Musical Motivation: "Gonna Fly Now"

by Joe Molineaux

When Bill Conti composed "Gonna Fly Now", also known as "Theme from Rocky" in the mid nineteen seventies, he was most likely not thinking the song would be played before every Philadelphia Eagles home game kick-off at Lincoln Financial Field over 45 years into the future. Of course with the success of the movie "Rocky" in 1976, the song became a theme song of the underdog as it burst into our collective consciousness becoming a pop culture staple in music.

The film's main character, Rocky Balboa, conducted his daily training regimen, including running up the 72 steps leading to the Philadelphia Museum of Art in Philadelphia. In the iconic movie scene, Rocky raises his arms to the song. The visual and the accompanying music create a powerful film moment and reminds us all to dream big. The pose is so iconic, that a statue capturing the spirit of that pose was created and has enjoyed display at Philadelphia's now demolished Spectrum and now near the foot of the Philadelphia Museum of Art aforementioned steps. The song is played at other sporting events, but more so in Philadelphia and the Philly area.

The Bill Conti version of the song reached number one on the Billboard Hot 100 Charts. The popularity of Disco Music at the time of the song's creation clearly influenced the writing of the song. It spawned a number of cover versions. The theme has been included in eight "Rocky" films. As far as its film soundtrack achievements, the American Film Institute listed it at 58th on its "100 Years...100 Songs" list.

Hearing the theme from "Rocky" brings on feelings of motivation, inspiration, and helps us muster the power and strength to overcome a challenge or adversary. Let's remember at the beginning of the movie, Rocky is considered a "loser", sure he is a good guy with lots of things potentially holding him back. He is stuck and needs to succeed, he needs to go for the win and he wants to take his shot. When the score on the scoreboard seems insurmountable, or the chance of success seems slim, and the competition is winning.... you need to fight to win. The power of this song helps us dig deeper and whether we win or lose, we go the distance.

Maybe it's because the movie was based in Philadelphia. Perhaps it has been played thousands of times in so many underdog moments throughout our lives. Perhaps it is because Rocky was one of the movies played over and over when we first had access to cable television movie channels like HBO and Prism. Whatever the reason, this is one of the songs that is so immediately recognizable and one that fits so many situations in life.

Life is filled with challenges and adversities along with moments that require true motivation and inspiration. The next time you hear The Theme from Rocky, take a moment to remember Bill Conti and the creative writing that not only captured the spirit of a movie franchise but created a lasting song of motivating us to triumph over challenges we face.

As we watch our Philadelphia Eagles enter into the NFC Championship Game, cheer the players and fans on and play "Gonna Fly Now" wherever you find yourself watching the game. Go Birds!

It might be time to shake a leg and do a personal makeover. Dream a little this week. Plan your social events carefully. Focus on your own domestic problems.

GEMINI (May 22-June 21)

Take care of the needs of elders in your family. Call a good friend. You must try to help. You should be making plans to spend some time with the ones you love.

AQUARIUS (Jan. 21-Feb. 19)

You may not want to spend time around family or your home. Inharmonious situations at home may be extremely upsetting for you this week. Don't expect the whole family to be overjoyed. Your talents might just be discovered.

PISCES (Feb. 20-Mar. 20)

Problems with relatives and friends could surface. Friends and relatives may not understand your needs. If you can put some work into home improvements, you should. Chances are they are jealous.

Hello South Jersey:

TEST YOUR SMARTS

There is a good reason Jeopardy has remained one of television's most beloved shows for more than 50 years. The format may have changed slightly and the sets are more sophisticated, but the premise is the same...how much do you know and what can you answer under pressure?

You may not make it to Los Angeles to play on camera, but you can test your knowledge every Wednesday night at the Atlantic City Country Club in Northfield. The Taproom Bar & Grille hosts the weekly Quizzo night, starting at 6 p.m. Just show up to play.

MAKE SUPER BOWL A FULL DAY OF EXCITEMENT AND FUN

Super Bowl is a day like no other. The excitement and suspense of who will compete and win, after a hard-fought 18 weeks of play and multiple post-season games, is electric. Norman and I? Of course, we're rooting for the Eagles.

You can now have a great time and financially help South Jersey residents who need some financial assistance. The Chief Arthur R. Brown, Jr. Memorial Scholarship Foundation's 31st Annual Super Bowl Pre-Party will take place on Super Bowl Sunday, February 12, from 2 p.m.-6 p.m. at Dock's Oyster House in Atlantic City. Hosted by former State Senator/Assemblyman Chris Brown, the \$20 ticket includes a buffet, a free mug with \$1.00 beverage refills and door prizes.

Tickets may be purchased at the door. The afternoon promises to be a great time for a good cause and you can still be home for kickoff at 6:30 p.m., no matter who plays. Proceeds benefit the Brown Foundation, which to date has awarded almost \$400,000 in scholarships and financial aid to South Jersey residents. Several charities to share in the proceeds include the SPCA, Boys & Girls Club of AC, Dorrington Ice Hockey Foundation, Vest-A-Cop, Hackney Swim, Atlantic County Chapter of Vietnam Veterans of America and the A.C.B.P. Classic boat races.

Established in 1992, the Foundation honors, former Chief of the Atlantic City Beach Patrol Arthur R. Brown, Jr. Its mission is to provide scholarship tuition and other assistance to deserving local individuals and organizations, based on scholastic achievement and demonstrated financial need.

HELD OVER FOR SUNDAY SHOWS

If you missed the Hard Rock's Dance to the Music, a 60's Celebration revue, no worries. It has proven so popular that the Hard Rock has held it over every Sunday afternoon, live at 4 p.m. in the Sound Waves Theater.

Whether your favorites from that era are Motown, the British Invasion that began with the Beatles in 1964 or the early '60s beach and car songs from groups like the Beach Boys, there is something for you. Sing, dance or tap your feet in rhythm as great singers, dancers or musicians perform huge hits from iconic performers like Aretha Franklin, the Rolling Stones, Michael Jackson and Elvis Presley.

Much of the late '60s music featured anti-war and social cause themes. Janis Joplin, who died of a drug overdose, reflected that culture. As the psychedelic/hippie era closed the decade, so the "Age of Aquarius" closes the show.

Tickets start at \$25 at hardrockhotelatlanticcity.com.

CHANGE YOUR LIFE IN THE NEW YEAR

The new year symbolizes new beginnings, so if you are considering a career or job change or upgrade, now is the perfect time to set those plans in motion. The Ideal Institute of Technology (IIT) is a good place to start.

The Pleasantville, Atlantic County career college focuses on necessary skills for success in numerous industries. Students are paid while attending the program and actually working. The philosophy is that IIT students should "earn while they learn," regardless of the industry. Practical experience includes a paid internship.

Three key goals define the school's mission:

- To provide hands-on technology training that would lead to long-term employment.
- To provide educational opportunities to the underemployed and unemployed in Atlantic City and the surrounding areas.
- To provide job placement assistance through job readiness training.

Types of industries include administration, accounting, business and technology, advance manufacturing, construction and entrepreneurship. As a thank-you for their service, IIT is emphasizing its 2023 efforts for Veterans Career Development.

Ideal Institute of Technology facility tours and interviews are available. Visit www.iitnj.org for more details.

FUN ON THE BOARDWALK

Atlantic City's historic Boardwalk Hall has a full calendar of entertainment coming up throughout the winter. Enjoy fun musical and sporting events almost every

weekend. All tickets are available through www.ticketmaster.com.

Most events are in the evenings, but a few have multiple times. Check the website carefully. After enjoying the events, why not have an early or late meal at one of the many dining options listed here in this issue.

CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE

SNAPPER SOUP

INGREDIENTS:

- 2 lbs Fresh Snapping Turtle
- 1/2 cup Butter
- 1/4 cup Diced Onions
- 1/4 cup Diced Celery
- 1/4 cup Diced Carrots
- 4 Cloves Minced Garlic
- 1 Tbsp Tomato Paste
- 1 Tbsp Smoked Paprika
- 1 tsp Worcestershire Sauce
- 1/2 tsp Kitchen Bouquet
- 3/4 cup Sherry Wine
- 64 oz Beef Broth
- 2 Bay Leaves
- 1/4 cup Flour
- Salt & Fresh Cracked Black Pepper to Taste

Garnish:

- Fresh, Finely Chopped Parsley

PREPARATION:

In a large pot, bring 1 gallon of salted water to a boil. When the water is boiling add in the turtle meat. Allow water to come back to a boil for a minute. Reduce heat to low. Skim the scum off the top and discard. Cover with lid and allow to cook for about 2-1/2 hours or tender. In the meantime, melt butter in another pot over medium low heat. Add in; onions, celery, carrots and garlic. Cook until translucent and soft. Stir in tomato paste and cook for about 2 more minutes. Deglaze with half a cup of sherry wine. Reduce liquid by half. Add in remaining ingredients and allow to cook on low setting for about 2-1/2 hours. Remove bay leaves and puree everything with an immersion blender. Remove meat from pot to a cutting board. Allow to cool down and rest for 10 minutes. Dice meat into 1/4" cubes. Add meat to soup and allow to cook for at least another half hour before serving. Pour in remaining sherry right before serving. Garnish with parsley. Enjoy! Hint: You can pour mixture into a food processor or blender if you don't have an immersion blender. History: I grew up on many types of snapper soup and this one is bomb! I'd like to pay tribute to the Pennsylvania Dutch with my version of this PA classic.

NUTRITION, WEIGHT LOSS & FITNESS

DAIRY - IS IT NECESSARY?

For many people, consuming dairy is the easiest way to get the calcium, vitamin D, and protein they need to keep their heart, muscles, and bones healthy and functioning properly. My clients often ask if the consumption of cow's milk is essential for proper health. The bottom line is no, dairy products are not a nutritional requirement for humans. We can get all of the nutrients for optimal health from a high-quality diet that limits or contains no dairy.

Plant-based milk alternatives can be made from legumes (soy), cereals (oats, rice), nuts (almond, coconut), seeds (flax, hemp) or other grains like quinoa. Some products are fortified with calcium and vitamin D to make them similar to dairy milk, while others are not. People can live without dairy in their diet but it's important that they seek out the essential nutrients that milk and other dairy foods provide, from other dietary sources.

The Wizard of Odds

The "Wizard of Odds" is a local casino maven who has first-hand and accurate inside information on the best and worst casino deals in Atlantic City. If you follow the Wizard's advice in patronizing the best and avoiding the worst casinos, your money will last longer, and you will have a better chance to win. This week's feature is about "Apples and Oranges!"

Best Casino to Play Slots:.....(Tie) Hard Rock & Borgata
 Best Casino Players Card:....."M'Life" Borgata
 Best Casino Promotions:.....(Free Slot Play) Borgata
 Best Player's Club:....."Amphora Lounge" Borgata
 Highest Progressive Slot Meters:.....Bally's
 Best Chinese Restaurant:....."Golden Dynasty" Tropicana
 Highest Class of Customers:....."The Nicer People Place" Borgata
 Best Steak House:.....(Tie)"Morton's" & "Ruth's Chris" in and by Caesar's
 Best Entertainment Program.....Hard Rock
 Cleanest Casino:.....(Tie) Ocean Casino Resort, Resorts & Borgata
 The Safest Casino:.....Borgata
 Classiest Sportsbook in Town:.....Borgata

Take a gander at the "Wiz's" best list directly above. Since the Borgata has the most "bests" you might surmise that he is "in the pocket" of that property. Not so! Do you remember when he took their Old Homestead Steakhouse off the best list? The "Wiz" calls them as he sees them! That said, the "Wiz" would like to offer a side-by-side analysis of what makes a great casino worthy of your play by comparing the Borgata with their next-door neighbor, the failing Harrah's. (Dec. revenue \$27 mil in 2015 to \$10.59 mil in Dec. 2022)

Location, location, location is a big factor. Both properties are across from one another in the Marina District, yet the Borgata has tripled Harrah's revenues (\$724 million v. \$258 million) last year.

Casino size is also very important. Although Harrah's is the largest casino in A.C. its revenues fall far short of the Borgata's. (150,000 sq. ft. v 136,000 sq. ft.)

Cleanliness is important. The Borgata's parking garage is bright, and immaculate, while Harrah's is dark and dingy. It looks like the pigeon poop has not been addressed in four decades since it opened.

Your safety is also very important. The Borgata covers its two hotel towers with security guards and key control 100% of the time. The four dangerous hotel towers at Harrah's are rarely covered. Harrah's once marketed itself as "The Better People Place." At a time, that was true, but the Borgata has captured that most important title by attracting a well-dressed and genteel class of customers while Harrah's seems to attract a very rough crowd by dress and demeanor.

Management is extremely important. There is an old, but true, saying in the casino gaming business that "a casino is 5% bricks and mortar, and 95% people." Another appropriate adage is "a fish stinks from the head."

Integrity is very important when it comes to casino gaming. The "Wiz" has commissioned a study of slot odds conducted by a major university to determine if something is "fishy" or not. Stay tuned.

PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

The Seeing Eye Celebrates 18,000 Seeing Eye® Teams

In December, The Seeing Eye passed an important milestone when it paired Kyle Coon of Colorado Springs, Colo. with a 2-year-old black Labrador retriever named Hugh, making them the 18,000th team to graduate from the program since 1929. This milestone is reached as the non-profit approaches its 94th anniversary in January.

"How amazing it is to pair Kyle with Hugh, to help guide him on all of the journeys that life takes them on. Just like every team that came before, their partnership was created with careful consideration, and support from countless individuals throughout the community," said Seeing Eye President & CEO Peggi Howard. "We are so grateful for the graduates who choose our dogs, the puppy raisers and staff who lovingly care for our dogs, and all of the volunteers and donors who came together to play a part in creating 18,000 Seeing Eye partnerships over the last 94 years."

Coon, a 31-year-old triathlete, motivational speaker and author, is a member of the U.S. Paratriathlon Resident Team in Colorado Springs. In his free time, he enjoys rock climbing, downhill skiing and playing the guitar. Hugh is Coon's third Seeing Eye dog.

"From the time I was a little kid, I dreamed of being able to cruise around independently with a dog. Now I've been matched with Hugh, my third Seeing Eye Dog, and I can't begin to express how much confidence I have when we're out and about," said Kyle Coon. "As Team USA athletes we dedicate a certain portion of our lives to being the best in our chosen sport. Hugh is dedicated to making sure we travel smoothly and safely. I'm extremely honored and humbled

to be part of the 18,000th match in The Seeing Eye's history, and I can't wait to see what adventures Hugh and I experience together from here on out."

Established in 1929, The Seeing Eye provides specially bred and trained dogs to guide people who are blind. Seeing Eye dog users experience greatly enhanced mobility and independence, allowing them to retain their active lifestyles despite blindness. The Seeing Eye is a 501(c)3 non-profit supported by contributions from individuals, corporations and foundations, bequests, and other planned gifts.

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. If you are interested in raising a puppy for The Seeing Eye, contact Peter at (609)804-8774 or visit seeingeye.org/raise for information.

The Atlantic City Library is Back To Regular Hours

Both Atlantic City Free Public Library locations – the Main Library at 1 North Tennessee Ave. and Richmond Branch Library at 4115 Ventnor Ave. – have resumed their regular hours of operation as of Monday, Jan, 23rd, 2023.

Main Library will be open 9:30 a.m.-5 p.m. Monday through Saturday. Richmond Branch Library will be open 9:30 a.m.-5 p.m. Tuesday and Wednesday.

Main Library was closed for three weeks after burst sprinkler system pipes were discovered on Christmas. The building suffered extensive water damage as a result. Main Library reopened Jan. 17 with reduced hours.
