Libra? Monday's Venus-Jupiter trine wants you to be more direct with your desires. Try to express your authenticity in clear, compassionate ways. Friday's Mercury-Neptune sextile gives you clues about your emotional wellbeing and who heals you. This weekend's Sagittarius Moon in your cognition zone wants you to follow curiosity for curiosity's sake.

SCORPIO (Oct. 24 - Nov. 22)

Speak up, Scorpio! Monday's Venus-Jupiter trine challenges you to use your words a bit faster in relationships so you can maximize clear understanding, agreements, and expectations. Friday's Mercury-Neptune sextile helps your fluency in the nonverbal language. This weekend's Sagittarius Moon in your embodiment zone helps you connect to pleasure and somatic wisdom.

SAGITTARIUS (Nov. 23-Dec. 21)

Live into your values, Sag! Monday's Venus-Jupiter trine wants to help your worry by inspiring you to practice your values. There's no clarity like knowing you are who you say you are. Friday's Mercury-Neptune sextile motivates you to check your money mindset. This weekend offers you a Sagittarius Moon so you can live out loud and express your strengths.

CAPRICORN (Dec 22- Jan. 20)

Reveal, don't conceal, Capricorn. Monday's Venus-Jupiter trine reminds you that you can only get to intimacy and connection through vulnerability and sharing your feelings. You can do it! Friday's Mercury-Neptune trine reframes your relationship to emotions. This weekend's Sagittarius Moon wants you to take time to rest and retreat for contemplation and introspection.

AQUARIUS (Jan. 21-Feb. 19)

Happy birthday, Aquarius! Monday's Venus-Jupiter trine helps you set yourself free from people and patterns from the past so you can love more bravely in the present. Friday's Mercury-Neptune trine inspires you to initiate a conversation for closure. This weekend's Sagittarius Moon is a friendly, social one, so reunite with your community and celebrate each other!

PISCES (Feb. 20-Mar. 20)

Emotions are confusing, Pisces. Monday's Venus-Jupiter trine blurs the lines between lover, friend, and the in-between. Stay curious, flexible, and unattached to outcomes. Friday's Mercury-Neptune trine is your moment to live into your values with your friends and see who honors that. This weekend's Sagittarius Moon is a productive one, so see where it takes you!

GIVE BLOOD

Why Donate Blood?

You don't need a special reason to give blood. *You just need your own reason.*

- Some of us give blood because we were asked by a friend.
- Some know that a family member or friend might need blood some day.
- Some believe it is the right thing to do.

Whatever your reason, the need is constant and your contribution is important for a healthy and reliable blood supply. And you'll feel good knowing you've helped change a life. To learn more, visit www.redcross.org

The need is constant. The gratification is instant. Give blood.

INGREDIENTS:

- 1 Lb Ground Buffalo or Bison
- 4 oz Lump Crab Meat
- 2 oz Softened Boursin Cheese
- 1/4 tsp Worcestershire Sauce
- 1/4 tsp Old Bay Seasoning
- 4 Slices Cooked Applewood Bacon
- 2 Pretzel Buns
- Kosher Salt & Fresh Cracked Black Pepper To Taste

PREPARATION:

Preheat grill to medium high heat. Season buffalo/bison with salt and pepper. Make two 8 oz patties from the meat. Spray the grill with nonstick spray. Place the patties on the grill. While the patties are cooking, mix the Boursin cheese, Worcestershire and Old Bay together by hand. Using your hands, gently mix the crab with cheese mixture. When the burgers are close to desired doneness, top with cheesy crab mix. Press the mix down to cover the burgers and close the grill lid for about 2 minutes to allow mixture to melt down. Place burgers on buns, top with bacon & serve with sides of lettuce, tomatoes, onions, ketchup, mustard, etc... Enjoy!

FROM THE HEART OF ATLANTIC COUNTY MAGAZINE

After nearly 10 years as a Lynn Kramer Village by the Shore Driver at Jewish Family Service, Richard Everett (center) was surprised by agency co-workers – Karen Kelly, Alan Fishkin, Natasha Bettencourt, Christina Swank, Richard Hartwig, Jayne Hartwig and Hank Bennett – with a retirement party. Attendees enjoyed lunch, a chance to spend time together and hear about Richard's retirement plans. The group presented him with gifts including a customized JFS logo model vehicle. **“Ladies and Gentlemen.
 I present to you... Judy Brenna”**
 Submitted by: Judy Brenna, Communications Director - GACCA
 Catering and Special Events Director - The Deauville Inn

((The house lights in the theatre dim, the audience begin to look around and murmur... there is chatter among the crowd. A spotlight shows on a man in a 3-piece suit who gracefully walks across the stage and up to the microphone. The crowd is silent. He adjusts the microphone stand and taps the mic twice to check for volume. He looks out to the crowd, takes a moment to collect himself then speaks, “Ladies and Gentlemen. I present to you... Judy Brenna”. The crowd erupts in a thunderous applause...)). Wishful thinking.

Well, hello there! I missed you. I missed this. After a very long hiatus, I have returned, refreshed, renewed, with far more white hairs than I care to admit, but I am here, nonetheless! I am thrilled to announce my return as interim Communications Director for the Greater Atlantic City Concierge Association. I have been on many (mis)adventures since my departure, some fairly interesting, some we will forgo the chunky details, but all in all, I cannot express how happy (and relieved) I am to be back at it ((lacing up my new Nike runners)), your little foot soldier for the hospitality industry. And yes, to answer your question, I am still at the Deauville Inn, in Strathmere, NJ., fulfilling all the brides’ visions and needs. We have since expanded to a hospitality company, Blue Dog Hospitality Group, consisting of The Deauville Inn, Yesterday’s Creekside Tavern, Captain Obadiah’s Seafood Market, and Right Turn Liquors, and sure we can get into that down the road, but what I really want to talk about is my return experience.

There couldn't have been a more perfect way to do it. My first day back was at our Annual Board of Directors Election Dinner, held this year at Il Verdi in the Tropicana. What made this dinner more exceptional than others in the recent past, was the presence of the Philadelphia Concierge Association. An alliance has been reformed, which can only mean the best things to come with this partnership. There was a certain, palpable electricity in the air that night, and I'm pretty sure everyone felt it. Maybe it was the fact that the Philly Concierge was there. Maybe it was the speech Doreen Prinzo made. Maybe it was the calamari. Regardless, the night was glorious, and so was seeing all the faces, of which I was surprised I missed. I might have even gotten a little choked up at one moment, but we won't talk about that ((clearing throat)).

First of all, let's talk about Il Verdi! Since my exodus at the Tropicana, so many things have changed and upgraded that I wasn't aware of. Aside from the big one, which we all know, Caesar's Entertainment acquiring the property, as well as the many new tenants ((note to self, I must try some of these places)), Il Verdi relocated. So, you can imagine my surprise when I rolled up to the casino floor, after not being on property since October of 2020, intending to go left, but the signs read “go right”. I was perplexed and a bit concerned because I thought I might have had a stroke during Covid, unbeknownst to me, and suffered memory loss. But then I understood. Parked in the old spot where Olon used to be, the venue is expansive, and impressive. From the very inviting front bar upon entrance, the crisp and flowing fabrics, and the ornately carved wood accents in the dining room, it's a bright, fresh, revamped take on coastal, rustic-luxury dining. They have offered delicious, authentic Italian cuisine for over 40 years, including the best anti-pasti around, plus handmade pasta and other delicious Italian delicacies, but this is such an impressive and refreshing face lift, with that GORgeous view of the Atlantic Ocean, that the atmosphere makes the food taste even better. We will be doing a spotlight later this month on Il Verdi, but I could not resist touching on this. Their group dining experience was glorious. The food was tantalizing the palates, the vino was flowing, the company was awesome. La notte era la perfezione!

I am genuinely excited to start reporting on the best happenings around Atlantic (and perhaps Cape May) County, sharing venue spotlights, and can't wait to see what this new adventure with the GACCA has in store for me. Stay tuned for our Annual Newsletter releasing at the end of February, and a little facelift of our own to the GACCA website! It's good to be home. Until next time...

Obesity: It's Not What You Think It Is by Richard Fast

A refreshingly simple approach to understanding the endlessly confusing world of dieting, fitness, weight loss and nutrition. Divided into three parts — The Culprit, The Cause and The Cure — it takes readers on an eye-opening journey into the recent origins of our "modern" obesity epidemic and how we've come to find ourselves mired in the absurd paradox of being overfed and undernourished, resulting in the greatest health crises we've ever faced.

The book exposes the endless myths around weight loss, fitness and health and the industries that are profiting mightily through their deception and deceit. Despite what we've been told, obesity is not a weight issue; it's a health issue, and it affects us all regardless of our weight.

Weight loss begins with a different perspective and the understanding that health is our natural state. Purchase at <https://bit.ly/48o8aZM>.

Flight of the Rondone by Patrick Girondi

A true rags-to-riches tale in which the protagonist, an entertaining and eccentric high school dropout, starts his career shining shoes, stealing car parts, and escaping life-threatening situations while outwitting the Chicago police. His fortunes quickly change when his eldest son, Santino, is diagnosed with a fatal blood disease. The author hunts for a cure in a drama that has boundless implications in the world of gene therapy.

After decades, he delivers the world's first commercial batch of vector with the potential to cure Sickle Cell Disease and Thalassemia. But the success of the cure—and the fate of his son—is imperiled, in a world of lab jackets, mysterious deaths, and cutthroat Wall Street bankers. This is a story of love, beating the odds — gritty and realistic with little regard for empire or etiquette. Purchase at <https://bit.ly/3r169IX>.

Four Captivating Reads

Bitter Ground by D.A. Galloway

126 days. 1200 miles. A fight for survival. In this third volume of the "Frontier Travel Series" based on actual events from the Amazon #1 bestselling author, after Graham Davidson witnesses Custer's defeat at Little Bighorn, he wants to raise his family away from the battles of the Great Sioux War. Graham and Makawee travel with their two children to northeast Oregon, hoping to find a home with the Nez Perce.

When several Indian bands won't abide by a treaty that forces them onto a reservation, their peaceful life is shattered. Graham and his family join 700 Nez Perce in their flight from the U.S. Army in 1877.

The caravan makes a perilous trek through Idaho, Yellowstone National Park, and Montana. The exiled people hope to reach Canada, but military leaders plan to capture or kill the Nez Perce before they get there. Can Graham and Makawee be among the casualties? Purchase at <https://bit.ly/418XJql>.

Fireflies and Zeroes by Liz Larson

"A book as complex and rich as the small town it portrays in such loving detail." In this Amazon bestseller, the pop-punk trio The Generation is back — after a yearlong hiatus in which their beloved Charlottesville, VA, hometown was rocked by racist violence and they have heard nothing but radio silence from their brilliant yet volatile front man, Max.

At a party on the eve of their reunion tour, guitarist Jason watches in horror as Max is thrown to his death off a balcony. Or so he thinks. In the chaotic hours that follow, it's clear that the victim on the balcony was an imposter, and there are no simple answers when it comes to the real Max.

Jason resolves to find Max and, in doing so, will unravel surprising personal truths about the people and places he cares about most. Purchase at <https://bit.ly/46NxPuw>.

DUNKIN

Meet Dunkin! She is a 2 year old pitbull mix. Dunkin was found running around the Dunkin Donuts in Atlantic City. She was brought to us and no one stepped up to reclaim her. She is a sweet and loving girl looking for her furever home! She would do good in a home with a large area to run around to get her energy out. Dunkin does well with other dogs and doesn't seem to mind cats. She is such a happy, friendly girl that has tons of love to share.

PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

Talk about making a PAWS-itive impact!

Becoming a puppy raiser or sitter makes a difference not only in those matched with a Seeing Eye dog but also allows you to join a community like no other. Seeing Eye puppy clubs consist of people of all ages and walks of life who all share the desire to help others.

A puppy raiser is the primary caretaker for a Seeing Eye puppy for about one year. A puppy sitter is someone who is available to help care for a puppy for short periods of time (typically for a night or weekend) when their primary caretaker cannot. This is a great way to get started in puppy raising, or to help out if you cannot commit to raising a puppy full time. We could not continue our mission without all our amazing volunteer puppy raisers and sitters.

If you are interested in joining our puppy raising community, please visit seeingeye.org/raise

PD: A collage shows photos of a yellow Lab/golden retriever cross puppy sound asleep in a Seeing Eye staff member's arms, a German shepherd wearing a Seeing Eye puppy raising bandana sitting amidst daffodils with his head tilted, a young girl with the black Lab/golden retriever cross puppy she is raising sitting at her side, and a group shot of a puppy club sitting together at a park with puppies of all breeds. Text reads, "Join Our Family – Raise a Seeing Eye Puppy – seeingeye.org/raise"

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit seeingeye.org/raise for info.

Best Super Bowl Commercials 2024

Watch all of the best Super Bowl 2024 commercials, including ads featuring Tom Brady, Rob Gronkowski, Arnold Schwarzenegger, and more.

Super Bowl LVIII will feature some familiar faces when perennial contenders the Kansas City Chiefs and the San Francisco 49ers face off on Feb. 11 at 6:30 p.m. on CBS. For viewers who are more invested in the Super Bowl 2024 commercials than the big game itself, there will be plenty of familiar faces as well.

Super Bowl ads in 2021 and 2022 focused more on uplifting messages amidst a global pandemic, but celebrity endorsements roared back in a big way during the 2023 Super Bowl. With many early big game teasers already released online, it's apparent that star power will have a big presence in many Super Bowl 2024 commercials as well.

Tom Brady is teaming up with fellow GOAT Wayne Gretzky and actor Vince Vaughn for gambling company BetMGM. Brady's former Patriots teammate Rob Gronkowski, who missed a field goal on live television at half time last year in an ad for gambling company FanDuel, will be back to redeem himself alongside West Newbury native John Cena.

Pop star and Nantucket native Meghan Trainor, meanwhile, is just one star in a large cast of characters for beauty brand e.l.f. Cosmetics, which created a 15-minute short film to tease its "Jury Duty"-themed Super Bowl commercial.

Even during a time of economic uncertainty, companies are once again paying top dollar to advertise during the 2024 Super Bowl. CBS reportedly sold 100 percent of its inventory for the game, with several 30-second ad spots going for close to \$7 million. Even the kid-friendly Super Bowl simulcast airing on Nickelodeon sold all of its ad space by the end of January, albeit at a lower price point.

Many of the usual brands will be back this year, with Budweiser, Doritos, and Volkswagen among the companies airing ads in 2024 that have become big game fixtures over the decades.

Others will be making their first appearance, including Patriots owner Robert Kraft's recently launched nonprofit Foundation to Combat Antisemitism (FCAS), which will build on the organization's "Stand Up to Jewish Hate" awareness campaign from 2023.

Here are all of the Super Bowl 2024 commercials and teasers set to air during the big game released so far:
