PINEAPPLE

Pineapple contains plenty of nutrients and beneficial compounds such as vitamin C, manganese and enzymes to help digestion. Eating fresh or roasted ripe pineapple may help boost immunity, lower cancer risk, and improve recovery time after surgery. Pineapples are best when eaten on an empty stomach. Due to the presence of bromelian, eating them during the earlier part of the day or during the afternoon is best. Do not eat pineapples after meals. You can probably eat them 30 minutes before a meal. Sub-acid fruits like apples, pineapples, pears and peaches have the approximate digestion time of 30-40 minutes and sweet fruits like bananas and papaya take 40-60 minutes.

HOROSCOPE

JUNE 29 - JULY 5, 2023

ARIES (Mar. 21-April 20)

Home improvement projects will go well if you delegate work to all your family members. You can accomplish a great deal. You may want to sign up for courses that will encourage you to have more confidence in yourself. Your ideas will be well received.

TAURUS (Apr. 21-May 21)

Your mate needs extra attention and is feeling rather insecure when you're not in sight. Your support and concern will help. You can make a difference if you take a position of leadership. This is not the best time to take a risk, to gamble or spend money you really can't afford to part with. You should be making plans to spend some time with the ones you love.

GEMINI (May 22-June 21)

Don't let friends convince you that you should contribute to something you don't believe in. Be aware of any deception on the part of those you deal with. Opportunities will come through behind the scenes activities. Don't let friends convince you that you should contribute to something you don't believe in.

CANCER (June 22-July 22)

Your ability to visualize will help you convince others of the possibilities. Empty promises are evident and deception probable. Offers of joint ventures are likely. Use your charm, but don't be phony.

LEO (July 23-Aug 22)

Romance can surface if you get into some of those fitness programs you've been putting off. You may have difficulties with someone close to you. Don't agree to make any of those cosmetic alterations you've been considering. Moves will be hectic but favorable in the end.

VIRGO (Aug. 23-Sept. 23)

Get involved in competitive sports. Friends will appreciate your attention and playful nature. Make sure you concentrate if operating machinery or vehicles. Your ideas will be well received. Keep the promises you've made or you can expect to be in the doghouse.

LIBRA (Sept. 24-Oct. 23)

Be sure to spend time helping children with projects that are too difficult for them to accomplish alone. Get the red tape and the unwanted paperwork out of the way. Deception is likely. Avoid lovers who already have a relationship, even if it is a bad one.

SCORPIO (Oct. 24 - Nov. 22)

Uncertainties are still prevailing. Travel will promote romantic connections. It might be time to pick up the slack and do your share. You may attract attention if you get out socially.

SAGITTARIUS (Nov. 23-Dec. 21)

Any difficulties with peers could be unnerving. You should visit a friend or relative who hasn't been well. Look into making changes to your personal papers and don't neglect those bills that have been piling up. Helping children may be rewarding and challenging.

CAPRICORN (Dec 22- Jan. 20)

Try spending the day catching up on any responsibilities that need to be taken care of. Exercise your talents and present your ideas to groups you think you can contribute to. Your creative input will be appreciated by your boss. You can gain approval, get kudos, and ask for help if you put a little heart into your speech or request.

AQUARIUS (Jan. 21 -Feb. 19)

Try to bend but by no means should you give in completely. You can avoid hassles by sticking to your work and refusing to get involved in gossip or idle chatter. You haven't been watching your spending habits and you may have been neglecting your duties. Don't second guess yourself, just go to it.

PISCES (Feb. 20-Mar. 20)

You can form new partnerships, but don't move too quickly; things may not be as they appear. You can make the most headway if you put in some overtime. Chances are you could get stuck with a colleague's job unexpectedly. Entertain in your home and make aesthetic enhancements that will please those who reside with you.

'ROUND THE REGION
with Sharon

By Sharon Harris-Zlotnick

Hello South Jersey:

**MORE ROOM
MEANS MORE DINING**

Since opening years ago, La Cucina in Northfield's Center Point Plaza has overcome the Covid years. The restaurant continued its expansion last year by acquiring the adjoining area that had operated for years as a bridal shop. The terrific space is perfect for dining and hosting private parties. This summer promises increased days/hours of operation. I attended a group get-together dinner for 26 this past Monday night. Seated in the new dining room, another small party was across the floor. Ample service staff attended to our three tables.

La Cucina hasn't changed its menu much in all these years, but there are plenty of choices. If you like Marsala dishes, their version is very good. Other people at the table complimented the branzino. No one had dessert, but the appetizers and salads ordered were a good size.

Two benefits? Parking is plentiful in the shopping center's parking lot and La Cucina is a BYOB. If the weather clears up, the lovely courtyard will soon be filled with diners for either lunch or dinner. <https://www.lacucinorthfield.com/>

A TICKETMASTER TIP

When buying show tickets, ease your ticket buying experience with these suggestions. I learned the "hard way" last month.

The Tropicana in Atlantic City featured On Your Feet, Gloria Estefan's

life story with her Miami Sound Machine band. I wanted to purchase tickets at the box office to avoid multiple fees.

Wrong. The box office attendant explained I must still pay Ticketmaster's fees and ticket order charges. This was Ticketmaster's policy, not Tropicana's.

Ticketmaster only sends a bar code to my phone for tickets-no printed paper tickets- and also imposed a \$5-per-ticket same day charge. How ridiculous is that? You'd think that same-day purchases may be discounted to fill the hundreds of vacant seats.

While I didn't expect to pay less, I didn't expect to pay more-almost \$30 for two-at the last minute. But I bit "the proverbial bullet" because of the show's great reviews.

They were right about the terrific show, music and performers, but next time, I won't make that same-day mistake again.

**JEWISH FAMILY SERVICES
JULY PROGRAMS**

The Lynn Kramer Village by the Shore at Jewish Family Service (JFS) has released its fun summer program schedule for members. Here is the first half of July:

Tuesday, 7/11, 10:30 a.m. to 11:30 a.m. Village Community Specialist Tina Serota will lead a discussion about the movie *The Birdcage*, starring Nathan Lane and Robin Williams. The gay cabaret couple try to pass themselves off to their son's conservative future in-laws, played by Dianne Wiest and Gene Hackman. Using technology, this movie may be viewed online via a computer, iPad, smart phone or on tubitv.com. RSVP by July 5.

Wednesday, 7/12, 12 p.m.-1:30 p.m. Few things are more pleasant than

a "lunch around town." The July restaurant choice is Fitzpatrick's Deli & Steakhouse in Somers Point. From deli to delicacies, diners order off the regular menu and pay individually. RSVP by July 7.

Thursday, 7/13, 10:30 a.m.-11:30 a.m. Start your day positively. JFS Wellness Coordinator Mary Jean Arreola and Tina Serota will teach methods to boost mind, body and soul wellness. Topics include self-care, mindfulness, gratitude, meditation and resiliency. RSVP by July 3.

Friday, 7/14, 8:30 a.m.-12 p.m. The popular Ventnor Farmer's Market is open for business every Friday morning through September 1. Why not help out at the Village informational table in the St. James Church parking lot? Tout the Village's great activities and shop from local farmers and vendors. Admission is free.

To learn about individual stands at the Ventnor Farmers Market, visit <https://www.vcfm.org/vendors>. The impressive list features dozens of food, flowers, crafts and specialty vendors that includes Sasscer's Cheesecake and the outstanding cornbread, soups and mac 'n cheese from P.J. Buckets.

**SEE WHAT \$100 MILLION
BUYS AT THE SHOWBOAT**

Forget about the weather...it doesn't matter at the new Island Waterpark at Atlantic City's Showboat Resort. As the world's largest indoor beachfront attraction, the \$100-million complex covers 120,000 square feet and holds

more than 317,000 gallons of water. It officially opens this weekend in time for the long holiday.

I attended the "small" media and private preview last week. Walking around, I saw 11 water slides-five built for younger guests-, a 1,000-square-foot surfing simulator, a 6,500 square-foot Island Drift Lazy River, a Kids Cove play area and a 30-foot tall Indoor Tree House for private parties. There are also 11 food and drink outlets and everything is under a multi-story retractable glass atrium roof.

Showboat CEO/owner Bart Blatstein has wanted to transform Showboat from a casino to a world-class family entertainment venue. Now, along with the Lucky Snake Arcade-the world's largest-the 200,000-plus square-foot venue includes the 40,000 square-foot Raceway Go Kart Indoor Track and more than 600 amusement games, he has.

Visit islandwaterparkac.com for rates, discounts and other information. There are no parking cashiers in the garage. Everything is done on an app by text or QR code. It may be confusing at first, but keep at it.

FEEDBACK FROM YOU
I would love to hear your ideas/suggestions. Email atlanticcountymagazine@comcast.net. In the subject line, put FEEDBACK FOR SHARON and it will be forwarded.

American Red Cross

Why Donate Blood?

You don't need a special reason to give blood. You just need your own reason.

- Some of us give blood because we were asked by a friend.
- Some know that a family member or a friend might need blood some day.
- Some believe it is the right thing we do.

Whatever your reason, the need is constant and your contribution is important for a healthy and reliable blood supply. And you'll feel good knowing you've helped change a life. To learn more, visit www.redcross.org

The need is constant. The gratification is instant. Give blood!TM

"Smaller is Better!"

Being smaller sets us apart from larger title agencies that often are not able to answer or return calls due to being short staffed and overwhelmed. When you call Atlantic Title, you are greeted by a live person who will tend to your need right away. We all have the same regulated title rates. Therefore, it's all about the quality of service. At Atlantic Title Agency, service to you is always our priority. Try us out, you will not regret it.

WHAT It is truly a local favorite. Located in a quaint bayside town, it is well known and easy to find. They have softserve and hand dipped ice creams, Milkshakes, blizzards, frozen bananas, water ice, and sundaes. The prices are great and their portions are generous.

WHY Milky Way Ice Cream and Mini Golf has a true nostalgic feel of the neighborhood ice cream hang out. It's a perfect stop for the family on a hot summer evening for handmade ice cream treats followed by a game of putt-putt.

PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

Building Trust: Dean & His Six Shepherds

Dean was born with retinitis pigmentosa, a progressive eye disease that caused his vision to deteriorate over time. Gradual vision loss was hard for Dean, and eventually, he reached a point where he no longer felt comfortable traveling alone. That's when he decided it was time for a guide dog.

In 1985, The Seeing Eye matched Dean with his first dog, a German shepherd named Heidi. Dean remembers his instructor handing him the leash and saying, "This is Heidi. She doesn't know you yet. You have three-and-a-half weeks to get to know each other and begin to work as a team."

Dean took those words to heart. He realized it couldn't just be about him trusting Heidi to keep him safe; he needed to make sure Heidi trusted him as well.

It's been 35 years, and Dean has traveled with Heidi, Quentin, Patty, Houston, Thor, and now Gus, all German shepherds. Each time The Seeing Eye has paired Dean with a new dog, he recalled the lessons he learned with Heidi. The more trust he builds, the more he and his dog can do.

Dean is almost 80 years old, retired, and busier than ever! With Gus by his side, Dean goes to the gym, walks with neighbors and friends, volunteers with his church, donates blood, and more.

"I thought I'd be sitting in a rocking chair, but every day is a new adventure," Dean explains.

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit seeingeye.org/raise for info.

Cauliflower Steaks

Ingredients:

1 large cauliflower head
 3 tbsp. olive oil
 1 1/4 tsp. lemon pepper
 1 1/4 tsp. seasoned salt
 2 tbsp. unsalted butter,
 cut into 1/2-inch pieces
 1 tbsp. chopped fresh parsley
 Lemon wedges, for serving

Directions:

Preheat the oven to 450°F with an oven rack in the upper third of the oven. Remove the outer leaves from the cauliflower head and cut vertically through the core into 4 (about 1-inch-thick) steaks. (Reserve the remaining cauliflower for another use.) Arrange the steaks in a single layer on a large rimmed baking sheet. Brush both sides of the steaks evenly with oil, and sprinkle with the lemon pepper seasoning and seasoned salt. Roast the cauliflower until the bottom side is golden brown, 18 to 22 minutes. Carefully flip the steaks over and continue roasting until tender, 8 to 10 minutes. Remove the steaks from the oven and transfer to a serving platter. Top each steak with butter and let stand for 2 minutes. Sprinkle with chopped parsley and serve with lemon wedges.

INDEPENDENCE DAY CELEBRATION
HISTORIC COLD SPRING VILLAGE
JULY 1-2, 2023**

Celebrate all things American at Historic Cold Spring Village's annual Independence Day Celebration, which will be held on Saturday and Sunday, July 1st, and 2nd, from 11:00 am to 4:00 pm. A variety of patriotic family activities, programs, and music will be taking place.

The Village's restored historic buildings will also be open, featuring demonstrations of Early American trades and crafts. Throughout the day at the Dennisville Inn, John and Jan Haigis will be performing colonial-era music and songs and there will be a Militia Muster for children ages 5 to 12. Visitors will be able to learn about life in the Revolutionary War at a camp of the 5th Connecticut regiment of the Continental Army and the Ministers of Apollo will have a colonial fife and drum corps.

At 1:30 on both days, there will be a reading of the Declaration of Independence at the Village Gazebo. This will be followed by a performance of American heritage tunes by the John Walter Cape Community Band from 2:00 pm to 3:00 pm at the Friends Pavilion. On Saturday and Sunday at 3:00 pm learn some of the history of the American Flag at the Village Welcome Center. Kids can also take part in the "Patriot Spy Game," visiting Village buildings to look for clues using a real Revolutionary War cipher.

Historic Cold Spring Village is a non-profit, open-air living history museum that portrays the daily life of a rural South Jersey community of the Early American period. It features 27 restored historic structures on a 30-acre site.
