NUTRITION, WEIGHT LOSS & FITNESS

HIGH FIBER

It's important that our health goals are to add more fiber to your diet, and there are lots of great options. Fruits, vegetables, grains, beans, peas and lentils all help you reach that daily fiber goal. Fiber-rich foods have a mix of different fiber types. Some fiber helps keep stool moving in the large intestine. Other types of fiber help a person feel full for longer. That can lower the overall calories consumed and help with weight control. And a diet rich in dietary fiber in general has been linked to lower levels of heart disease. The suggested amount of daily fiber depends on your age and how many calories you take in each day. Current dietary guidelines for Americans suggests that people age 2 and older get 14 grams of fiber for every 1,000 calories in the daily diet.

Release the week of April 26 - May 2, 2024

HOROSCOPE

APRIL 25 - MAY 1, 2024

ARIES (Mar. 21- April 20)
It's all go in the heavens with the Jupiter/Uranus conjunction poised for Sunday (BST), the Sun square Pluto and a Scorpio Full Moon. All gathering the strands of your life into one big culmination which sifts out what needs to be eliminated now and what you need to move towards. Mercury pivots in Aries on Thursday bringing the retrograde to an end. Allow the dust to settle and clarity will be restored.

TAURUS (Apr. 21- May 21)
The week to come is sure to be defining in terms of what you want out of a situation and drawing a line under what isn't desirable. Sunday's heady meeting between Jupiter and Uranus in Taurus is electric for producing an epiphany and as the Sun squares off to Pluto on the same day enabling true empowerment to emerge. Early on Wednesday morning (BST) the Scorpio Full Moon spotlights who is really important to you and with Mercury turning direct on Thursday, talks gain momentum.

GEMINI (May 22-June 21)
The disturbance of Mercury retrograde will be brought to an end on Thursday 25th but not before mega aspects download which have the power to alter what's happening in many situations and your view of them. This is a great time for focusing on your future and closing out on any aspects of your life which are excess baggage.

CANCER (June 22-July 22)
Headwinds and tailwinds converge in probably one of the impactful weeks of the year, celestially speaking. On the one hand you should feel positive about what's forming in terms of exciting ideas and alliances. On the other, the Scorpio Full Moon at odds with Pluto encourages you to take a deep dive into your more intense and private feelings. Making a powerful decision is the keynote of the week.

LEO (July 23-Aug 22)
The cosmos is bringing together many important aspects at the same time which you're registering as being 'a very important time'. Whether you're all blue skies under the auspices of the Jupiter-Uranus conjunction or dealing with intense emotions care of the the Scorpio Full Moon plugged into Pluto you will emerge lighter, clearer and with everything to play for. Plus, Mercury is turning direct on Thursday and the lights go green!

VIRGO (Aug. 23 -Sept. 23)
You dislike being forced to make change before you consider yourself to be ready but as life is opening up in new ways, you do need a gentle push to walk the path of exploration. Perhaps it feels more like a shove. In which case remember the power you have inside yourself to sort everything out and as Mercury resumes direct motion from Thursday, this is exactly what you will do.

LIBRA (Sept. 24-Oct. 23)
Sometimes a Jupiter-Uranus union can feel as if you're in the right place at the right time and the cosmos is opening up new pathways you wouldn't ordinarily have access to. Yet the Scorpio Full Moon at odds with powerful Pluto is likely to bring you face to face with intense situations and reactions which require you to navigate with all your diplomatic skills. Take heart from Mercury changing direction on Thursday and normal service will be resumed!

SCORPIO (Oct. 24 - Nov. 22)
What an intense week lies ahead with the Scorpio Full Moon immersed in Pluto's powerful aura and Jupiter and Uranus producing electric vibes. You are an equal match for all of this intense energy and you could well find that this extreme energy is your marker point for a dynamic shift in a relationship or a new opening which defines your future direction. Time to shed a skin Scorpio!

SAGITTARIUS (Nov. 23-Dec. 21)
There's an extrovert-introvert quality to the astrology this week as you're riding high on the crest of a Jupiter-Uranus wave whilst doing some inner naval gazing care of the private Scorpio Full Moon. It's good to move between these two states and realise you don't have to be 'on' all the time, nor do you need to permanently dwell on your interior life. Look on it as practicing the inhale and exhale breath.

CAPRICORN (Dec 22.- Jan. 20)
You're not a person of extremes but the cosmic landscape is markedly intense at the moment. On the one hand there's such joy and happiness to be found and on the other you find yourself dancing with wolves from time to time..... no matter as you can tame them and emerge with a new awareness of your own power. Besides which Mercury turns direct on Thursday and the right words come.

AQUARIUS (Jan. 21 -Feb. 19)
Press the release button as this week is all about off with the old and on with the new! For a start, Jupiter and Uranus are performing high jinks and offering up a new cycle of creation. Then there is the Scorpio Full Moon. Always an intense time and a signal to get unstuck from anything that's 'less than'. Go work your magic Aquarius!

PISCES (Feb. 20-Mar. 20)
Are you ready for a quantum leap in what's possible? Jupiter and Uranus are like a rainbow offering so look up and dream big. At the same time, the Scorpionic energy of this week includes a Full Moon which asks you stop playing small and transform anything that blocks your growth.

HEALTHFUL LIVING

A Weekly Guide to Health Awareness

YOGA POSE OF THE WEEK - Tree Pose (Vrksasana)

Tree pose is an excellent introduction to balancing postures. If you feel yourself beginning to topple, you can step out of it easily. Try not to create a counterbalance by jutting your hip to the side of your standing leg. Focus your gaze on a spot on the floor, and try varying foot positions to see what works for you: Heel resting low on the ankle, on a block, or above or below the knee. Tree Pose strengthens the legs and core while opening the hips and stretching the inner thigh and groin muscles. One of yoga's biggest benefits, in general, is that it helps build better balance, which helps with any number of other physical activities.

VITAMIN HIGHLIGHT - Vitamin C

Vitamin C, also known as ascorbic acid, has several important functions. These include: helping to protect cells and keeping them healthy maintaining healthy skin, blood vessels, bones and cartilage; and helping with wound healing.

Vitamin C is found in a wide variety of fruit and vegetables. Good sources include: citrus fruit, such as oranges and orange juice; peppers; strawberries; blackcurrants; broccoli; brussels sprouts; and potatoes.

Name of venue: Anchor Rock Club

Where are you located? 247 S. New York Avenue in Atlantic City.

Hours of operation: We are open 24 hours Sunday through Saturday!

Parking tips: Right up the block is the Park Place Parking Lot. It's located on the south side of the street, about a half block from the venue. There is also some street parking available on New York Ave.

What does your venue specialize in? For those who are about to rock we salute you! Anchor Rock Club is Atlantic City's independent music venue, located just off the boardwalk in AC's Orange Loop neighborhood. There's not a bad seat in the house and you're never far from one of several bars, each serving a mix of local beers and spirits as well as the big-name brands.

What is the current reason one MUST come to your venue? Anchor Rock Club hosts a variety of events from heavy metal shows, to drag galas, to local DJ nights. There's always something to see at Anchor Rock Club ...and something to hear too. As one of the newest additions to AC, the venue boasts one of the best sound systems down the shore.

What is your secret favorite that the crowds have yet to discover? Cardinal brunch hits different when it involves a stroll by the Bloody Mary cart! Give your weekend that extra pep in its step with the American Breakfast, Southern Benedict, Crispy Tuna Burger, Duck Wings, Lemon Ricotta Pancakes, and more! We always have the Hayday Coffee and mocktails flowing as well, every Saturday and Sunday 11 am - 3pm!

What makes your venue so unique or special? Atlantic City has a long and wild history with rock 'n' roll, from Bill Haley debuting "Rock Around the Clock" there in 1954 to the great Atlantic City Pop Fest of 1969, which beat Woodstock to the punch by two weeks. But for too long, when you've thought of Atlantic City, you've probably thought of... other things. But The Anchor Rock Club aimed to change that by bringing rock and roll back to the city. And they have succeeded. Once the center of Atlantic City entertainment, this historic beachside club was reborn in 2019. Since then, Anchor Rock Club has turned into Atlantic City's premier independent music venue. The two-story concert hall offers full accommodations for the largest wedding down to the smallest Springsteen show, including Wedding Ceremonies and Receptions, Cocktail Hours,

Private Concerts, Office Functions, Bah and Bat Mitzvahs, and other Custom Events. Anchor also boasts a full state-of-the-art sound system, staging and lighting. The club features four bars, in total two downstairs and two upstairs (where you can also see recently unearthed mural work dating back to the club's mysterious 20th Century era as a burlesque hall). The bars feature a rotating 10-tap draft system of all craft and local beers, with a different featured cocktail on tap each week, such as the current Old Fashioned, using Atlantic City's own Little Water Distilling Co.'s Whitecap whiskey, as well as a growing selection of spirits and cans on special.

Why is your venue a necessary part of Atlantic City? ARC is a contributor to the rejuvenation and revitalization of Atlantic City. ARC is part of the impact to proactively address the negative economic impacts of the past decades, through promoting and celebrating all genres of live music, demonstrating the ability to cultivate the environment and neighborhoods necessary to attract and retain a local workforce, enable business creation and tourism, and enhance downtown vitality.

What can you tell us about ARC's Visionary? ARC's visionary is John Longacre, of South Philly Taproom and American Sardine Bar. John Longacre offers a gathering spot for the local music/arts/industry communities. Longacre has built a business by spotting potential where others see potential disaster. He lives and does much of his work in South Philadelphia, specializing in recovery projects that save buildings, convert seedy bars into trendy restaurants and turn vacant eyesores into neighborhood hubs. His target market is young adults who want to live in cities that give them something to do. His approach is to help create something for them to do as he gives them those places to live.

What are some other special reasons to come visit? ARC hosts a slew of rotating themed events every week, including a Metal Core Night this Friday, April 26th, at 8 pm, an epic Dance Party this Saturday, April 27th at 10 pm, and Jawn of the Dead, a Grateful Dead Tribute night, on May 4th (may the fourth be with you!). Doors open at 7 pm. On May 18th they are hosting an iconic 80's themed Prom Night, brought to you by Headcase Studio. Doors open at 7 pm. This will be a night that will go down in history! And keep your eyes peeled in the summer. On July 26th they will be hosting the smoothest Yacht Rock DJ Dance Party, "Drop It Like It's Yacht!"

Do you have any weekly specials or upcoming events? As we discussed last week, ARC is teamed up with Cardinal Atlantic City, who hosts dinner and show specials. You will receive \$10 your dinner at Cardinal, and \$2 off at the bar at ARC!

FROM THE HEART OF ATLANTIC COUNTY MAGAZINE

The past few years have provided people with lots of chances for self-reflection. From isolation during COVID to major shifts globally, to personal changes like new jobs, friends or houses, we've all got a lot to think about. For many people, this time to think has been a welcome source of inspiration — for writing, major decisions, or mental peace. Are you still looking to expand your mind, open yourself to new perspectives, and explore both the mundane and the profound? Look no further than these five essay collections that cover a range of timelines and topics that will cause you to ponder, well, everything.

These Precious Days by Ann Patchett

Ann Patchett has written a grace-filled, insightful compilation of narrative essays of her literary life. From meditations on unexpected friendships, to her creative process, to looking at the world with fresh eyes, to a fondness for knitting, Patchett encompasses the highs and lows of life. Readers will find humor, optimism, abundant joy and acceptance of loss, along with moments of laughter sprinkled with tears. These essays are a beautiful reminder to celebrate our precious moments with a sense of adventure, good books and great conversations with family and friends.

Musings 2022 by Denis O'Neill

In *Musings 2022*, author/screenwriter/observer Denis O'Neill describes a world most unsettled in a collection of essays including rants and riffs about politics, poetry, societal matters, his Irish heritage, and subjects of the heart. 2022 was a year of living most dangerously. The pandemic marched on, Putin marched in, and politics became even more of a hot-button issue. His topics, more than 70 all told, are far-ranging, though it's hard not to have so many of them focus on the political climate, both worldwide and domestically, and the well-documented events that dominated front pages everywhere. The motive for these musings? "The older you get," the author says, "the more your life becomes a vehicle for wistful contemplation. A natural condition," especially when paired with a sense of humor.

5 Essay Collections That Explore the Profound and the Mundane

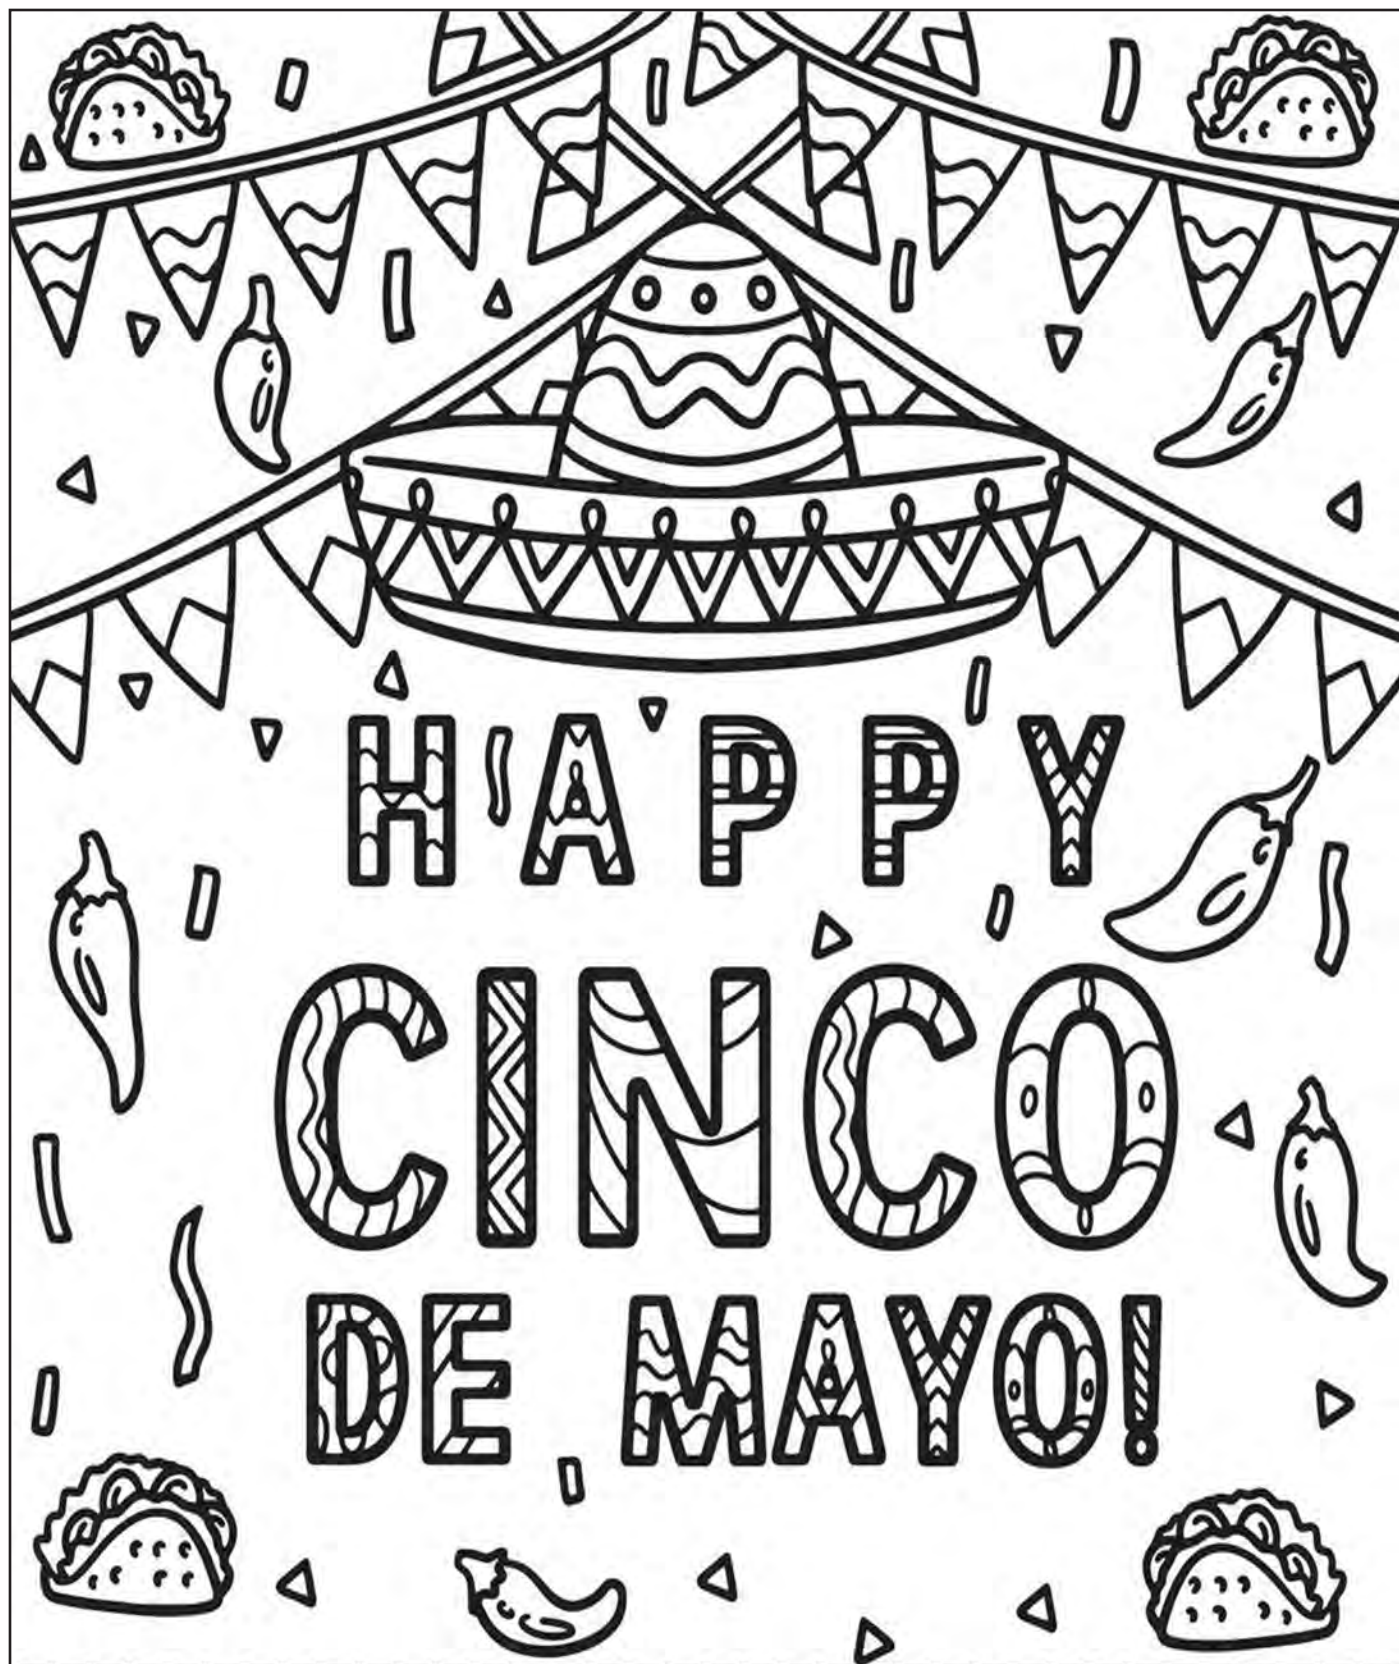

Would Everybody Please Stop?: Reflections on Life and Other Bad Ideas by Jenny Allen
Across the personal, the philosophical and everywhere in between, humorist and performer Jenny Allen muses on a wide variety of life's experiences. With a conversational and witty tell-it-how-it-is tone, Allen explores romance, sex, divorce, her trial as a "wig person" during chemo, phrases that just don't make sense, and scathing social commentary. Called "a tartly funny and often piercingly emotional ramble through life at a certain age," by The New York Times, these 35 essays are sure to provoke every kind of response, from laughter to tears.

Some Stories: Lessons from the Edge of Business and Sport by Yvon Chouinard
Yvon Chouinard, the founder of the outdoor brand Patagonia, has curated a collection of stories from a rugged, beautiful, and full life dedicated to nature. Chouinard has dipped his toes into almost every outdoor sport there is, imbuing his accounts with a sense of responsibility toward our planet. From decrying the national government for a lack of protection of public lands to encouraging voter turnout, Chouinard's experiences have taught him that with power, adventure, and pioneering, comes the responsibility to be ethical and to give back. He shares his thoughts, philosophies, sports adventures, business excellence, and environmental activism with an audience that is sure to enjoy every word.

Waxing Pathetic: My Two Cents, For What They're Worth

by M. B. Clark
Waxing Pathetic is a merging of personal commentary and memoir couched in a humorous voice. From a sardonic perspective, readers are treated to a stream of consciousness that picks and nibbles at the human experience. From the pathetic to the political, the lunatic to the poetic, Merry Clark's memoir is a masterwork of dry wit and piercing observation.

Organized in five major sections, each personal essay carries a unique theme that is hung upon the overriding concept of the "pathetic principle". Readers will see real events merge with dream-state fiction to elicit a deeper truth than just memories can provide. These essays are a revealing dive into the mind of a modern woman.

PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

Walk & Learn with The Seeing Eye

Our Walk & Learn program is returning this spring with three new dates! Learn how Seeing Eye dogs are trained on the streets of Morristown. This unique opportunity allows you to follow a Seeing Eye graduate and dog team while learning all about their partnership. Each program begins with a brief presentation and tour of our downtown training location, located at 14 Maple Avenue. Participants will then take a walk through the streets of Morristown and learn how Seeing Eye dogs guide their handlers safely. The walking distance is about 1 mile and is appropriate for ages 12+. This is an experience you will not want to miss! Spots are limited, so secure your spot today.

Location: 14 MAPLE AVENUE, MORRISTOWN, NJ

PD: An image of a black Lab Seeing Eye dog walking down a sidewalk with her handler, captured from the shoulders down, in downtown Morristown. Text reads, "Walk & Learn with The Seeing Eye - 9:00 AM - 10:30 AM - Friday, April 26 - Friday, May 24 - Friday, June 21 - seeingeye.org/visit"

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit seeingeye.org/raise for info.

FROM THE HEART OF ATLANTIC COUNTY MAGAZINE

Smokescreen season is almost over.

After months of speculation, athletic testing and rumors, the 2024 NFL draft comes your way this week, and so will a bevy of new, young quarterbacks.

The Bears are on the clock, and there's very little mystery as to who will go No. 1 overall to try and remedy Chicago's quarterback conundrum. After trading Justin Fields to the Steelers in March, it seems to be all but a lock that Caleb Williams is heading to the "Windy City."

After that, the mystery is rekindled: UNC's Drake Maye, LSU's Jayden Daniels, Michigan's J.J. McCarthy and Washington's Michael Penix Jr. could all hear their names called on Thursday night, but in what order is the question.
